BOARD ROOM
MUNICIPAL BUILDING, 210 COTTONWOOD AVE.

Present: Jeff Pfannerstill, David deCourcy-Bower, Ann Wallschlager, James Schneeberger, Jeff Bierman, Tim Hallquist and Tim Fenner.
Others Present: Interim Administrator Bailey, Building Inspector Hussinger, Bryan Lindgren, Matt Neumann, Casey Masterson and Deputy Clerk Bushey.

Call to Order-

1. **Consideration of a motion to approve the Jt. Architectural Board/Plan Commission Minutes of July 15, 2019.**

Motion (deCourcy-Bower/Schneeberger) to approve the Jt. Architectural Board/Plan Commission minutes for July 15, 2019. Carried (5-0). Fenner & Hallquist abstained.

2. Architectural Board review and consideration of an application for façade improvements for GD Holding, LLC, 107 E. Capitol Drive.

Lars Nielson from GD Holding, LLC was present and explained the façade improvements from a BID façade grant. He said the building has a retail pharmacy along with 2 apartments upstairs, and they would like to improve the front façade with new windows, French doors on the 2nd floor and a Romeo/Juliet balcony. He said the sign will come down and they will be putting up an awning. Wallschlager asked if they will be repainting the façade and Mr. Nielson said he didn't know at this point. Hussinger said that would have to be approved by the BID for the color and Mr. Nielson said he would pick a color that blends in. Pfannerstill asked if they have started yet and Mr. Nielson said they have started on the rear apartment upstairs. Pfannerstill pointed out to Mr. Nielson that there is a 90 day window for the BID façade grant and typically when someone comes in they already have the colors picked out etc. Mr. Nielson said he was unaware of the restrictions regarding the façade grant. Pfannerstill suggested Mr. Nielson contact the BID and request and extension. De-Courcy-Bower said that a lot needs to be verified and he would like to see a sketch up of what the balcony would look like on the building.

Motion (deCourcy-Bower/Schneeberger) to table this to the next meeting. Carried (7-0).

3. Architectural Board and review and consideration of actions related to The Glen at Overlook Trails.

Casey Masterson from Halen Homes was present and said at the last meeting the board noted that the garage on House B was sticking out.

a. Review and consideration of resubmittal of "House B" plans-

Casey Masterson said House B resubmittal has 3 elevations with a front entry garage or side entry. He went to say the plan is a little bigger than the previous plan. deCourcy-Bower asked if the Board is ok with the 3 car layout. There was discussion on the front entry & side entry of the garage. Pfannerstill told the petitioner that for the record that since the board says 12 side garages, they need to plan on 12. Mr. Masterson said they would have that conversation with their customers for those 12.

Motion (Schneeberger/Hallquist) to approve the plan for House B. Carried (7-0).

b. Review and consideration of a Certified Survey Map-

Bryan Lindgren said this is just a formality to dedicate the easements/right of way. Village Engineer Amtmann said he reviewed the CSM and had no comments for change.

Motion (deCourcy-Bower/Hallquist) to approve the Certified Survey Map as presented. Carried (7-0).

c. Review and consideration of an updated grading plan-

Mr. Lindgren said they revised the grading plan but the master plan is staying the same. He said they added a couple new landscaping berms, the paths are more useable and walkable. He said the remaining dirt will be redistributed throughout the development.
Village Engineer asked if it is possible for the board to approve it as staff approved, he would like a chance to look over the revised plan. Amtmann asked about the master plan and Lindgren said that has not changed. Amtmann said the reason for the revised plan was that what was on top was not suitable for the trenches. deCourcy-Bower asked if the Natural Resource area would be disturbed more, and Lindstrom said there would be no additional clearing than necessary.

Motion (deCourcy-Bower/Hallquist) to approve the revised grading plan with staff (Building Inspector & Village engineer) reviewing this & if not many changes moving it forward. Carried (7-0).

4. Architectural Board and Plan Commission review and consideration of plans for a 15,000 square foot addition at Sjoberg Tool, 620 Cardinal Lane.

Eric Neumann from MSI was present and explained the proposed addition. He said Sjoberg Tool is looking for more storage space along with some modifications of the parking lot. He said they are looking at adding more parking and modifying the driveway. He said the addition will be all masonry and will be taller than the existing building. He went on to say the masonry is cheaper but it will match the concrete block on the existing building. Hallquist asked if they will be removing the dock and Mr. Neumann said no, it will be an extra dock.

Motion (deCourcy-Bower/Fenner) to approve the 15,000 sq. ft. addition for Sjoberg Tool contingent on Scott's comments being addressed, no dumpsters outside and no outside storage. Carried (7-0).

5. Plan Commission review and consideration for a concept Planned Unit Development for an addition to Sendiks Food Market, 600 Hartbrook Drive.

Ryan Thomas from Madisen Maher Architects was present for Sendiks. He said they would like to add a 27 ft. addition to the back of the building and will also be adding landscaping. Mr. Thomas said they will relocate the utilities and add additional storm drains. Fenner asked if they would relocate the dock, and Mr. Thomas the dock in the east will remain and the west dock will be removed. Village engineer said that there is a plan in 2020 to rework the sewer/lateral. Building Inspector Hussinger commented to the board that with this addition the 20 ft. setback will be taken down to 1 ft. Wallschlager asked if there if the ordinance would allow for that. Hussinger said no, but this is being recognized as a Plan Development so it allows for that. Fenner asked their time table for the addition. Mr. Thomas said they would like to start in October and put the foundation in, in November. Fenner asked if the sewer would be coordinated with the village and Mr. Thomas said yes. Fenner also asked if this was a conceptual and Pfannerstill said yes.

Motion (Fenner/Pfannerstill) to approve the concept Planned Unit Development for Sendiks as presented. Carried (7-0).

Recess at 8:10 pm
Reconvened at 8:11 pm

6. Discussion and consideration of the final draft of the Village of Hartland Comprehensive Outdoor Recreation Plan.

deCourcy-Bower was a member of the steering committee said the proposed trail map needs work and it should probably include areas to the north. Pfannerstill asked if both Comprehensive plans should be approved at the same time and deCourcy-Bower said it would make sense. Wallschlager said Nixon Park needs something like a basketball court and there was brief discussion.

Motion (Fenner/Schneeberger) to table until that comprehensive plan comes to the Plan Commission. Carried (7-0).

7. Discussion and possible action related to INRA boundary with SEWRPC and possible letter sent on behalf of Village.

Bryan Lindgren explained that there seemed to have been some confusion regarding the map so they contacted SEWRPC. He said in the past SEWRPC and Hartland have gotten together regarding mapping. He said the mapping is reviewed every 5 years, in 2010 it was mapped as Institutional but then in 2015 it was mapped as open space. He said the reason for the mapping is because it is very subjective. He said basically SEWRPC has said it will honor whatever Hartland decides. deCourcy-Bower said the Land Use plan references it as INRA and the current parcel is shown as open space, and feels the INRA should be determined first. There was discussion regarding what the parcel is mapped as. Pfannerstill commented that you can't stop growth but you can control it and it isn't appropriate to say it can't be developed. He went on to say that SEWRPC is there to help a region. Fenner said things are being made too complicated, he said the letter is asking 2 things. Matt Neumann said they just had a similar situation in Pewaukee. A land owner had some farm property and let it go for several years so it had some trees growing on it, but when a developer wanted to develop the land, Pewaukee said they couldn't because of the trees, where if the land owner had done it prior to wanting to sell it, it wouldn't have been an issue.

Motion (Pfannerstill/Fenner) to send the letter to SEWRPC. Carried (5-2), Wallschlager and deCourcy-Bower opposed.

8. Adjourn-

Motion (Bierman/Schneeberger) to adjourn. Carried (7-0). Meeting adjourned at 8:53 PM.

Recording Secretary,

2. THE CONTRACTOR SHALL OBTAIN ALL PERMITS REQUIRED FOR EXECUTION OF THE WORK. THE CONTRACTOR SHALL CONDUCT HIS WORK ACCORDING TO THE REQUIREMENTS OF THE PERMITS.
3. THE CONTRACTOR SHALL NOTIFY THE OWNER AND THE MUNICIPALITY FORTY- EIGHT (48) HOURS PRIOR TO THE START OF CONSTRUCTION.
4. THE MUNICIPALITY SHALL HAVE THE RIGHT TO INSPECT, APPROVE, AND REJECT THE CONSTRUCTION OF THE PUBLIC PORTIONS OF THE WORK. THE OWNER SHALL HAVE THE RIGHT TO INSPECT, APPROVE, AND REJECT THE CONSTRUCTION OF ALL PRIVATE PORTIONS OF THE WORK.
5. THE CONTRACTOR SHALL INDEMNIFY THE OWNER, THE ENGINEER, AND THE MUNICIPALITY, THEIR AGENTS, ETC, FROM ALL LIABILITY INVOLVED WITH THE CONSTRUCTION, INSTALLATION, AND TESTING OF THE WORK ON THIS PROJECT.
6. SITE SAFETY SHALL BE THE SOLE RESPONSIBILITY OF THE CONTRACTOR.
7. THE CONTRACTOR IS RESPONSIBLE FOR FIELD VERIFYING ALL UTILITY INFORMATION SHOWN ON THE PLANS PRIOR TO THE START OF CONSTRUCTION. THE CONTRACTOR SHALL CALL DIGGER'S HOTLINE AT 1-800-242-8511 TO NOTIFY THE UTILITIES OF HIS INTENTIONS. AND TO REQUEST FIELD STAKING OF EXISTING UTILITIES.
8. SILT FENCE AND OTHER EROSION CONTROL FACILITIES MUST BE INSTALLED PRIOR TO CONSTRUCTION OR ANY OTHER LAND DISTURBING ACTIVITY. FOLLOW THE SEQUENCE OF CONSTRUCTION ON THE EROSION CONTROL PLAN FOR MORE DETAILS. INSPECTIONS SHALL BE MADE WEEKLY OR AFTER EVERY RAINFALL OF 0.5" OR MORE. REPAIRS SHALL BE MADE IMMEDIATELY. THE CONTRACTOR SHALL BE RESPONSIBLE FOR REMOVING ALL EROSION CONTROL FACILITIES ONCE THE THREAT OF EROSION HAS PASSED WITH THE APPROVAL OF THE GOVERNING AGENCY.
9. ANY ADJACENT PROPERTIES OR ROAD RIGHT-OF-WAYS WHICH ARE DAMAGED DURING CONSTRUCTION MUST BE RESTORED BY THE CONTRACTOR.
10. TRASH AND DEBRIS SHALL BE NOT BE ALLOWED TO ACCUMULATE ON THIS SITE AND THE SITE SHALL BE CLEAN UPON COMPLETION OF WORK.
11. THE OWNER SHALL HAVE THE RIGHT TO HAVE ALL MATERIALS USED IN CONSTRUCTION TESTED FOR COMPLIANCE WITH THESE SPECIFICATIONS.

