Members met at Centennial Park and hiked the Ice Age Trail beginning at 3:00 pm and ending at approximately 5:00pm at the Cottonwood Wayside.

NOTES OF COMMENTS MADE AS CAPTURED BY COX:

- Install information Kiosk at Centennial location as a starting point for potential hikes
- Improve signage directing users north on the IAT
- Install road sign at this entry sign
- Install small, "trail sized" Ice Age Trail Community (IATC) signs at this entry post – 3 signs
- Delineate property lines at Centennial Park south
- Install better signage at the trail entrance from River Meadows subdivision from Rae Drive
- Identify a "dog route" at the River Meadows area.
- Alternatively, work with neighbors to allow dogs on leashes – perhaps provide waste bags
- IATA Signs faded at Hartbrook Park/River Meadows
- Install arrow directional sign at Hartbrook for southbound
- Possible IATA Kiosk at Hartbrook Park
- Double arrow directional sign at entrance from North Ave
- Possible business directional signage at Hartbrook Drive
- BID and business signage at area of Lawn Street behind Señor Tomás
- Consider reroute of official Trail to pedestrian way east of Cresthaven if new east side path and new pedestrian bridge installed
- Improved alley markings behind Palmers
 - Footprints
 - Other improvements
 - Reroute?
- Major signage in Nixon Park
- Update existing kiosk
- Consider a "business route" for trail along Cottonwood Ave south of tracks to Cardinal Lane or farther south to Lindenwood
- IAT Blazes should be added along Maple Ave south of Nixon/Railroad tracks
- Business directional signage at Cardinal Lane
- IAT Blazes should be added along Maple Ave South of Cardinal
- Crosswalk should be considered at crossing to Maple Wayside/Hartwood Lane
- Add a Kiosk at the Cottonwood Wayside as a starting point for potential hikes
- Install small, "trail sized" Ice Age Trail Community (IATC) signs at this entry
