- Please Note that operation of business is not allowed until occupancy permit application has been approved.
- Allow approximately 5 working days for review.

After an occupancy permit application has been received and an occupancy inspection has been completed by the building inspection department, an occupancy letter will be sent to the applicant listing all violations. **An occupancy permit will be issued when all violations have been corrected.**

A conditional occupancy permit can be requested by the prospective occupant, if no life-safety violations exist as determined by the building inspection department.

If the conditional occupancy permit is issued, the applicant agrees to have all violations corrected within forty five (45) days. A reinspection will be scheduled after 45 days to check for compliance. If any violations exist, a penalty of \$25.00 per day will be assessed until all violations are corrected.

The \$500 Refundable Occupancy Deposit will be returned upon release by the Building Inspector.