SPECIFICATIONS FOR GRADING & EROSION CONTROL

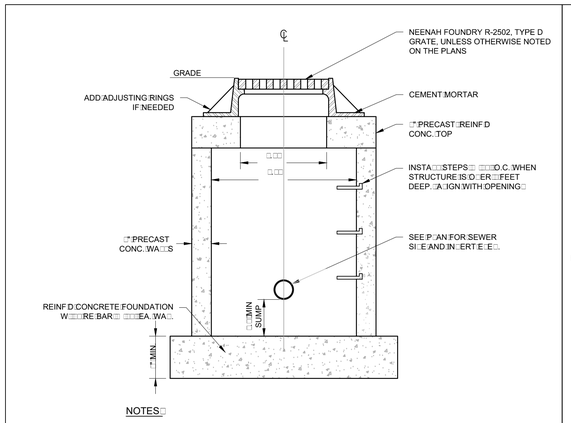

1. THE CONTRACTOR SHALL ASSUME SOLE RESPONSIBILITY FOR THE COMPUTATIONS OF ALL GRADING AND FOR ACTUAL LAND BALANCE, INCLUDING UTILITY TRENCH SPOIL. THE CONTRACTOR SHALL IMPORT OR EXPORT MATERIAL AS NECESSARY TO COMPLETE THE PROJECT. CONTRACTOR SHALL NOTIFY OWNER OF THE NEED TO IMPORT OR HAUL OFF SOIL.
2. THE CONTRACTOR IS RESPONSIBLE FOR VERIFYING SOIL CONDITIONS PRIOR TO COMMENCEMENT OF CONSTRUCTION. A GEOTECHNICAL REPORT MAY BE AVAILABLE FROM THE OWNER.
3. SITE SHALL BE CLEARED TO THE LIMITS SHOWN ON THE PLANS. REMOVE VEGETATION FROM THE SITE. BURNING IS NOT PERMITTED. PROTECT TREES AND OTHER FEATURES FROM DAMAGE WITH FENCING. STOCKPILES SHALL NOT BE LOCATED CLOSER THAN 25' TO A DRAINAGE STRUCTURE OR FEATURE AND SHALL BE SURROUNDED WITH SILT FENCE.
4. THE GEOTECHNICAL ENGINEER IS RESPONSIBLE FOR VERIFYING COMPACTION AND FILL PLACEMENT IN THE FIELD. THE GEOTECHNICAL ENGINEER MAY SUPERCEDE THESE SPECIFICATIONS IF THERE IS GOOD CAUSE TO DO SO. AN EXPLANATION MUST BE SUBMITTED TO THE ENGINEER IN WITTING BEFORE ANY DEVIATIONS ARE MADE.
5. IF NO GEOTECHNICAL RECOMMENDATION IS AVAILABLE, THEN THE FOLLOWING SPECIFICATIONS SHALL APPLY. ALL FILL SHALL BE CONSIDERED STRUCTURAL FILL AND SHALL BE PLACED IN ACCORDANCE WITH THE FOLLOWING: THE COMPACTED FILL SUBGRADE SHALL CONSIST OF AND SHALL BE UNDERLAIN BY SUITABLE BEARING MATERIALS, FREE OF ALL ORGANIC, FROZEN OR OTHER DELETERIOUS MATERIAL AND INSPECTED AND APPROVED BY THE RESIDENT GEOTECHNICAL ENGINEER, PREPARATION OF THE SUBGRADE, AFTER STRIPPING, SHALL CONSIST OF PROOF-ROLLING TO DETECT UNSTABLE AREAS THAT MIGHT BE UNDERCUT, AND COMPACTING THE SCARIFIED SURFACE TO THE SAME MINIMUM DENSITY INDICATED BELOW. THE COMPACTED FILL MATERIALS SHALL BE FREE OF ANY DELETERIOUS, ORGANIC OR FROZEN MATTER AND SHALL HAVE A MAXIMUM LIQUID LIMIT (ASTM-D-423) AND PLASTICITY INDEX (ASTM D-424) IF 30 AND 10 RESPECTFULLY, UNLESS SPECIFICALLY TESTED AND FOUND TO HAVE LOW EXPANSIVE PROPERTIES AND APPROVED BY AN EXPERIENCED SOILS ENGINEER. THE TOP TWELVE (12") INCHES OF COMPACTED FILL SHOULD HAVE A MAXIMUM THREE (3") INCH PARTICLE DIAMETER AND ALL UNDERLYING COMPACTED FILL A MAXIMUM SIX (6") INCH PARTICLE DIAMETER UNLESS SPECIFICALLY APPROVED BY AN EXPERIENCED SOILS ENGINEER. ALL FILL MATERIAL MUST BE TESTED AND APPROVED UNDER THE DIRECTION AND SUPERVISION OF AN EXPERIENCED SOILS ENGINEER PRIOR TO PLACEMENT, IF THE FILL IS TO PROVIDE NON-FROST SUSCEPTIBLE CHARACTERISTICS, IT MUST BE CLASSIFIED AS A CLEAN GW, GP, SW, OR SP PER UNITED SOIL CLASSIFICATION SYSTEM (ASTM D-2487). FOR STRUCTURAL FILL THE DENSITY OF THE STRUCTURAL COMPACTED FILL AND SCARIFIED SUBGRADE AND GRADES SHALL NOT BE LESS THAN 95 PERCENT OF THE MAXIMUM DRY DENSITY AS DETERMINED BY THE STANDARD PROCTOR (ASTM D-698) WITH THE EXCEPTION TO THE TOP 12 INCHES OF PAVEMENT SUBGRADE WHICH SHALL A MINIMUM IN-SITU DENSITY OF 100 PERCENT OF THE MAXIMUM DRY DENSITY, OR 5 PERCENT HIGHER THAN UNDERLYING FILL MATERIALS. THE MOISTURE CONTENT OF COHESIVE SOIL SHALL NOT VARY BY MORE THAN -1 TO +3 PERCENT AND GRANULAR SOIL ±3 PERCENT OF OPTIMUM WHEN PLACED AND COMPACTED OR RECOMPACTED, UNLESS SPECIFICALLY APPROVED BY THE SOILS ENGINEER TAKING INTO CONSIDERATION THE TYPE OF MATERIALS AND COMPACTION EQUIPMENT BEING USED. THE COMPACTION EQUIPMENT SHOULD CONSIST OF SUITABLE MECHANICAL EQUIPMENT SPECIFICALLY DESIGNED FOR SOIL COMPACTION. BULLDOZERS OR SIMILAR TRACKED VEHICLES ARE TYPICALLY NOT SUITABLE FOR COMPACTION, MATERIAL THAT IS TOO WET TO PERMIT PROPER COMPACTION MAY BE SPREAD ON THE FILL AND PERMITTED TO DRY. DISCING, HARROWING OR PULVERIZING MAY BE NECESSARY TO REDUCE THE MOISTURE CONTENT TO A SATISFACTORY VALUE, AFTER WHICH IT SHALL BE COMPACTED. THE FINISHED SUBGRADE AREAS OF THE SITE SHALL BE COMPACTED TO 100 PERCENT OF THE STANDARD PROCTOR (ASTM D-398) MAXIMUM DENSITY.
6. NO FILL SHALL BE PLACED ON A WET OR SOFT SUBGRADE. THE SUBGRADE SHALL BE PROOF-ROLLED AND INSPECTED BY THE GEOTECHNICAL ENGINEER BEFORE ANY MATERIAL IS PLACED.
7. SUBGRADE TOLERANCES ARE +/-1" FOR LANDSCAPE AREAS AND +/- ½" FOR ALL PAVEMENT AND BUILDING AREAS.
8. TOPSOIL SHALL BE FREE OF DELETERIOUS MATERIALS, ROOTS, OLD VEGETATION, ROCKS OVER 2" DIAMETER AND SHALL NOT BE EXCESSIVELY CLAYEY IN NATURE. NO CLUMPS LARGER THAN 4" ARE ACCEPTABLE. TOPSOIL MAY BE AMENDED AS NEEDED WITH SAND OR COMPOST TO BE LOOSE WHEN SPREAD.
9. THE CONTRACTOR SHALL MAINTAIN SITE DRAINAGE THROUGHOUT CONSTRUCTION. THIS MAY INCLUDE THE EXCAVATION OF TEMPORARY DITCHES OR PUMPING TO ALLEVIATE WATER PONDING. ANY DEWATERING SHALL NOT GO DIRECTLY TO STREAMS, CREEKS, WETLANDS OR OTHER ENVIRONMENTALLY SENSITIVE AREAS WITHOUT BEING TREATED FIRST. A DIRT BAG OR OTHER DEWATERING TREATMENT DEVICE MAY BE USED TO CAPTURE SEDIMENT FROM THE PUMPED WATER.
10. CONTRACTOR IS ADVISED THAT ALL MUD AND DEBRIS MUST NOT BE DEPOSITED ONTO THE ADJACENT ROADWAYS PER THE REQUIREMENT OF THE MUNICIPALITY OR OTHER APPROPRIATE GOVERNMENT AGENCIES. FOLLOW THE SEQUENCE OF CONSTRUCTION ON THE EROSION CONTROL PLAN FOR MORE DETAILS. INSPECTIONS SHALL BE MADE WEEKLY OR AFTER EVERY RAINFALL OF 0.5" OR MORE. REPAIRS SHALL BE MADE IMMEDIATELY. THE CONTRACTOR SHALL BE RESPONSIBLE FOR REMOVING ALL EROSION CONTROL FACILITIES ONCE THE THREAT OF EROSION HAS PASSED WITH THE APPROVAL OF THE GOVERNING AGENCY.
9. ANY ADJACENT PROPERTIES OR ROAD RIGHT-OF-WAYS WHICH ARE DAMAGED DURING CONSTRUCTION MUST BE RESTORED BY THE CONTRACTOR.
10. TRASH AND DEBRIS SHALL BE NOT BE ALLOWED TO ACCUMULATE ON THIS SITE AND THE SITE SHALL BE CLEAN UPON COMPLETION OF WORK.
11. THE OWNER SHALL HAVE THE RIGHT TO HAVE ALL MATERIALS USED IN CONSTRUCTION TESTED FOR COMPLIANCE WITH THESE SPECIFICATIONS.

THIS DESIGN KEEPS AS MUCH EXISTING PLANT MATERIAL THAT IS PRACTICAL.

1. REMOVAL OF ALL THE PEAR TREES SINCE THEY MOST ARE IN POOR CONDITION AND/OR TOO CLOSE TO STREET TREES.
2. REMOVAL OF THE SPIREAS. THESE OFFER LITTLE SCREENING OF THE BUILDING.
3. KEEPING MOST OF THE ARBORVITAE EXCEPT THE 2 POOR ONESON THE EAST END.
4. THE STREET TREES ARE IN GOOD OR FAIR CONDITIONS. THE ELMS SEEM TO BE DECLINING.
5. PLANTING A LARGE GROWING SHRUBS WHERE TREE GAPS BETWEEN THE ARBORVITAE AND EXTENDING THE THE ARBORVITAE AROUND THE EAST END
6. ADDING ADDITIONS PLANTING TO ADD A LITTLE VISUAL INTEREST.
7. REPAIR LAWN AREAS AND INSTALL NEW LAW WHERE NEEDED.

2. REMOVAL OF THE SPIREAS AND THE ARBORVITAE..
3. THE STREET TREES ARE IN GOOD OR FAIR CONDITIONS. THE ELMS SEEM TO BE DECLINING.
4. PLANTING A VARIETY OF EVERGREEN AND DECIDUOUS SHRUBS FOR VISUAL INTEREST AND TO SCREEN THE BUILDING FOR THE RESIDENTIAL AREA TO THE NORTH.
5. ADDING SOME AREA OF PERENNIALS FOR SEASONAL COLOR AND INTEREST.
6. REPAIR LAWN AREAS AND INSTALL NEW LAW WHERE NEEDED.

GENERAL PLANTING NOTES

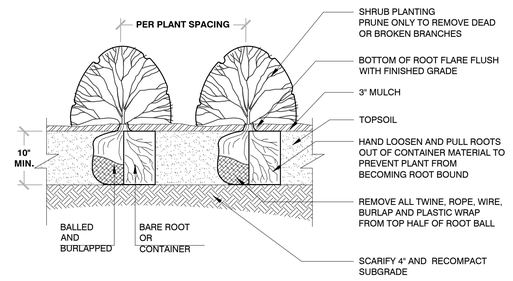

1. THE LAYOUT OF ALL PLANTING BEDS AND INDIVIDUAL TREES AND SHRUBS SHALL BE STAKED BY THE CONTRACTOR IN ADVANCE OF INSTALLATION. FLAGGING, STAKES, OR PAINT MAY BE USED TO DELINEATE LOCATIONS AS SCALED FROM THE PLANS. AN APPROVED REPRESENTATIVE WILL REVIEW THESE LOCATIONS WITH THE CONTRACTOR AND MAKE MINOR ADJUSTMENTS AS NECESSARY. BED LAYOUT SHALL ALSO INCLUDE PERENNIAL GROUPINGS BY SPECIES.
2. THE CONTRACTOR IS RESPONSIBLE FOR INDEPENDENTLY DETERMINING THE PLANT MATERIAL QUANTITIES REQUIRED BY THE LANDSCAPE PLANS. REPORT ANY DISCREPANCIES TO THE LANDSCAPE ARCHITECT.
3. ALL PLANT MATERIAL SHALL COMPLY WITH STANDARDS DESCRIBED IN AMERICAN STANDARD OF NURSERY STOCK - Z60.1 ANSI. LANDSCAPE ARCHITECT OR OWNERS AUTHORIZED REPRESENTATIVE RESERVES THE RIGHT TO INSPECT AND POTENTIALLY REJECT ANY PLANT MATERIAL DEEMED TO NOT MEET THE REQUIRED STANDARDS.
4. NO PLANT MATERIAL OR PLANT SIZE SUBSTITUTIONS WILL BE ACCEPTED UNLESS APPROVAL BY THE LANDSCAPE ARCHITECT. ANY CHANGES SHALL BE SUBMITTED TO THE LANDSCAPE ARCHITECT IN WRITING PRIOR TO INSTALLATION.
5. ALL PLANT MATERIAL AND SEED SHALL BE PROVIDED FROM A NURSERY (WITHIN 200 MILES) WITH A SIMILAR PLANT HARDINESS ZONE AS PROJECT LOCATION. EXISTING SOIL SHALL BE AMENDED PER SOIL ANALYSIS REPORT TO ENSURE A PROPER GROWING MEDIUM IS ACHIEVED.
6. ALL PLANT MATERIAL SHALL BE INSTALLED IN ACCORDANCE WITH PLANTING DETAILS.
7. ALL PLANTING BEDS SHALL HAVE A MINIMUM 10" DEPTH OF PREPARED SOIL. WITH APPROVAL, EXISTING SOIL MAY BE UTILIZED PROVIDED THE PROPER SOIL AMENDMENTS ARE TILLED THOROUGHLY INTO THE TOP 10" OF SOIL. REFER TO SOIL PLACEMENT NOTES.
8. WHILE PLANTING TREES AND SHRUBS, BACKFILL $\frac{2}{3}$ OF PLANTING HOLE AND WATER TREE THOROUGHLY BEFORE INSTALLING THE REMAINDER OF SOIL MIXTURE. AFTER ALL SOIL HAS BEEN PLACED INTO THE PLANTING HOLE WATER THOROUGHLY AGAIN.
9. THE CONTRACTOR MUST LABEL ALL TREES WITH THE COMMON AND BOTANICAL NAMES PRIOR TO FINAL INSPECTION.
10. ALL PLANTING BEDS SHALL BE MULCHED WITH 3" DEEP SHREDDED HARDWOOD MULCH, AND ALL TREES PLANTED IN TURF AREAS SHALL RECEIVE A 3" DEEP SHREDDED HARDWOOD MULCHED RING AS SHOWN IN PLANTING DETAILS.
11. ALL PLANTING BEDS AND TREE RINGS SHALL HAVE A 4" DEEP TRENCHED BED EDGE CREATED BY EITHER A FLAT LANDSCAPE SPADE OR MECHANICAL EDGER. BED EDGES ARE TO BE CUT CLEAN AND SMOOTH AS SHOWN ON LANDSCAPE PLANS WITH A CLEAN DEFINITION BETWEEN TURF AND PLANTING AREAS.
12. ALL TURF SEED AREAS SHALL RECEIVE A MINIMUM OF 3" DEPTH OF TOPSOIL. WITH APPROVAL, EXISTING SOIL MAY BE UTILIZED PROVIDED THE PROPER SOIL AMENDMENTS ARE TILLED THOROUGHLY INTO THE TOP 6" OF SOIL AS INDICATED IN THE SOIL PLACEMENT NOTES. REQUIRED AMENDMENTS SHALL BE DETERMINED BASED ON A SOIL ANALYSIS TO BE PERFORMED. ALL TOPSOIL AMENDMENT SHALL BE AGED WEED FREE MANURE OR CLASS 1 ORGANIC MATTER.
13. FOR LAWN SEEDING, APPLY A STARTER FERTILIZER AND SEED UNIFORMLY AT THE RATE RECOMMENDED BY MANUFACTURER, AND PROVIDE A MULCH COVERING THAT IS SUITABLE TO PROMOTE SEED GERMINATION AND TURF ESTABLISHMENT. CONTRACTOR TO PROVIDE FERTILIZER, SEED, AND MULCH SPECIFICATIONS TO THE LANDSCAPE ARCHITECT FOR APPROVAL PRIOR TO INSTALLATION. EROSION CONTROL MEASURES ARE TO BE INSTALLED IN THOSE AREAS REQUIRING STABILIZATION (SWALES, SLOPES EXCEEDING 1:3, AND THOSE LOCATIONS INDICATED IN CIVIL DRAWINGS).
14. THE CONTRACTOR TO ENSURE A SMOOTH, UNIFORM QUALITY TURF IS ACHIEVED WITH NO BARE SPOTS LARGER THAN 6" X 6". ANY BARE SPOTS LARGER THAN 6" X6" AT THE END OF ESTABLISHMENT PERIOD SHALL BE RESEEDED AT THE CONTRACTORS EXPENSE TO OBTAIN A DENSE, UNIFORM LAWN.
15. ALL FINISH GRADING AND LAWN AREAS TO BE INSTALLED BY LANDSCAPE CONTRACTOR.
16. ALL DISTURBED AREAS WITHIN THE PROJECT SHALL BE RESTORED TO ORIGINAL OR BETTER CONDITION.
17. ALL DISTURBED AREAS OUTSIDE THE LIMITS OF WORK SHALL BE RESTORED TO ORIGINAL OR BETTER CONDITION AT NO ADDITIONAL COST TO THE OWNER.

