Hartland Cemeteries

The Village of Hartland owns and operates cemeteries located at 300 and 416 W. Capitol Drive and 211 Hill Street. The secluded and serene cemetery properties are located north of Capitol Drive on the west side of the Village. Village staff is responsible for the overall maintenance of these cemeteries including grounds maintenance, landscaping and recordkeeping. The goal is to ensure that the cemeteries provide a peaceful resting place for your loved ones.

History

The Hartland Village Cemetery, also known as the Highland Cemetery, was established circa 1845 with the earliest known burial in 1845. The cemetery located at 416 W. Capitol Drive, previously known as the Hartland Lutheran Cemetery, was established in May 1867 by the original congregation of German and Danish settlers organized as St. Martin's Church.

Lot Selection

If you are considering one of the Village of Hartland cemeteries as a final resting place, please feel to visit the locations. Cemetery hours are from sunrise to sunset. Once you have decided to choose a final resting place in one of the Village of Hartland cemeteries, contact the Hartland Village Hall where a staff member will be available to help you locate an available grave site. A visit to the cemetery with the Public Works Operations Supervisor may be necessary to make sure your lot location choice is documented properly.

After your lot choice is made, you will need to return to the Village Hall to fill out the paperwork and make full payment on the lot chosen.

The Village of Hartland does not offer a payment plan for the purchase of lots nor do we reserve lots without full payment. At this time, the use of credit cards is not an available payment option. Your deed for the lot will be prepared at the time of payment.
