

SMART SITTER WAIVER

For Students:

Babysitting is fun, but it is also a big responsibility. While attending Smart Sitter I understand that it will be expected of me to take this class seriously and prepare to have other children's safety as my responsibility. I understand the instructor is expecting a young adult who is focused, attentive and is capable of safely supervising children in their care. I also understand that if at any time I am disruptive, distracting to others or behave in a manner that suggests I should not be certified to have children under my care, I will be asked to leave the class.

For Parents:

I understand that this course offers important information and students will be assessed on their understanding of the material, but that only parents can ultimately make the decision regarding their child's readiness to take on the responsibility of caring for other children. I, as the parent/guardian of the participant who is attending Smart Sitter, agree that I am bringing my child to learn safety and leadership skills and believe that my child can perform the duties expected of a new babysitter. I understand that if my child does not meet those criteria or does not keep the agreement above that I will be asked to come and pick them up. I also understand that a refund will not be given if my child is asked to leave. Set your child up for success by having a conversation with them prior to class about the importance of attention, maturity, and the responsibility of having other children's safety as their responsibility.