Narrative in Support of
Conceptual Re-Zoning and Smart Growth Map Amendment

Lake Country Lutheran East Lands

Neumann Developments Inc. and Catalyst Construction are proposing a mixed use development on the undeveloped land located East of Lake Country Lutheran and Campus Drive in the western part of the Village of Hartland. The materials presented herewith are in support of a conceptual rezoning and Smart Growth map amendment for the project. The project consists of an approximately 53 acre site located on north of Hwy 16 and east of Campus Drive. The general characteristics of the proposed development are as follows:

- Total Area = 53.31 Acres
- Wetland Area = .53 Acres
- Net Area = 52.78 Acres
- INRA Area = 16.44 Acres
- Proposed Land Uses
    - Single Family Condominium = 26.4 acres

- Proposed Zoning
    - Multiple TBD with Planned Unit Development Overlay
- Unit Mix
    - Single Family Condominium
        - 47 homes
        - Net area = 26.4 ac – 12.69 ac (INRA) = 13.71 ac
        - Density = 1.78 homes/acre (gross) & 3.42 homes/acre (net)
    - Multi-Family Residential
        - 150 (9 buildings)
        - Net area = 21.03 ac – 3.75 ac (INRA) = 17.28 ac

Application of the planned development zoning designation is appropriate in this development to coordinate the area site planning, providing attractive open spaces, diversified housing, and economical and efficient design. An amendment to the Smart Growth Plan would be needed, and the proposed changes are consistent with surrounding areas. Developing away from the center of the Village should balance the impact on the current residents with the future needs of the Village. A modification to the land use map will allow for the most natural transition from the single family residential uses to the east to multifamily and business use along the existing Campus Drive and Hwy 16.

An amendment to the land use plan and use of a planned development would accomplish the following:

A. Maximize the preservation area. By clustering units between INRA pockets negative impacts to the environment are minimized. Additionally, by utilizing the condominium concept within the wooded areas this will minimize the impact to the trees as unit and limited common element boundaries can be more carefully controlled than lot lines.

B. Efficiently design the site providing a variety of uses that blend the single family residential neighborhood to the north and east with higher density and business uses along Campus Drive and Hwy 16. A transition in uses balances the need and desire of the Village for multifamily and business with the desires of current neighbors for continued residential type uses. Additionally, a large amount of business/institutional acreage is not economically viable for development and does not provide the maximum value per acre for tax revenue to the Village. Reducing the business acreage to a size more suitable for neighborhood type businesses makes the business acreage more appealing to potential users. Furthermore, areas along Campus Drive and Hwy 16 that are central and toward the eastern portion of the parcel are not as accessible from Campus Dr. making them even less desirable for business users and better suited for multifamily residential uses, which is also consistent with uses immediately south of Hwy 16.

C. Economically design the site providing a diversity of housing options. The mixed use development as proposed appeals to the widest range of future residents. Multifamily units can provide much needed workforce housing benefiting local businesses and keeping people in the community that may otherwise have to look elsewhere. Single family condominiums offer home sizes and price points that give current residents the option to downsize and stay in Hartland or new home buyers looking to own their first home at a price point below what it costs to for a new single family home. Both condominiums and multifamily units offer the low maintenance lifestyle buyers are currently looking for.

NEUMANN
DEVELOPMENTS, INC.

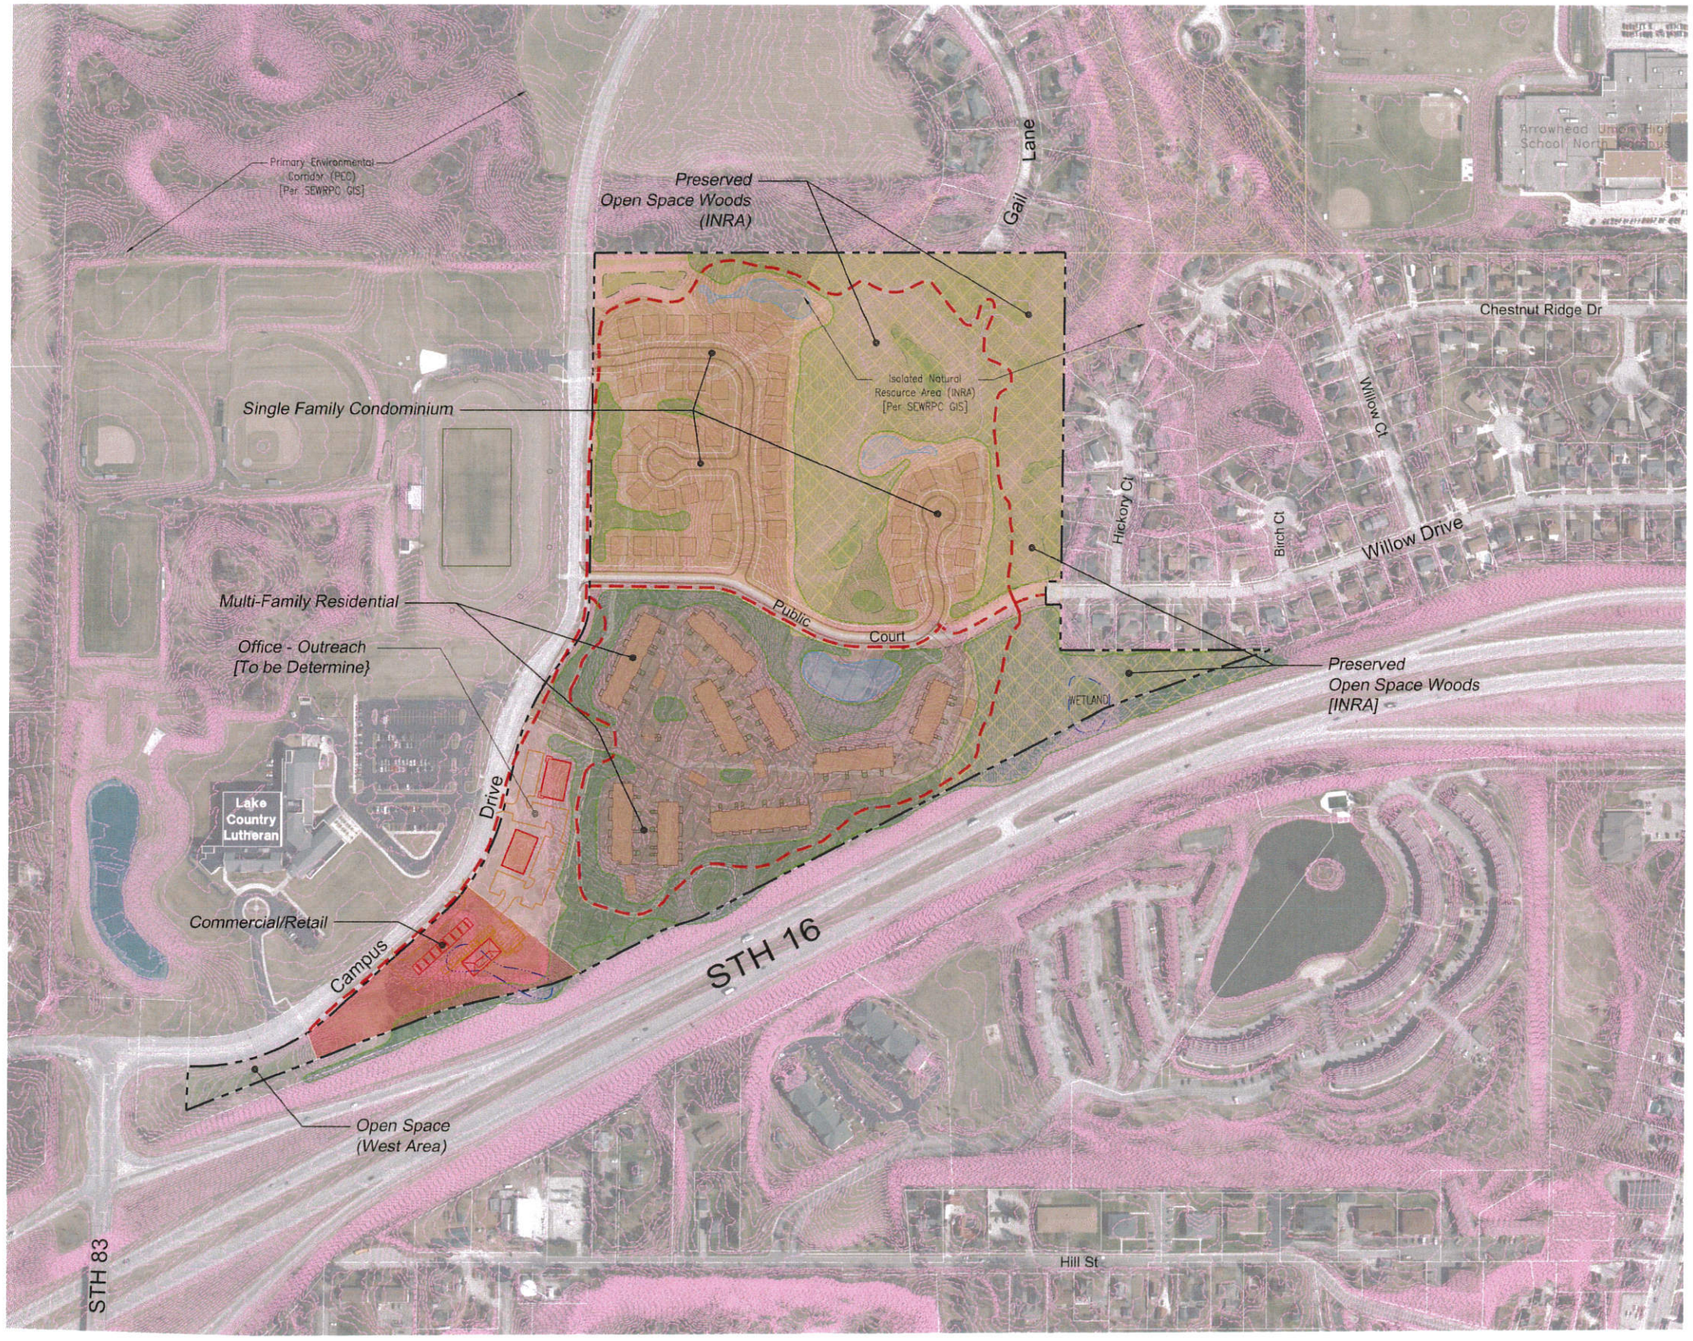

In summary, we feel the proposed planned development zoning and land use map amendment are consistent with the current uses in the area as well as uses that are desired in proper long range planning in the Village. The concept provided identifies and preserves lands that contain natural resource features and woodlands as well as provides diversified housing using economical and efficient design. The cluster type development minimizes intrusions within those areas, provides for adequate drainage for surface and storm water and is accessible by public utilities.

We look forward to any feedback the commission can provide on our proposed concept and are excited about developing in the Village of Hartland.

Sincerely,

Bryan Lindgren

Subject: Lake Country Lutheran Development INRA

Hi Ryan and Jeff,

We have been digging into the INRA boundary with SEWRPC and we have learned a few things about their processes, and come to better understand how their recommendations interact with Village planning.

The background of the delineation we used for our concept plan is as follows:

In 2010 the INRA boundary as delineated from aerial mapping was done, which seems to coincide with the last time the Village of Hartland was reviewing their mapping and Smart Growth Plan. Since that was the line at the time this was the boundary that was accepted and included in the Village of Hartland's Smart Growth Comprehensive Plan, which is why we used this line. SEWRPC's maps prior to 2010 also use a very similar line as to what shows up on the Smart Growth and Zoning maps and what we followed in creating our concept.

Additionally, several years earlier Hartland and SEWRPC must have engaged in a conversation in regards to SEWRPC's future sewer service area plans and mapping and agreed to not include any of this land in environmental corridor when it came to mapping out their future sewer service area. This factored into this entire Lake Country Lutheran area being included as Corridor Loss area in

SEWRPC's 2010 corridor plan.

As to the current mapping that Mr. de Courcy-Bower mentioned, every five years, SEWRPC updates their maps strictly based on aerial photography, and they added the entire area into the INRA designation only because it met their criteria for being included in the inventory. Those criteria are roughly that it does not meet the criteria to be considered primary or secondary environmental corridor, but it does include some resources that may provide habitat, contribute to natural diversity, may be a good future park location, or contain steep slopes or wetlands.

Ultimately, in terms of development, SEWRPC will recognize the Village's accepted 2010 Smart Growth Comprehensive Plan as this is what reflects the Village's desires in terms of development.

Unfortunately, SEWRPC would not give us a letter stating this information. They said this request would have to come from the Village. Based on the conversation at the last Plan Commission meeting it sounded like it was the desire of the Commission to get SEWRPC to confirm the line to be used for future development.

Based on the information we have been able to discover, would the Village be able to formally send a request to SEWRPC to weigh in on the various INRA lines that are shown on different maps?

From working with SEWRPC in the past we think that a very specific request would be best. If they are requested to identify a new line either through aerial mapping or a site visit it would likely be very detrimental to the development ability of this parcel. Their criteria for identifying land as INRA is very subjective and loose. This property isn't like the Jungbluth property where there was a pretty easy to follow line where the trees stopped and the field started. This property has been left fallow for years, and buckthorn and other invasive species have filled in some of the areas. There is no criteria excluding these poor quality species from an INRA, so a new delineation is likely to connect many of the areas that weren't previously connected. Because the Village has a defined Upland Conservancy Overlay designation for INRA areas, this would essentially force the Village to either change their ordinance, or overlay this entire area as UCO which would make it undevelopable.

Our recommendation is that the Village request a specific clarification that SEWRPC will honor the Village's desire for development in this area, if that is the case, and if the Village chooses to recognize the 2010 INRA line because that is what appears in the Smart Growth Plan, Zoning, and future sewer service area maps, SEWRPC will honor that same line and provide the necessary approvals that come to them.

We have summarized the information above in the attached letter for the Village and exhibit if you would like to use this in your request, otherwise feel free to edit or draft the request as you wish.

Thanks and feel free to reach out to me with any questions,

Bryan Lindgren

Re: **Lake Country Lutheran – Taxkey No. HAV 0423981 (53 acres East of Campus Drive)**
401 Campus Drive, Village of Hartland, Wisconsin

Dear Mr. Muhs:

The Village of Hartland is considering a request from Lake Country Lutheran High School (c/o Lutheran High School Association of Greater Milwaukee) for development of approximately 53.3 acres of land they own at the northeast corner of Campus Drive and STH 16 (**EXHIBIT A**). This land has been planned for development by the Village of Hartland as illustrated in:

- Land Use Plan for the Village of Hartland: 2000
  (Map 2 of SEWRPC Community Assistance Planning Report Number 93, April 1985) (**EXHIBIT B**)
- Smart Growth Plan, Village of Hartland (**EXHIBIT C**)
- Zoning Map for the Village of Hartland (**EXHIBIT D**)

The landowner has submitted the attached **Development Exhibit dated July 31, 2019** to illustrate the 2010 INRA boundary on the subject site. The Village's Upland Conservancy Overlay zoning mirrors this INRA boundary and totals 16.4 acres of the 53.3-acre site.

Through this letter the Village is requesting that the Commission review and confirm that:

1. The land is to be developed with centralized sanitary sewer service and is located within a planned sewer service area as delineated in SEWRPC Community Assistance Planning Report No. 93.
2. The Isolated Natural Resource Area (INRA) reflected on the Village's Smart Growth Plan and Zoning Map for the subject site is an accurate representation of the 2010 INRA boundary per SEWRPC GIS mapping; and
3. The sewer service area report for the Village of Hartland does not prohibit or restrict development of the subject lands.

C-1 LOWLAND CONSERVANCY

UCO UPLAND CONSERVANCY OVERLAY

We understand that the Commission did an INRA delineation update via GIS in 2015 for this subject site. The 2015 INRA area is not consistent with the Upland Conservancy Overlay and 2010 INRA boundary; therefore, instead of requesting the Commission to field delineate the INRA boundary, the Village will be requesting that the 2010 boundary be reflected by the landowner as shown in the attached Development Exhibit.

We appreciate the Commission's review and input on this matter.

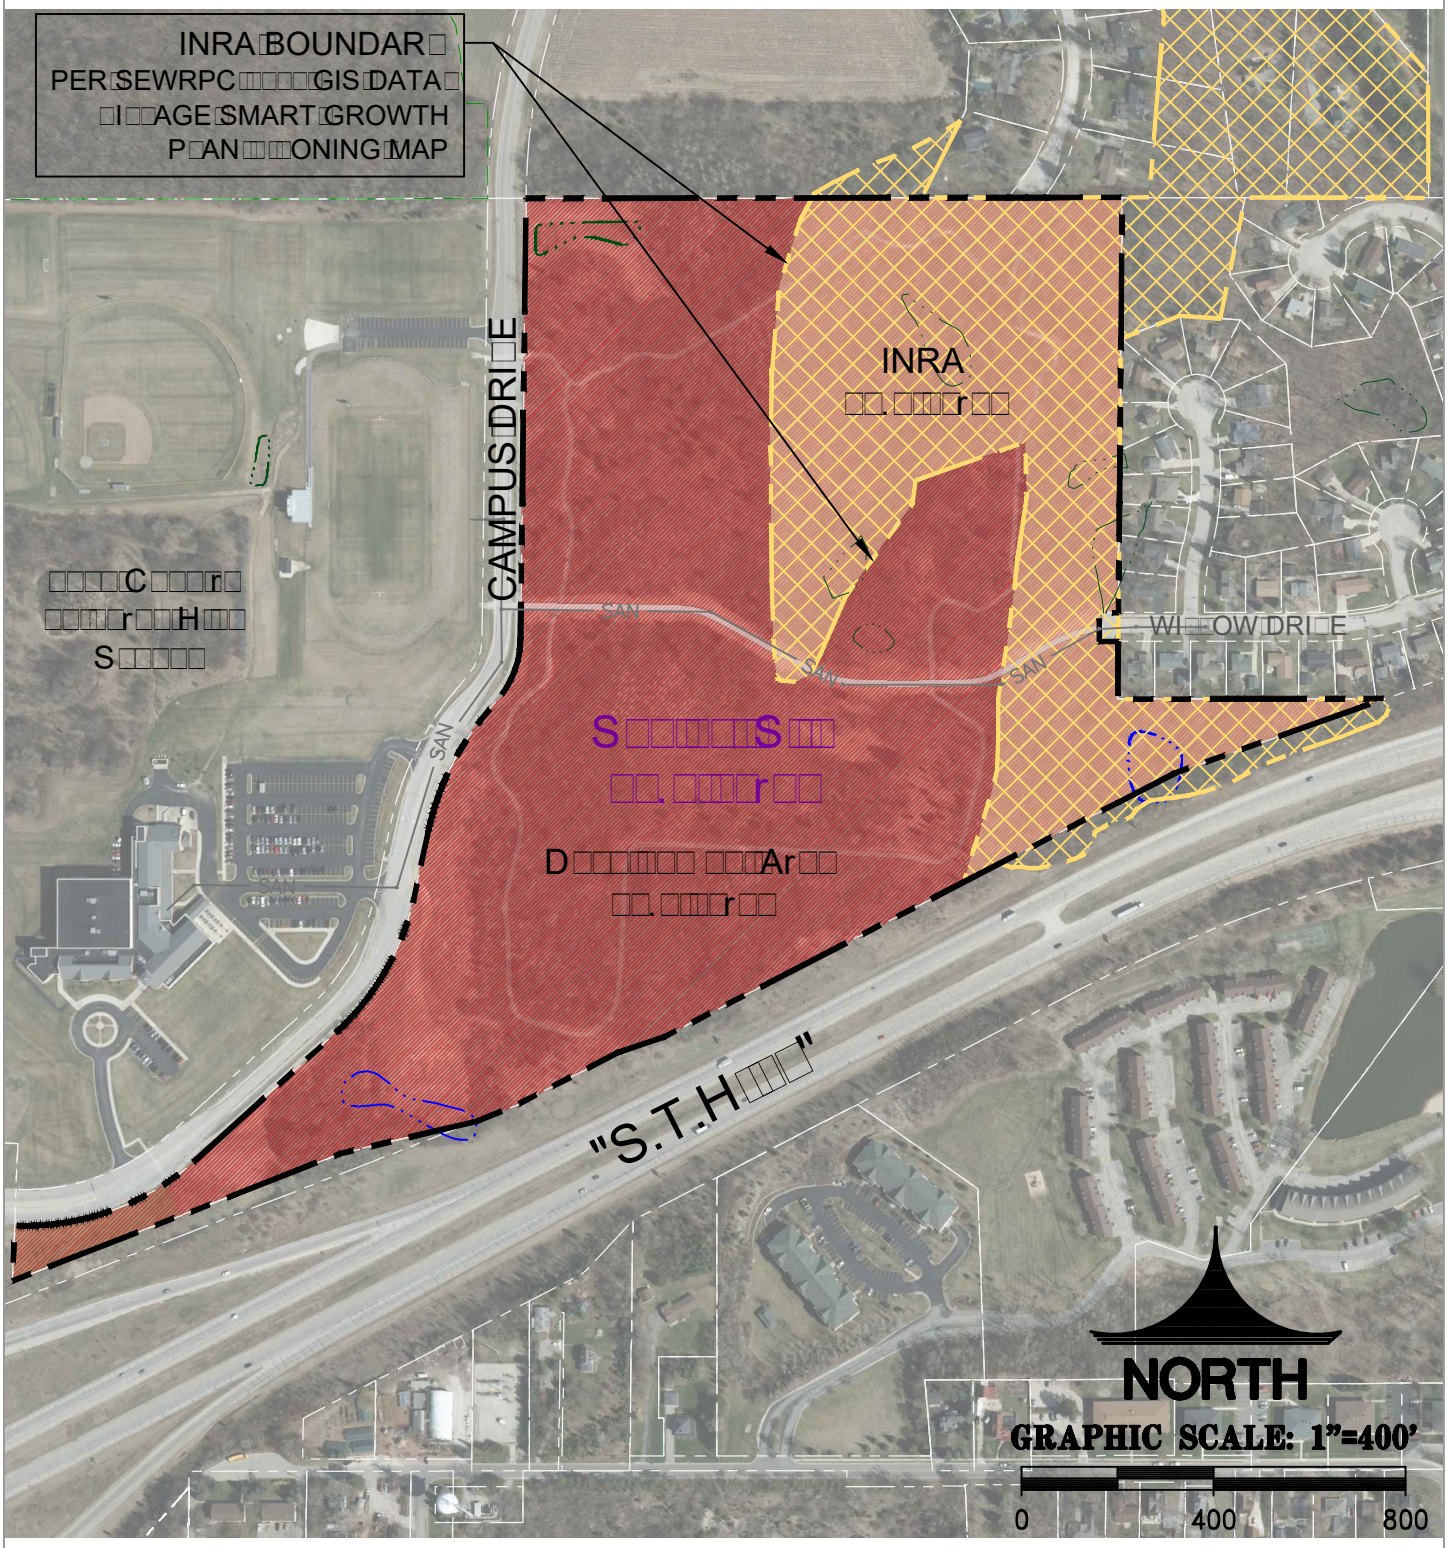

Sincerely,
Village of Hartland

Mr. Bailey:

Coincidentally, Commission staff finished their review this morning, and you should receive a formal letter shortly. The key text from the review is:

"The subject plat contains land delineated by the Commission as an isolated natural resource area. The isolated natural area within the subject area consists of upland woods, steep slopes, and significant wildlife habitat. The regional plan recommends that county and local government consider preserving and protecting isolated natural resource areas. The boundary of the isolated natural resource area as shown in the Village smart growth plan accurately reflects the boundary as shown in the Commission's environmental corridor inventory file."

Based on the information we have available, it appears the development respects the isolated natural resource area boundary.

Please let me know if you have any questions.

Sincerely,

Southeastern Wisconsin Regional Planning Commission

Mr. Muhs and Mr. Schilling,
The Village of Hartland sent the attached documents to SEWRPC in early August. Have these been received or reviewed by SEWRPC? We are curious of the response as we are looking into a proposed development on this site.

Thank you,

Scott,

Our transformers and electric facilities are not installed in the public Right of Way. They are installed on private property. I'm going to ask Jennifer to give you a call because it is my understanding for those lots that we have proposed front placement, there were clearance issues as to why we couldn't install them on the side.

Thanks.

All,
Below are the comments of our building inspector. I recommend a call to him to discuss further what options may be available/possible…Scott Hussinger 262-490-8222

Village code calls for electric utilities to "along rear or side lot lines". Electrical transformers located along ROW are normally located at side lot

line so transformer can service 2 properties.
Finished yard grades often convey drainage front and back at side property lines.
Difficult to convey drainage in shallow swale – around transformer.
Difficult to hide transformer via landscaping if located in swale. Not practical to install plantings in shallow swale.

Scott.

Thank you,

Subject: Overlook Trails, Village of Hartland - We Energies Gas and Electric Layouts

Hello Ryan,

I have attached the natural gas main sketch (4367316) and the preliminary electric sketch (4367313) referencing the street light locations provided by Bryan. We placed our electric facilities in the front due to the grade. We were unable to have setbacks due to the closeness of the buildings (clearance issues). Not having setbacks also allowed us to have a lot less equipment.

Bryan has asked that we install the Fiberglass smooth poles with the LED Coach fixtures. Below is the symbol for the street lights referenced on the electric sketch. I've also attached a copy of the LED Post Top Fixtures that we offer.

Please review the electric design at your earliest convenience and follow up with me so that we can finalize our design.

You may also call me if you have any questions.

Thank you.

WE ENERGIES WORK REQUEST ENVIRONMENTAL NOTES (Notes 1 through 7 apply to ALL work requests)

General

1. If WDNR and/or USACE permits were obtained for the project, all permit conditions shall be met during construction of the project.

Erosion Control

2. If soil disturbance occurs on slopes or channels/ditches leading to wetlands or waterways, or within wetlands, the disturbed areas shall be stabilized and appropriate erosion control Best Management Practices (BMP's) shall be implemented.
3. Erosion Control BMP's shall meet or exceed the approved WDNR Storm Water Management Technical Standards (http://dnr.wi.gov/topic/stormwater/standards/const_standards.html). Refer to We Energies Construction Site Sediment and Erosion Control Standards.
4. Inspect installed erosion control BMP's at least one time per week and after ½" rain events: repair as necessary.
5. When temporary stabilization is required (e.g. for winter or short-term construction) prior to final restoration, soil stabilizer shall be installed wherever possible. Erosion mat shall be used temporarily only where appropriate, in accordance with state standards, and when approved by the Operations Supervisor.

Contaminated Soils

6. Whenever soil exhibiting obvious signs of contamination (e.g., discoloration, petroleum or solvent odor, free liquids other than water, buried containers or tanks, or other obvious signs of environmental impacts) is encountered during excavation or installation, cease work immediately, take appropriate immediate precautions to ensure worker health and safety, and contact the Operations Supervisor or Inspector.

Spills

7. If an oil spill occurs during construction, call the Environmental Incident Response Team (EIRT) at 414-430-3478:
   a. Any quantity of oil is spilled into surface water;
   b. Any oil spill greater than 50 ppm PCB into a sewer, vegetable garden, or grazing land;
   c. Any oil spill containing greater than 500 ppm PCB;
   d. Five gallons or more of oil spilled to the ground;
   e. Any oil spill involving a police department, fire department, DNR, or concerned property owner.

Notes 8 through 27 apply as noted at specific points within each work request:

Dewatering

8. Dewatering of pits or trenches shall be done in accordance with state standards. Use an approved sediment bag, a straw bale dewatering basin, a combination of both, or equivalent.

Wetlands

9. As much as practicable, the majority of the work shall be staged from the public roadways and road shoulders, keeping equipment out of adjacent wetlands.
10. All work shall be conducted to minimize soil disturbance. No rutting will be allowed within the wetlands.
11. If soils are not frozen or stable to a point that avoids rutting, timber mats, mud tracks, or equivalent shall be utilized to access pole locations.
12. Excavated soils cannot be stockpiled in wetlands.

Waterways

13. All excess spoils shall be removed from wetlands and placed in a suitable upland location.
14. Trenching and pit excavations within wetlands shall include soil segregation to facilitate restoration of pre-construction soil stratification, and restoration to pre-construction elevations.
15. Poles scheduled to be removed, and that occur within wetland, shall be cut at the ground surface.
16. No work can be performed within the banks or below the ordinary high watermark of any navigable waterways/streams.
17. No crossing of navigable waterways with equipment can occur. Foot traffic is allowed.
18. Any disturbed soil within 75-feet of the ordinary high water mark of any navigable waterways/streams shall be stabilized within 24 hours of construction completion.

Threatened and Endangered Species

19. Threatened or endangered species are known to occur in the work area. It is illegal to harass, harm, or kill a protected species under state and federal regulations. Proper precautions shall be taken to ensure harm to individuals is avoided.
20. In order to protect the threatened or endangered species, work must be conducted between November 5 and March 15.
21. Exclusion fencing must be installed at the work area prior to March 15.
22. A qualified biologist must be present when conducting work at this location.

Invasive Species

23. State regulated invasive species are known to occur in the work area. Reasonable precautions are legally required to prevent the spread of these species. The Wisconsin Council on Forestry Transportation and Utility Right-of Way Best Management Practices should be followed: (http://council.wisconsinforestry.org/invasives/transportation/).

Cultural and Historical Resources, cont.

24. The project is within or adjacent to an area that is identified by the State of Wisconsin as potentially having Native American artifacts, burial mounds or burial sites, which could be encountered during construction.
25. If human bone or any artifacts are discovered during construction, work must cease immediately. Contact the Environmental Department who will contact the State Burial Sites Preservation Office and determine the next steps that must be taken in order to comply with state law. Work at that site MAY NOT PROCEED until the Environmental Department authorizes it.
26. A "qualified archaeologist," as specified under Wis. Stats 157.70 (1) (i) and Wis. Admin. Code HS 2.04 (6), must be present to monitor all ground disturbing activities.

Frac-out Contingency Plan

27. A frac-out contingency plan shall be on-site and implemented accordingly. The contingency plan shall incorporate the following components.
   a. Continuously inspect the bore paths for frac-outs in order to respond quickly and appropriately.
   b. Containment materials (e.g. silt fence, straw bales, sand bags, etc.) shall be on site and available should a frac-out occur.
   c. A vac truck shall be accessible on short notice in order to respond quickly to a frac-out.

(i) for the installation, repair, maintenance, use, removal and/or replacement of air conditioning, heating and hot water systems and equipment, any chutes, flues, exhaust fans, ducts, conduits, wires, cables, electrical, security, telephone, television and other communication systems, water, sewer and gas mains and laterals, and all other utility lines and distribution systems, to the extent any such system or that portion of a system serves a particular Unit or is necessary for service to a Unit;

(ii) for the installation, repair, maintenance, use, removal and/or replacement of lighting fixtures, electrical receptacles, panel boards and other electrical installations which are a part of or serve any Unit but which encroach into a part of a Common Element adjacent to such Unit; provided that the installation, repair, maintenance, use, removal or replacement of any such item does not unreasonably interfere with the common use of any part of the Common

Elements, adversely affect either the thermal or acoustical character of the Building or impair or structurally weaken the Building; or

(b) Unit Owner's Grant of Easement. By acceptance of a deed of conveyance, each Unit Owner thereby grants a right of access to his Unit, including, without limitation, the right of access provided by Section 703.32 of the Act, to the Association or their respective agents and employees, for the purpose of exercising their respective powers and responsibilities, including without limitation making inspections, correcting any condition originating in a Unit and threatening another Unit or the Common Elements, performing installations, alterations or repairs to the mechanical or electrical services or the Common Elements in a Unit or elsewhere in the Condominium, or to correct any condition which violates the provisions of this Declaration and the By-Laws and Rules and Regulations; provided, that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. Notwithstanding the foregoing, in case of an emergency, such right of entry shall be immediate and without notice, whether or not the Unit Owner is present at the time. Any exercise of the rights herein conferred to the extent practicable shall be in a manner so as not to interfere unreasonably with the use of a Unit.

8. LIMITED COMMON ELEMENTS.

8.1 Description. The Limited Common Elements are reserved for the exclusive use of the owner or occupant of the Unit to which they are appurtenant. The Limited Common Elements consist of the outside stoop, deck, patio or porches, sidewalk, if any, immediately adjacent and appurtenant to each Unit to which it has access by a door from the Unit and the planting strip, landscape improvements, and permanent improvements and driveway immediately adjacent and appurtenant to the garage door to each Unit.

8.2 Patios, Decks and Privacy Fencing. As set forth above, all areas identified for porches, patios, decks and privacy fencing are Limited Common Elements appurtenant to the Unit to which same are attached. Declarant has the express right to construct patios, decks and privacy fencing, and all such patios, decks, privacy fencing and/or porches constructed by the Declarant as part of the initial construction shall be deemed Limited Common Elements appurtenant to such Unit. The actual patio and/or deck constructed by Declarant at the time of initial construction may be smaller than the Limited Common Element area shown on the Plat. The identification of the Limited Common Element area provides the Unit Owner with the opportunity to construct or expand the patio and/or deck at a later date, subject to approval by the Association as provided for elsewhere in this Declaration, By-laws or Rules and Regulations. The Unit Owner shall be solely responsible for all costs of maintaining and repairing all patios, and decks. The Unit Owner shall maintain same in a first class condition at all times, and in accordance with any requirements set forth in the By-laws and/or Rules and Regulations.

8.3 Use. The manner of use of the Limited Common Elements shall be governed by the Act, this Declaration, the By-laws, and Rules and Regulations, and no Unit Owner shall alter, remove, repair, paint, decorate, landscape or adorn any Limited Common Element, or permit such, in any manner contrary to the Act, this Declaration, the By-Laws and/or the Rules and Regulations. No major or structural changes or alterations, and no changes affecting the visual look of the exterior of a Unit or any Common or Limited Common Element, shall be made by any Unit Owner to any Unit or to any of the Common or Limited Common Elements, without the prior written approval of the Association which approval may be given or denied upon such terms and conditions as the Association deems appropriate, and in its sole discretion.

9. PERCENTAGE OF OWNERSHIP IN COMMON ELEMENTS AND FACILITIES AND LIMITED COMMON ELEMENTS.

Each Unit Owner shall own an undivided interest in the Common Elements as a tenant in Common with all other Unit Owners and, except as otherwise limited by the Act, this Declaration, the By-laws, and the Rules and Regulations, shall have the right to use and occupy the Common Elements (other than Limited Common Elements not appurtenant to the Unit Owner's Unit) for all purposes incident to the use and occupancy of the Unit as a place of residence, and such other incidental uses permitted by this Declaration, which rights shall be appurtenant to and run with the Unit. The Percentage Interest in Common Elements shall be determined by dividing one (1) by the number of Units then included in the Condominium, except as modified by merger or separation of units per Section 21 of this Declaration.

10. ASSOCIATION OF UNIT OWNERS.

10.1 Membership, Duties and Obligations. All Unit Owners shall be entitled and required to be a member of the Association of Unit Owners known as Overlook Trails Condominium Association, Inc. which shall be responsible for carrying out the purposes of this Declaration, including the exclusive management and control of the Common Elements and facilities and Limited Common Elements. Such Association shall be incorporated as a non-stock, non-profit corporation under the laws of the State of Wisconsin. Each Unit Owner and the occupants of the Units shall abide by and be subject to all of the rules, regulations, duties and obligations of the Act, this Declaration and the By-Laws and Rules and Regulations including the sharing of common expenses as described therein.

10.2 Voting Rights. Each Unit shall be entitled to one vote at meetings of the Association, except as modified by merger or separation of units per Section 21 of this Declaration, subject, however, to the prohibited voting provisions set forth elsewhere in this Declaration (including Section 15.13 hereof) and/or otherwise allowed by law. When more than one person holds an interest in any Unit the vote for such Unit shall be exercised as they, among themselves, determine, but in no event shall there be more than one vote cast with respect to any Unit. There can be no split vote. If only one of multiple Owners of a Unit is present at a meeting of the Association, the Owner present is entitled to cast the vote allocated to that Unit. If more than one of the multiple Owners is present, and any one of them purports to cast the vote allocated to that Unit on any issue without protest being made promptly by any other Owner(s) of such Unit to the person presiding over the meeting, it shall be conclusively presumed that such voting Owner had the authority to cast the vote. In the event of such a protest, if such dispute is not resolved by the multiple Owners prior to the vote being completed, said Unit shall not be entitled to cast a vote on that issue.

The respective rights, qualifications, prohibitions and obligations of the members relative to voting may be further set forth in the Articles of Incorporation and/or the By-Laws of the Association.

10.3 Control. Notwithstanding anything contained in this Declaration to the contrary, the Declarant shall totally govern the affairs of the Condominium until the first Unit has been sold to any person other than the Declarant. The Declarant may exercise any rights granted to, or perform any obligations imposed upon, Declarant under this Declaration through its duly authorized agent. Except as provided in Section 10.4, after the first Unit has been sold by Declarant to any person other than Declarant, the Declarant shall have the right to appoint and remove the officers of the Association and to exercise any and all of the powers and responsibilities assigned to the Association and its officers by the Articles, Bylaws, the Condominium Ownership Act, this Declaration, and the Wisconsin Nonstock Corporation Law, until the earliest of: (a) ten (10) years from the date of recording of this Declaration, unless the statute governing expansion of condominiums is amended to permit a longer period, in which event, such longer period shall apply; or (b) thirty (30) days after the conveyance of one hundred percent (100%) of the Common Element interest to purchasers. Nothing herein contained shall be construed to prevent Declarant from waiving it right to control at an earlier date. Each owner of a condominium Unit in the Condominium shall be deemed, by acceptance of any deed to any Unit, to agree, approve and consent to the right of Declarant to so control the Association.

10.4 Board of Directors. The affairs of the Association shall be governed by a board of directors ("Board of Directors"). Prior to the conveyance of seventy-five percent (75%) of the Common Element interest of the Condominium to purchasers, the Association shall hold a meeting, and the Unit Owners other than the Declarant shall elect at least thirty-three and one-third percent (33 1/3%) of the directors on the board of directors. For purposes of calculating the percentages set forth in Section 10.3 and this Section 10.4, the percentage of Common Element interest conveyed shall be calculated based on the percentage of undivided interest pertaining to each Unit conveyed, assuming that all Units Declarant has the right to create by expansion are included in the Condominium.

10.5 Association Personnel. The Association may obtain and pay for the service of any person or entity to manage its affairs to the extent it deems advisable, and may hire such other personnel as it shall determine to be necessary or advisable for the proper operation of the Condominium. The Association may contract for common services or utilities as may be required for the Condominium or individual Units. All amounts payable by the Association to under such contracts shall be chargeable to the Owners as a Common Expense.

11. RESIDENTIAL PURPOSE.

The Buildings and the Units contained therein, and the Common Elements, are intended for and restricted exclusively to residential use as governed by the terms and conditions contained herein and by the By-Laws and/or Rules and Regulations. Notwithstanding the foregoing, until such time as the Declarant has sold all of its Units in the Condominium, the Declarant shall have the right to use any or all unsold Units, and any portion of the Common Elements as may be necessary to expedite the sale of Units, including but not limited to the maintaining of a sales office, the maintaining of one or more model Units, the holding of open houses and the erecting of signs. The Association may not charge rent or bill the Declarant while the Declarant exercises its rights to use any portion of the Common Elements. After a Unit has been conveyed by Declarant to an Owner, it may not thereafter be leased except for a term of not less than six (6) months. If a Unit is leased by an Owner, the Owner of such Unit shall notify the Association of the tenant's or tenants' name or names, telephone number, and email address, and such Owner shall notify the Association prior thereto of the Unit Owner's forwarding address and of a telephone number and email address where the Unit Owner can be reached. Within five (5) business days after entering into or renewing a written condominium rental agreement, the Unit Owner shall provide a copy of the agreement to the Association along with proof of rental insurance. Any rental agreement shall contain a provision obligating the tenant to abide by this Declaration, the Articles, the By-laws, and/or the Rules and Regulations and shall provide that any default arising out of the tenant's failure to abide by the Declaration, the Articles, the By-laws, and the Rules and Regulations shall be enforceable by the Association as a third-party beneficiary to the lease and that the Association shall have, in addition to all rights and remedies provided under the Declaration, the Articles, the By-laws and/or the Rules and Regulations, the right to evict the tenant and/or terminate the lease should any such violation continue for a period of ten (10) days following delivery of written notice to the tenant specifying the violation. The Association shall keep a copy of any condominium rental agreement on file while the agreement is in effect. Before a tenant occupies a Unit, the Unit Owner shall provide a copy of the Declaration, By-laws and Rules and Regulations to the tenant or place the information in the Unit. In no event shall a Unit Owner be relieved from any obligation imposed by the Act, this Declaration, the By-Laws and/or Articles of Incorporation, and/or Rules and Regulations adopted pursuant thereto, including but not limited to the duty to pay Assessments and Common Expenses. The rental of Units is further subject to such further conditions and restrictions as may be set forth in the By-Laws and/or Rules and Regulations of the Association, including but not limited to a limit on the percentage of Units that are not owner occupied.

(b) A Unit shall not be rented for transient or hotel purposes, which shall be defined as: (i) any rental for periods of less than six months; or (ii) any rental if the occupants of the Unit are provided customary hotel services, such as room service for food and beverage, maid service, bellboy service or laundry service.

The Unit Owner shall be solely responsible for the cost of repair of any damage to the Condominium caused by the Unit Owner's failure to discharge its obligation pursuant to this Section 12.1. If a Unit Owner fails to discharge his obligations pursuant to this Section 12.1, then the Association shall have the right, but not the obligation, to discharge such obligations on behalf of the Unit Owner and any if the costs so incurred by the Association are not promptly repaid to the Association, then the Board of Directors shall assess a Special Assessment against the Unit for such expense.

Limited Common Elements serving more than one Unit, and shall cause the same to be kept in good, clean, attractive and sanitary condition, order and repair. The Association agrees to hold harmless the Village of Hartland for damage that may occur to cul-de-sac landscaping as a result of snow removal and storage activities. A portion of the paved pathway system utilizes the Emergency Access Drive at the southwest portion of the Site. In the future, when a second primary access is provided by a full street connection on the northeast portion of the site, the paved path may be reduced in size from twelve (12) feet to eight (8) feet between the end of the southwest cul-de-sac and the path parallel to CTH K in the CTH K Right of Way. All expenses of the Association, except as otherwise set forth in this Declaration and/or the By-Laws, and/or the Rules and Regulations shall be charged to the Unit Owners as a Common Expense.

12.3 Prohibition Against Structural Changes by Owner. A Unit Owner shall not, without first obtaining the written consent of the Board of Directors of the Association, make or permit to be made any structural alterations, or major changes or improvements to his Unit, or in or to the exterior of the Building in which his Unit is located or any Common Element, including, but not limited to any Limited Common Elements and facilities or make or install any improvements or equipment which may affect other Unit(s) or the Owner(s) of other Unit(s). A Unit Owner shall not perform, or allow to be performed, any act which will impair the structural soundness or integrity of any Building, or the safety of property, or impair any easement or hereditament, without the prior written consent of the Association.

12.4 Decorating. Each Unit Owner shall have the exclusive right to paint, repaint, tile, panel, paper or otherwise refurbish and decorate the interior surfaces of the walls, ceilings, floors and doors forming the boundaries of their Unit and all walls, ceilings, floors and doors within such boundaries, and to erect partition walls of a non-structural nature within their Unit.

12.5 Assumption by Association of Unit Maintenance. The Association may, by resolution adopted by the affirmative vote of the majority of all members (not merely the majority vote of the members present at a meeting at which a quorum is present) authorize the Association to assume responsibility, in whole or in part, for the maintenance, repair and/or replacement of some or all of those portions of the Units (such as windows, window frames, exterior doors, garage doors, patios, porches, decks, etc.) which affect the exterior appearance of Units in the Condominium, and to charge the expenses for same as a Common Expense. Any such resolution may be amended, modified and/or rescinded at any time by the affirmative vote of the majority of all members, provided, however, if work has been completed as to some, but not all, of the Units, work on the remaining Units shall be completed and paid for as a common expense pursuant to the original resolution so as to put all Units in a comparable state of repair.

12.6 Delegation of the Maintenance of Common Elements. Notwithstanding any other provision of this Declaration, the Association is hereby expressly granted the power to delegate to Unit Owners some or all of the routine maintenance of Common Elements and/or Limited Common Elements, and the expense of repair and/or replacement occasioned by the failure of the Unit Owner to properly maintain same shall be the responsibility of the Unit Owner. The delegation of maintenance responsibilities shall be as authorized in the Bylaws. The Association, at its option, may establish specific maintenance requirements for said delegated maintenance responsibilities in its Rules and Regulations.

13. DESTRUCTION AND RECONSTRUCTION.

13.1 Repair and Reconstruction. In the event of a partial or total destruction of the Common Elements, they shall, subject to the provisions of Section 13.2 below, be rebuilt and repaired as soon as practicable and substantially to the same design, plan and specifications as originally built. On reconstruction the design, plan and specifications of any building or Unit may vary from that of the original upon approval of the Association and the Unit Owner; provided, however, that the number of square feet of any Unit may not vary by more than five percent (5%) from the number of square feet for such Unit as originally constructed, and the location of the Unit shall be substantially the same as prior to the damage or destruction.

13.2 Assessments and Partition. In the event that the proceeds of any insurance collected are insufficient to pay the estimated or actual costs of repair or reconstruction, the excess cost shall be a Common Expense; provided, however, that in the event of damage to an extent more than the available insurance, this Condominium shall be subject to an action for partition, upon obtaining the written consent of the Unit Owners having no less than seventy-five percent (75%) of the votes. In the event of partition, the net proceeds of sale, together with any net proceeds of insurance shall be considered as one fund and shall be divided among all Unit Owners in proportion to their Percentage Interest, and shall be distributed in accordance with the priority interests in each Unit.

14. INSURANCE.

The Association shall obtain and maintain fire and broad form extended coverage insurance on the Buildings, General Common Elements, Units, and Limited Common Elements ("Covered Elements") in an amount not less than the full replacement value of the of the Covered Elements, including endorsements for automatic changes in insurance coverage as fluctuating values may warrant, contingency endorsements covering nonconforming use and a Special Condominium Endorsement. Each Unit Owner shall obtain and maintain fire, casualty, and special form insurance coverage all personal property located therein for not less than the full replacement value thereof. Association Insurance coverage shall be written in the name of the Association as trustee for each of the Unit Owners and their respective Mortgagees in accordance with their Percentage Interest. Premiums shall be a Common Expense. To the extent the Board determines it is reasonably possible at a reasonable price, the insurance shall provide that the insurer waives its rights of subrogation as to any claim against Unit Owners, the Association, and their respective servants, agents and guests, and that the insurance cannot be canceled, invalidated nor suspended on account of conduct of any one or more Unit Owners, or the Association, or their servants, agents and guests, without thirty (30) days prior written notice to the Association giving it opportunity to cure the defect within that time. The amount of protection and the types of hazards to be covered shall be reviewed by the Board of Directors of the Association at least annually and the amount of coverage may be increased or decreased at any time as deemed necessary as determined by the Board of Directors to conform to the requirements of full insurable value. The amount of protection and the

types of hazards to be covered shall be reviewed by the Board annually and the amount of coverage may be increased or decreased at any time it is deemed necessary by the Board to conform to the requirements of replacement value insurance. Any Mortgagee may receive an insurance certificate upon ten (10) days prior written notice.

In the event of partial or total destruction of the all or part of the Condominium insured hereunder, and the repair or reconstruction of the same in accordance with the Section 13 hereof, the proceeds of such insurance shall be paid to the Association as trustee to be applied to the cost thereof. If it is determined not to reconstruct or repair, then the insurance proceeds together with the net proceeds of sale of the property shall be distributed to the Unit owners and their Mortgagees, if any, as their respective interests may appear, in the manner provided in Section 13.2.

If insurance coverage is available to combine protection for the Association and some or all of the Unit Owners' personal property, located on or about the individual Units, the Board of Directors is hereby given discretionary power to negotiate and obtain such combination of insurance protection on an equitable cost-sharing basis under which the Unit Owner would be assessed individually for the amount of insurance the Association includes in such policies for the Unit owner's additional protection. Copies of all such policies shall be provided to each Mortgagee. Individual Unit Owners may or may not be given the option to refuse participation in such combined insurance. Nothing contained in this paragraph shall be deemed to prohibit any Unit Owner, at the unit owner’s expense, from obtaining any additional insurance coverage on the Unit.

The Association shall provide public liability insurance covering the Common Elements in such amounts as may be determined at the discretion of the Board of Directors from time to time; provided, however, the amount of coverage shall not be less than One Million Dollars ($1,000,000.00) per single occurrence. All premiums for such insurance shall be Common Expenses. Each Unit Owner shall have the right to insure its own Unit for personal benefit. The Association shall also provide workman's compensation insurance when appropriate, and may provide directors' and officers' liability insurance and fidelity bonds on such officers and employees in such amounts and with such coverage, as is determined by the Board of Directors to be necessary or advisable from time to time.

All required insurance shall be issued by an insurance company with a minimum of an A general policyholder's rating and of a class III financial size category in the Best's Key Rating Guide.

15. COVENANT FOR ASSESSMENTS.

15.1 Agreement to Pay Assessments. The Declarant for each Unit owned by it hereby covenants, and each Owner of any Unit by the acceptance of a deed therefore, whether or not it be so expressed in the deed shall be deemed to covenant and agree with each other and with the Association to pay to the Association for the purpose provided in this Declaration, the share of the Common Expenses of Association assessed against such Owner, as well as the Unit itself. Except as otherwise provided herein, “Common Expenses” shall be any and all expenses incurred by the Association in connection with the management of the Condominium, the maintenance and repair of the Common Elements and administration of the Association, which shall include, by way of illustration and not limitation, utilities, insurance, management services, landscaping, snow removal, and other amenity maintenance and servicing, reserves, capital improvements, office supplies and such other reasonable and necessary expenses as determined by the Association’s Board of Directors from time to time. 15.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Members and for the improvement and maintenance of the Common Elements, and such emergency repairs as the Association may deem necessary and such other purposes as are permitted by the terms of the Board of Directors of the Association. Notwithstanding the foregoing, the Association shall not be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Unit Owner, occupant or user of any portion of the Property including, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing, each Unit Owner and each other person having an interest in or lien upon, or making a use of, any portion of the Property shall be bound by this Section and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed in this Article.

15.3 General Assessments. The Board of Directors of the Association shall from time to time, and at least annually, prepare a budget and fix the General Assessment, which shall include reserves for replacement of Common Elements.

15.4 Special Assessments. In addition to the General Assessments authorized above, the Association may levy Special Assessments for the purposes of: (a) defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair or replacement of a capital improvement and/or personal property for common use; (b) offsetting shortages resulting from non-collection of Assessments or underestimation of same; and (c) unusual or unpredicted costs including but not limited to the cost of collecting Assessments or enforcement of the provisions of the Declaration, By-laws and/or Rules & Regulations.

15.5 Special Assessments Against a Particular Unit. Special Assessments may be made by the Board of Directors of the Association against a particular Unit Owner and his Unit for:

(a) Costs and expenses (anticipated or incurred) for damage to the Common Elements caused by or at the direction of that Unit Owner or guests or tenants of the Unit Owner or other occupants of the Unit;

(b) Costs, expenses and actual attorneys' fees incurred in, or in anticipation of, any suit, action or other proceeding to enforce the Act, the Declaration, the By-Laws, or the Rules and Regulations where there is found to be a violation thereof;

(e) Interest due on General Assessments and Special Assessments;

(f) Forfeitures and other penalties as provided for in the By-Laws and/or Rules and Regulations levied by the Board for violations of the Act, the Declaration, the By-Laws, or the Rules and Regulations by a Unit Owner of the tenants or guests of the Unit Owner or occupants of a Unit.

(g) Costs and expenses incurred by the Association for the maintenance, repair and/or replacement of Common Elements and facilities resulting from the failure of a Unit Owner to perform delegated maintenance.

(h) Sums due the Association under the Declaration, the By-Laws, or the Rules and Regulations, including, among others, those pursuant to Sec. 8.2 and/or Sec. 19.1 of this Declaration.

(i) All other costs and expenses anticipated or incurred by the Association which are subject to Special Assessments as provided under this Declaration or the By-Laws.

15.6 Working Capital. Each purchaser of a Unit from Declarant shall pay to the Association, at time of conveyance of the Unit by Declarant, for working capital purposes, a sum equal to five hundred dollars ($500.00), to be allocated for such purposes as the Association may determine in its discretion. As long as Declarant is in control of the Association, Declarant shall not use any of said working capital funds to defray Declarant's expenses or construction costs.

15.7 Uniform Rate of Assessments. Both General Assessments and Special Assessments must be fixed at a uniform rate for all Units subject to assessment; provided, however, the Association shall assess an individual Unit for all sums due solely from that Unit as provided in Section 15.5 above.

15.8 Date of Commencement of Assessments. The General Assessments provided for herein shall be payable in monthly installments and the monthly installments shall commence as to each Unit on the date of the conveyance of said Unit by the Declarant. The first General Assessment for each Unit shall be adjusted and prorated according to the number of months then remaining in the calendar year. Partial months shall be prorated on a daily basis. Written notice of the General Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall have the authority to modify Assessments during any fiscal year. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Unit have been paid.

15.9 Declarant's Obligation for Common Expenses During Period of Declarant Control. Notwithstanding anything to the contrary herein, as set forth during the period of Declarant control of the Association as described in Section 10.3 above and under Sec. 703.15 (2)(c), Wis. Stats., no General Assessments shall be assessed against any Unit owned by Declarant for any time period prior to the first day of the first month following the commencement of actual occupancy of the Unit for residential purposes. During the period of Declarant Control, however, if any unit owned by the Declarant is exempt from Assessments for common expenses until the unit is sold, the total amount assessed against units that are not exempt from Assessments may not exceed the amount that equals nonexempt units'

budgeted share of common expenses, based on the anticipated common expenses set forth in the annual budget. The Declarant is liable for the balance of the actual common expenses.

15.10 Lien for Assessments. All Assessments, when due, together with interest thereon and actual costs of collection, as provided herein, shall become a personal liability of the Unit Owner and also a lien, until paid, on such Unit in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such Unit, except only for:

(a) Liens of general and special taxes; and

(b) A Lien for all sums unpaid on a first Mortgage, or on any Mortgage to the Declarant, duly recorded in the Waukesha County, Wisconsin, Register of Deeds Office, prior to the making of such Assessments, including all unpaid obligatory advances to be made pursuant to such Mortgage and all amounts advanced pursuant to such Mortgage and secured by the lien thereof in accordance with the terms of such instrument; and

(c) Mechanics liens filed prior to the making of the Assessments;

(d) All sums unpaid on any Mortgage loan made pursuant to Section 45.80 Wis. Stats.; and

(e) A lien under Section 292.31 (8) (i) or 292.81, Wis. Stats.

All other lienors acquiring liens on any Unit after this Declaration has been recorded shall be deemed to consent that such liens shall be inferior to future liens for Assessments, as provided herein, whether or not such consent be specifically set forth in the instruments creating such liens.

To evidence a lien for sums assessed pursuant to this Declaration, the Association may prepare and file a written notice of lien in any manner allowed by law at the time of filing of the lien. No notice of lien shall be filed until there is a delinquency in payment of the Assessments. Such lien may be foreclosed or otherwise enforced in any manner permitted by law at the time of enforcement. Except to the extent limited or prohibited by applicable law in effect at that time, the Association shall be entitled to recover all costs and expenses of filing the notice of lien, and all costs and expenses incurred by the Association in and/or relating to such action, including but not limited to reasonable attorney's fees. All such costs and expenses shall be secured by the lien. The Owner shall also be required to pay to the Association any Assessments against the Unit which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the Unit as the Owner thereof.

Any encumbrancer holding a Mortgage or other lien on a Unit may pay, but shall not be required to pay, any amounts secured by the lien created by this Section, and upon such payment such encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including priority.

The Association shall, upon written request, report to any encumbrancer of a Unit any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same shall have become due and

any default in the performance by the individual Unit of any obligation under the this Declaration, the By-Laws or the Rules and Regulations, which is not cured within sixty (60) days; provided, however, that such encumbrancer first shall have furnished to the Association written notice of such encumbrance.

15.11 Effect of Non-payment; Remedies. Any Assessments not paid when due shall be delinquent. Any Assessments or installments thereof not paid within ten (10) days after the due date shall bear interest from the due date at a rate of interest which is two percent (2%) higher than the rate prescribed by the Wisconsin Statutes to be collected upon execution upon judgment. (In lieu of charging such interest, the Board may, from time to time, fix a reasonable late fee for each month or fraction thereof that such Assessments are not paid.) All payments on account shall be first applied to the interest or late charge, if any, and then to the Assessments payment first due. The Association may bring an action at law against any or all past or present Unit Owners, occupants and tenants personally obligated to pay the same, or foreclose the lien against the property. A suit to recover a money judgment for unpaid Assessments hereunder may be maintainable without waiving the lien securing the same. Except to the extent limited or prohibited by applicable law in effect at that time, the Association shall be entitled to recover all costs and expenses incurred by the Association in and/or relating to such action, including but not limited to reasonable attorney's fees. If any installment of any Assessments become delinquent, the privilege of paying such Assessments in installments may, at the option of the Association, be terminated and, if such delinquent installment be of a General Assessment, the entire General Assessment for the remainder of the fiscal year, or if the delinquent installment be of a Special Assessment, the entire Special Assessment, may, at the option of the Association, be declared, without further notice, due and payable and, in such event, same shall be considered delinquent. The Association shall be entitled to recover from the applicable Unit Owners responsible for payment (past or present), jointly and severally, all costs and expenses of collection, including but not limited to reasonable attorney's fees.

15.12 Sale or conveyance. The Sale or transfer of any Unit shall not affect the Assessments lien. The sale or transfer of any Unit pursuant to the foreclosure of a Mortgage or other lien having priority as set forth in Section 15.10 shall extinguish the lien of such Assessments (to the extent of the priority of such Mortgage or other lien) as to payments which became due prior to such sale or transfer.

15.13 Prohibited Voting. A Unit Owner shall be prohibited from voting at a meeting of the Association if the Association has recorded a statement of condominium lien on the Owner's Unit and the amount necessary to release the lien has not been paid at the time of the meeting.

15.14 Statutory Reserve Account. The Declarant elects not to establish a Statutory Reserve Account at the time of creation of this Condominium. Pursuant to the provisions of sec. 703.163 (4), Wis. Stats., the issue of a Statutory Reserve Account shall be addressed at the first annual meeting of the Association held after, or at a special meeting of the Association held within one year after, the expiration of the period of Declarant control.

16. PARTITION OF COMMON ELEMENTS PROHIBITED.

There shall be no partition of the Common Elements through judicial proceedings or otherwise, except as otherwise provided in the Act or this Declaration, until this Declaration is terminated and the property is withdrawn from its terms or from the terms of the applicable statutes regarding Unit ownership or condominium ownership; provided, however, that if any Unit shall be owned by two or more co-owners as tenants-in-common or as joint tenants, nothing contained herein shall be deemed to

prohibit a voluntary or judicial partition (by sale, but not in kind) of said single Unit as between such co-owners. No Unit may be subdivided or separated.

17. CONVEYANCE TO INCLUDE INTEREST IN COMMON ELEMENTS AND FACILITIES AND LIMITED COMMON ELEMENTS.

The percentage of the undivided interest in the Common and Limited Common Elements and facilities shall not be separated from the Unit to which it appertains. No Unit owner shall execute any deed, mortgage, lease or other instrument affecting title to such Unit ownership without including therein both the Unit owner's interest in the Unit and the corresponding percentage of ownership in the Common and Limited Common Elements and facilities, it being the intention thereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

18. EASEMENTS, RESERVATIONS AND ENCROACHMENTS.

18.1 Utilities. Easements may hereafter be declared and granted through, over, or under the Common Elements by the Association, provided, however, that as long as Declarant owns any unsold Unit, no easement shall be granted by the Association without Declarant's prior written consent. Easements for the benefit of Unit Owners are hereby declared and granted, for utility purposes, for all utility service lines now existing or hereafter installed by or with the consent of Declarant over, under, along and on any part of the Common Elements and Limited Common Elements and facilities.

18.2 Construction Easement. Notwithstanding anything to the contrary in this Declaration, the Plat, By-laws, or Rules and Regulations, until Declarant shall have constructed and sold all Buildings and Units, completed all improvements to the Common Elements and satisfied all of its rights and obligations under any or all of the foregoing, Declarant reserves an easement for itself and its duly authorized agents, representatives, and employees, over portions of the Common Elements and any Units owned by Declarant for construction or renovation on the Property or the Expansion Real Estate or related purposes including: storing tools, machinery, equipment, building materials, appliances, supplies and fixtures; maintaining and correcting drainage of surface, roof or storm water; cutting any trees, bushes, or shrubbery; grading the soil or taking any other action reasonably necessary. In the event the Declarant exercises its rights under this Section, the Declarant shall upon, completion of the construction, promptly restore the affected property as closely as possible to the condition it was in prior to the construction. Each Unit Owner hereby acknowledges that the activities of the Declarant may temporarily impair the view and cause inconveniences to the Unit Owners.

18.3 Easement to Facilitate Sales. The Declarant reserves the right to use any Units owned or leased by the Declarant as models, management offices, sales offices (for this and other projects) or customer service offices. The Declarant reserves the right to relocate the same from time to time within the Property; upon relocation, the furnishings thereof may be removed. The Declarant further reserves the right to maintain on the Property such advertising signs as may comply with applicable governmental regulations, which may be placed in any location on the Property and may be relocated or removed, all at the sole discretion of the Declarant. The Declarant shall have the right to restrict the use of certain Common Element parking spaces for sales purposes and to use such spaces for sales purposes. Further, the Declarant shall have the right to erect, maintain, relocate and remove temporary offices on

the Property. The reservation of this easement to facilitate sales also applies to the Expansion Property. This easement shall continue until the Declarant has sold all the Units it owns.

18.4 Encroachments. In the event that by reason of the construction, reconstruction, settlement, or shifting of any of the buildings or the design or construction of any Unit, any part of the Common Elements and facilities, or Limited Common Elements, encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Elements and facilities, or Limited Common Elements, or any portion of any Unit encroaches upon any part of any other Unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit so long as all or any part of the building shall remain standing, and Unit and Common Element boundaries shall be as provided in the Act. Provided, however, that in no event shall a valid easement for any encroachment be created in favor of the owner of any Unit or in favor of the owner or owners of the Common Elements or facilities, or Limited Common Elements, if such encroachment occurred due to the willful and knowing conduct or acquiescence of said owner or owners.

18.5 Access Utility and Storm Water Easements. The Plat for Overlook Trails Condominium sets forth various easements, including, but not necessarily limited to, utility, access, sanitary sewer, water main, storm water management access, and drainage easement areas. All of said easement areas are for the use and benefit of the lands within Overlook Trails Condominium, as described on the attached EXHIBIT A, as well as all of the Expansion Lands, as described on the attached EXHIBIT B. To the extent said easement areas are within lands now or (after expansion of the Condominium) hereafter included within Overlook Trails Condominium, Declarant retains a permanent, perpetual, and non-exclusive easement in each of said easement areas, for the purposes intended, for the use and benefit of the lands described on the attached EXHIBIT B. To the extent that said easement areas are within the Expansion Lands, as described on the attached EXHIBIT B, or so much thereof as are not hereafter added to Overlook Trails Condominium by expansion of the Condominium, Declarant hereby grants to Overlook Trails Condominium, a permanent, perpetual and non-exclusive easement in each of said areas, for the purposes intended, for the use and benefit of the lands now or hereafter included within Overlook Trails Condominium. A separate document titled "Overlook Trails Condominium Easement Agreement" may be executed and recorded for the purpose of further documenting and defining said easements, including but not limited to maintenance and repair responsibilities, and for the purpose of preventing the termination of the easements in the event of the amendment of this Declaration and/or termination of the condominium status.

18.6 Easements for the Expansion Real Estate. Declarant reserves an easement over the Condominium for ingress and egress for purposes of (i) accessing the Expansion Real Estate in order to construct improvements, (ii) activities related to sales or ownership of any portion of the Expansion Real Estate, including access by future homeowners in the Expansion Real Estate and (iii) installation of such utilities and other infrastructure as the Declarant deems appropriate in order to service the Expansion Real Estate, including increasing the sizing of any infrastructure as the Declarant deems necessary. This easement will exist and apply whether or not the Expansion Real Estate or such improvements are then intended to become a part of the Condominium as part of an expansion. The easement in this Section is intended to supplement and not limit the easements reserved above.

18.7. Binding Effect. All easements and rights described in this Section 18 are easements appurtenant, running with the land. All easements and rights described herein are granted and reserved to, and shall inure to the benefit of and be binding on, the Declarant, its successors and

assigns, and on all Unit Owners, purchasers and Mortgagees and their heirs, personal representatives, successors and assigns. The Association or the Declarant shall have the authority to execute and record all documents necessary to carry out the intent of this Section 18.

19. ARCHITECTURAL CONTROL.

19.1 Architectural Control Authority. No exterior additions or alterations (including painting or decorating) of any Buildings, porches, patios, decks, awnings, additional fences, or changes in existing fences, hedges, shrubs, trees, landscaping, walls, walkways and other structures or plantings, or improvement to or enclosure of any Limited Common Element, shall be constructed, erected, planted or maintained (except such as are installed or approved by the Declarant in connection with the Construction) of the building until the plans and specifications showing the nature, kind, shape, height, materials, location, color, approximate cost, proposed impact on the appearance of the Condominium, and a statement identifying the project contractor shall have been submitted to and approved in writing by the Board of Directors of the Association. Approval may be granted or denied at the discretion of the Board. Approval is further subject to compliance with the provisions of Sec. 703.13(5m) of the Wisconsin Statutes. The approval of any work shall not in any way be construed so as to impair the right of the Association to undertake any decoration of or alteration to any Common Element, including any such work as may alter or eliminate the Owner's work approved, and no such decoration or alteration work by the Association shall create any liability by the Association to such Owner. Approval of any work is not a representation or warranty by the Board or the Association of the quality of any work or whether the plans and specifications submitted are sufficient for the purposes of performing the work or the use of the work. No Board director is responsible for actions taken in this Section 19.1 if undertaken in good faith. Neither the members of the Board of Directors nor its designee(s) representative(s) or committee members shall be entitled to compensation to themselves for services performed pursuant to this paragraph, but compensation may be allowed to independent professional advisors retained by the Board or their designee(s). Any costs and expenses incurred by the Association relative to any application for approval (whether or not approval is granted) and/or enforcement of the provisions of this Section, including but not limited to reasonable actual fees of attorneys, architects, engineers, surveyors, designers and/or construction experts, may be charged by the Association as a Special Assessment against the applicable Unit. In addition to the Association approval required above, the Unit Owner instituting any additions, modifications or changes is responsible, at the sole cost and expense of the Owner(s) of such Unit, for obtaining any required governmental approvals. The Owner(s) of such Unit (jointly and severally) shall further indemnify and hold harmless the Association and all other Unit Owners, upon demand, from all loss, costs, expenses, damages and costs of enforcement, including but not limited to fines, reasonable attorney's fees, and costs of modification and/or removal, resulting from the failure of the owner(s) of such Unit to properly obtain Association and/or governmental approval. If the Board determines that an amendment to this Declaration or an Addendum to the Plat, or both, is advisable as a result of a matter covered by this Section 19.1, then the Association will cause such documents to be prepared, and the Unit Owner making the proposal will be reimburse the Association for the cost of the same.

19.2 Declarant Control. During the period of Declarant Control, Declarant shall have the exclusive right to act as the representative of the Board for Architectural Control purposes.

20. MORTGAGEE RIGHTS. Mortgagees of Units shall have the rights set forth below. In the event any provision of this Article conflict with any other provision of this Declaration, The Articles of Incorporation of the Association, or the By-Laws of the Association (collectively, the "project documents"), the provision more favorable to a Mortgagee shall control. If any provision of this Article conflicts with

any required minimum provision of the Act, the more restrictive provision shall control. Mortgagee Rights are as follows:

20.1 Right of 1st Refusal. No right of first refusal in the condominium project documents shall adversely impact the rights of a Mortgagee or its assignee to:

(a) Foreclose or take title to a condominium Unit pursuant to the remedies in the mortgage;

(b) Accept a deed or assignment in lieu of foreclosure in the event of default by a mortgagor; or

(c) Sell or lease a Unit acquired by the Mortgagee or its assignee.

20.2 Amendments to Project Documents. Amendments to the project documents of a material adverse nature to Mortgagees must be agreed to by Mortgagees that represent at least 51% of the votes of the Units that are subject to mortgages. Amendments to annex property and/or Units to the Condominium pursuant to Section 6 of this Declaration shall not be deemed or construed as amendments of a material adverse nature to mortgages.

20.3 Termination of Condominium. Any action to terminate the legal status of the condominium after substantial destruction or condemnation occurs, or for other reasons, must be agreed to by Mortgagees that represent at least 51% of the votes of the Units that are subject to mortgages.

20.4 Implied Approval Presumed. If otherwise allowed by law, implied approval by a Mortgagee shall be assumed when a Mortgagee fails to submit a response to any written proposal for an amendment within 60 days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

20.5 Right to Notice. Any Mortgagee of a Unit, and any guarantor of the mortgage, upon the submission of a request to the Association in writing delivered to the Registered Agent of the Association, shall be entitled to receive timely written notice from the Association of the following matters:

(a) Any condemnation or casualty loss that affects either a material portion of the project or the Unit securing its mortgage;

(b) Any 60-day delinquency in the payment of Assessments or charges owned by the Owner of any Unit on which it holds the mortgage;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; and

(d) Any proposed action that requires the consent of a specified percentage of Mortgagees.

20.6 Priority of Insurance Proceeds. Neither a Unit Owner nor any other party shall have priority over any rights of the first Mortgagee of the Unit pursuant to its mortgage in the case of

payment to the Unit Owner of insurance proceeds or condemnation awards for losses to or a taking of condominium Units(s) and/or Common Elements.

21. REALLOCATION OF BOUNDARIES AND MERGER AND SEPARATION OF UNITS.

Unit Owners may, subject to the approval of the Board of Directors of the Association, reallocate Unit boundaries between adjoining Units, merge two adjoining Units into one Unit and/or separate a previously merged Unit into the number of Units which originally existed, upon compliance with the applicable provisions of the Act. The Board of Directors may approve or deny such request in its sole discretion, and may condition any approval upon compliance with such conditions as it may determine to be reasonable and appropriate. All work in connection with reallocation, merger, or separation shall be completed in a good, workmanlike manner and free from all liens. The Unit Owner(s) who initiate or whose actual boundaries are relocated, merged or separated shall indemnify and hold harmless the other Unit Owners, the Board, the Declarant and the Association from and against all claims of third parties for personal injury or property damage from work performed in connection with any relocation, merger or separation. The Board of Directors shall have the authority to assess a Special Assessment against any Unit for any cost incurred by the Association as a result of nonpayment of relocation cost by the Unit Owner. If the Board determines that an amendment to this Declaration or an Addendum to the Plat, or both, is advisable as a result of a matter covered by this Section 21, then the Association will cause such documents to be prepared, and the Unit Owner making the proposal will be reimburse the Association for the cost of the same.

A reallocation of boundaries between adjoining Units shall not result in any change in the number of votes, the Percentage Interests, or responsibility for Association expenses and Assessments for either Unit. In the event two adjoining Units are merged into one Unit, the resulting Unit shall have the same number of votes at meetings of the Association as the total number of votes assigned to the two previous Units (a total of 2 votes, 1 for each of the original Units), and shall have the same undivided Percentage Interest in the Common Elements as the total undivided Percentage Interest applicable to the two previous Units. To avoid any increased burden for Association expenses on other Units and the owners thereof, the resulting merged Unit shall be responsible for the same share of Association expenses and Assessments (both Annual and Special) as the total which would have been applicable to the two Units if they had not been merged. If a merged Unit is later separated into 2 units, each of the 2 separated Units shall then have the originally allocated vote, Percentage Interest, and Assessments responsibility.

22. CONDEMNATION

In the event of a "taking under the power of eminent domain" as defined in the Act, the Association shall proceed with rebuilding, relocation or restoration and/or an allocation of any award as provided in the By-laws or, if not provided for in the By-laws, in the Act. In any event, if the taking under the power of eminent domain is to the extent where the remaining Condominium portion has been diminished to such an extent that reconstruction or restoration is not practical, the Condominium shall be subject to an action for partition upon obtaining the written consent of the Unit Owners having 75% or more of the vote. In the case of partition, the net proceeds of sale, together with any net proceeds of the award for taking, shall be considered as one fund and shall be divided among all Unit Owners in proportion to their Percentage Interest and shall be distributed in accordance with the priority of interests in each Unit. A taking of all or part of a Unit may not include any of the Percentage Interests or vote appurtenant to the Unit. The Owner of each Unit taken shall have the individual right of appeal of the necessity of taking and of the condemnation award made for the taking. The Association shall have the

right of appeal of the necessity of taking of the Common Elements and the right of appeal of the condemnation award made for the taking of the Common Elements. An appeal by the Association shall be binding upon the Unit Owners for the necessity of taking or the condemnation award made for the taking of the Common Elements. Unit Owners having an interest in the ownership of Limited Common Elements may individually or as a group appeal the necessity of taking or the condemnation award made for the taking of the Limited Common Elements. The Association shall act as the designated agent and/or attorney-in-fact for each Unit Owner and their Mortgagees for the purpose of representing, negotiating and settling any proceeds or awards to be made to the Association or any Unit Owner on account of any casualty damage to the Condominium or eminent domain proceedings which involve the Condominium.

23. Construction Obligation and Repurchase Rights

Construction Obligation:

Each Owner shall promptly begin, diligently pursue and ultimately complete construction with Halen Homes, LLC of the Building and other improvements on its Building Pad pursuant to approved plans by the Association. **Halen Homes, LLC is the exclusive builder of all Buildings and improvements within the Condominium. Owner acknowledges that the purchase of the Building Pad is separate from any construction contract to build the improvements on the Building Pad and the limited common elements appurtenant to the Building Pad. It is Owner's obligation to secure a construction contract for the Building Pad from Halen Homes, LLC which is a separate entity from the Declarant.**

In the event that construction of improvements has not been commenced with Halen Homes, LLC within one (1) year after the date of closing of the initial sale of a Building Pad by Declarant, then, until such construction is commenced, the Declarant shall have the option of repurchasing the Building Pad from the Owner (the "Commencement Option"). Commencement of construction is defined to mean that footings and foundation have been poured. To exercise the Commence Option, the Declarant shall provide written notice of exercise of the Commencement Option (the "Notice') to Owner at Owner's last known address, including the date of repurchase closing. Notice shall be deemed to be received two days after deposit of the notice, postage prepaid, in the U.S. mail. The repurchase shall occur within sixty (60) days after delivery of the Notice on the date specified in the Notice.

If after commencing construction work on any Building Pad, constrution ceases for a period of one hundred eight (180) consecutive days at any time before the substantial completion of construction as provided in Owner's approved plans ("Cessation of Construction"), the Declarant shall each have the option to repurchase the Building Pad from the Owner at any time prior to obtaining an occupancy permit (the "Construction Option"). To exercise the Construction Option, the Declarant shall provide written Notice as described above. Repurchase shall occur within sixty (60) days after delivery of the Notice on the date specified in the Notice. "Substantial completion of construction" means that construction has been completed to a point that a certificate of occupancy could be obtained.
If Owner does not complete construction of the improvements as described in the approved plans and obtain an occupancy permit for the improvements within two (2) years after the date of closing of Owner's purchase of the Building Pad from Declarant the Declarant shall have an option to repurchase the Building Pad from the Owner (the "Completion Option") at any time thereafter but prior to obtaining an occupancy permit. To exercise the Completion Option, the Declarant shall provide written Notice as described above. Repurchase shall occur within sixty (60) days after deliver of the Notice on the date specified in the Notice.

Terms of Repurchase:

If the Declarant exercises any of the options described above, at repurchase closing the Owner shall tender a warranty deed free and clear of all liens and encumbrances except municipal and zoning ordinances, recorded easements for public utilities and these Declaration in exchange for a sum equal to Owner's original purchase price for the Building Pad from Declarant less any unpaid real estate taxes, the proration for the then current year's real estate taxes, and the title insurance premium. Owner shall provide the party exercising the option with a title insurance policy for the full amount of Owner's purchase price.

In the event of repurchase as provided in this section, Owner shall also be liable to the Declarant for all reasonable costs and expenses incurred in retaking and restoring the Building Pad to marketable condition, and such costs and expenses shall be deducted from the amount of the purchase price paid to the Owner. Owner shall be deemed to consent to enforcement of the options described on the above terms by specific performance.

24. GENERAL PROVISIONS.

24.1 Enforcement & Restriction Precedence. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, and reservations, now or hereafter imposed by the provisions of this Declaration, the By-laws and Rules and Regulations. Failure to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Declarant, its successors and assigns, and all parties hereafter having an interest in the Property, are subject to all applicable rules, codes, regulations, and ordinances of the Village of Hartland, Waukesha County, the State of Wisconsin and the federal government, and the same may be more restrictive than these the restrictions, conditions, and reservations, now or hereafter imposed by the provisions of this Declaration, the By-laws and Rules and Regulations. In the event there is a conflict between the requirements of Declaration, the By-laws and Rules and Regulations and any provision of the City, County, State or federal law or regulation, the more restrictive provisions shall apply.

24.2 Severability. If any provision, or any part hereof, of this Declaration or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Declaration, or the application of such provision, or any part thereof, to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each provision or any part thereof, of this Declaration shall be valid, and be enforced to the fullest extent.

24.3 Termination. This Declaration may be terminated in the manner allowed by the Act as of the time of termination.

24.4 Notices. All notices and other documents required or permitted to be given by this Declaration or the By-Laws of the Association to a Unit Owner shall be sufficient if given to one (1) Owner of a Unit regardless of the number of Owners who have an interest therein. All Owners shall provide the Association with an address for the mailing and emailing or service of any notice or other documents and the Association shall be deemed to have discharged its duty with respect to the giving of notice by mailing it, emailing it or having it delivered personally to such address as is on file with the Association.

24.5 Non-waiver. The failure of the Association to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to term, covenant, condition or restriction, shall not be deemed a waiver of same, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any Assessment from a Unit Owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Association.

24.6 Amendments. This Declaration may be amended in the manner allowed by the Act at the time of amendment (to the extent not subject to further restrictions as set forth in this Declaration); provided, however, that, as long as Declarant owns any unsold Unit and so long as the Condominium is subject to expansion as set forth in Section 6 above, no Amendment to this Declaration shall be effective unless consented to in writing by Declarant.

24.7 Registered Agent. Steven DeCleene is the registered agent for the Declarant. The address of said registered agent is: N27 W24025 Paul Court, Suite 100, Pewaukee, WI 53072. The registered agent may be changed in accordance with any provision allowed by law in effect at the time of such change. As of the date of filing of this Declaration, the provisions regarding the qualification, designation and filing of the name and address of the registered agent are set forth in Sec. 703.23, Wis. Stats. As set forth in said statutory section, if the Association is incorporated, the registered agent for the association shall be the registered agent for the condominium.

24.8 Assignment. The rights and obligations of Declarant may be assigned in any manner allowed by law at the time of assignment. Upon the recording of any such amendment, such assignee shall become "Declarant" under this Declaration and shall succeed to all such rights, powers and obligations. Such amendment need be signed only by the assignor and assignee named therein

24.9 Number and Gender. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural shall include the singular, and the use of any gender shall include all genders.

24.10 Captions. The captions and Article headings herein are intended only as matters of convenience and for reference and in no way define or limit the scope or intent of the various provisions hereof.

BY-LAWS
OF
OVERLOOK TRAILS
CONDOMINIUM ASSOCIATION, INC.

ARTICLE 1

Name and Purpose

Pursuant to the Articles of Incorporation of OVERLOOK TRAILS CONDOMINIUM ASSOCIATION, INC., and the Condominium Declaration for Overlook Trails, a Condominium recorded in the Office of the Register of Deeds for Waukesha County, Wisconsin (hereinafter "Declaration"), the following are adopted as the By-Laws of OVERLOOK TRAILS CONDOMINIUM ASSOCIATION, INC. (hereinafter sometimes referred to as the "Association"), which is a non-profit non-stock corporation formed and organized to serve as an association of Unit Owners who own real estate and improvements in Overlook Trails Condominium (hereinafter the "Property") under the condominium form of ownership, as provided in the condominium Ownership Act of the State of Wisconsin and subject to the terms and conditions of the Declaration.

These By-Laws shall be deemed covenants running with the land and shall be binding on the Unit Owners, their heirs, personal representatives, successors and assigns.

ARTICLE II

Members, Voting and Meetings

2.1 Members. The rights and qualifications of the members are as follows:

a. Defined. Members of the Association shall be all Unit Owners, and members shall have one vote for each unit owned. Every Unit Owner upon acquiring title to a unit under the terms of the Declaration shall automatically become a member of the Association and shall remain a member thereof until such time as his/her ownership of such unit ceases for any reason, at which time his/her membership in the Association shall automatically cease.

b. One Membership and Vote Per Unit. One membership and one vote shall exist for each unit. If title to a unit is held by more than one person, the membership related to that unit

shall be shared by such owners in the same proportionate interests and by the same type of tenancy in which the title to the unit is held. Voting rights may not be split. When more than one person holds an interest in any unit the vote for such unit shall be exercised as they, among themselves, determine, but in no event shall there by more than one vote cast with respect to any unit. If only one of multiple owners of a unit is present at a meeting of the Association, the owner present is entitled to cast the vote allocated to that unit. If more than one of the multiple owners is present, and any one of them purports to cast the vote allocated to that unit on any issue without protest being made promptly by any other owner(s) of such unit to the person presiding over the meeting, it shall be conclusively presumed that such voting owner had the authority to cast the vote. In the event of such a protest, if such dispute is not resolved by the multiple owners prior to the vote being completed, they shall not be entitled to cast a vote.

c. Membership List. The Association shall maintain a current Membership List showing the membership pertaining to each unit, the address to which notice of the meetings of the Association shall be sent, and the name and address of any mortgagee of a unit from which the Association has received a written demand for notice of meetings.

d. Transfer of membership. Each membership shall be appurtenant to the unit upon which it is based and shall be transferred automatically upon conveyance of that unit. Membership in the Association may not be transferred, except in connection with the transfer of a unit. Upon transfer of a unit, the Association shall, as soon as possible thereafter, be given written notice of such transfer, including the name and address of the new owner, identification of unit, date of transfer, and any other information about the transfer which the Association may deem pertinent, and the association shall make appropriate changes to the Membership List effective as of the date of transfer. The Association may provide Membership Certificates to its members.

2.2 Quorum and Proxies for Member's Meetings. The Presence at the meeting of members entitled to cast, or of proxies entitled to cast, twenty-five percent (25%) of the votes shall constitute a quorum for any action except as otherwise provided in the Declaration or these By-Laws. If, however, such quorum shall not be present or represented at any meeting, the Members entitled to vote thereat shall have power to

adjourn the meeting from time to time without notice other than announcement at the meeting, until a quorum as aforesaid shall be present or be represented. At such adjourned meeting at which a quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally noticed. Votes may be cast in person or by proxy. All proxies shall be in writing and filed with the Association, by delivery to any Officer of Director. The Officer or Director receiving same shall promptly transmit same to the Secretary of the Association. Every proxy shall be effective for a maximum period of one hundred eighty (180) days (unless granted to a Mortgagee or lessee), shall be revocable and shall automatically cease upon conveyance by the Member of his, her or their unit.

2.3 Act by Majority. The act of a majority of votes of the Association present in person or by proxy at any meeting at which quorum is present shall be the act of the Association, unless otherwise provided in the Declaration, By-Laws, Articles of Incorporation or the Condominium Ownership Act of the State of Wisconsin.

2.4 Time, Place, Notice and Calling of Members' Meetings. Written notice of all meetings stating the date, time and place of the meeting shall be given by the President or Secretary, unless waived in writing by all Unit Owners entitled to vote, to each member at his address as it appears on the books of the Association and shall be mailed, emailed or personally delivered not less than ten (10) days nor more than sixty (60) days prior to the date of the meeting. The inadvertent failure to give notice to any Unit Owner or mortgagee entitled to notice shall not invalidate any action taken at the meeting, unless such invalidation is otherwise required by law. Notice of meetings may be waived before or after meetings. Meetings shall be held at such time and place as may be designated by the Board of Directors, and may be held at the principal office of the property or at such other suitable place convenient to the Owners as may be designated by the Board of Directors. Notice of Special Meetings shall further specify the purpose of the meeting.

2.5 Annual and Special Meetings. The first annual meeting of the Members shall be held prior to the conveyance of twenty-five percent (25%) of the Common Element interest to purchasers, but in no event more than within one (1) year from the date of recording of the Declaration, and each subsequent annual meeting of Members shall be held on such date as may be determined each year by the Board of Directors, providing such date shall be a date within thirty (30) days prior to the anniversary date of the first annual meeting. The purpose of each annual meeting of the Members shall be for the election of Directors and the transaction of such other business as may come before the meeting. Special meetings of the members shall be held whenever called by the President or by the Board of Directors and must be called by such Officers and Directors upon written request of the Members who are entitled to vote one-fourth (1/4) of all of the votes.

ARTICLE III

Board of Directors

3.1 Number and Membership in Association. The affairs of the Association shall be managed initially by a board of directors ("Board of Directors") composed of three (3) directors selected by the Declarant. No more than one director at any given time may be a person who is not also a Unit owner; provided, however, that during the period of Declarant control, any person named by the Declarant to the Board of Directors shall be deemed to be a "Unit Owner" for purposes of this requirement only and provided further, that in the case of a Unit that is owned by an entity rather than an individual, any person who is an officer, member, partner, director, employee or designee of such entity shall be deemed to be a "Unit Owner" for purposes of this requirement only.

3.2 Term of Office. The initial Board of Directors shall serve until the Declarant has conveyed seventy-five percent (75%) of the percentage interest in the Common Elements to purchasers. Prior to the conveyance of seventy-five percent (75%) of the Common Element interest of the Condominium to purchasers, the Association shall hold a meeting, and the Unit Owners other than the Declarant shall elect at least thirty-three and one-third percent (33 1/3%) of the directors on the board of directors Not later than thirty (30) days after the expiration of the period of Declarant control, a special meeting of the Unit Owners shall be called, and the Unit Owners shall elect all three (3) directors to serve on the Board of Directors. Such directors shall take office upon such election and shall serve until the first annual meeting of the Unit Owners.

3.3 Determination of Declarant Control. For purposes of calculating the percentages set forth in the Declaration and these Bylaws with respect to determination of Declarant Control, the percentage of Common Element interest conveyed shall be calculated based on the percentage of undivided interest pertaining to each Unit conveyed, assuming that all Units Declarant has the right create by expansion are included in the Condominium.

3.4 Election and Term of Directors. At the first annual meeting of the Association after Association control passes to the Unit Owners, the members shall elect three (3) Directors to the classified with respect to the terms for which they hold office by dividing them into three (3) classes as follows:

(a) One Director whose term will expire at the first annual meeting of the Association after his or her election, or at such time as his or her successor is duly elected and qualified (Class "A" Director).

(b) One Director whose term will expire at the second annual meeting of the Association after his or her election, or at such time as his or her successor is duly elected and qualified (Class "B" Director).

(c) One Director whose term will expire at the third annual meeting of the Association after his or her election, or at such time as his or her successor is duly elected and qualified (Class "C" Director).

The successors to the class of Directors whose terms expire as set forth above shall be elected to hold office for a term of two (2) years or until their successors are duly elected and qualified, or until any of said Directors shall have been removed in the manner hereinafter provided, so that the term of one class of Directors shall expire in each year.

3.5 Vacancies on Board. Vacancies on the Board of Directors caused by any reason other than the removal of a Director by a vote of the members shall be filled by a vote of the majority of the remaining Directors, even though they may constitute less than a quorum, and each person so elected shall be a Director until a successor is elected at the next annual meeting of the members at which that class of Directors is to be elected.

3.6 Removal of Directors. At any annual meeting of the membership, or at any special meeting of the membership called for that purpose, any one or more of the Directors may be removed with or without cause by a majority of the votes of the membership present or represented at such meeting, provided a quorum is in attendance, and a successor may then and there be elected to fill the vacancy thus created.

3.7 Annual Meeting and Notice. An annual meeting of the Board of Directors shall be held immediately after, and at the same place as, the annual meeting of the members, for the purpose of election of Officers and transacting such business as may come before the meeting. Notice of the regular annual meeting of the Board of Directors shall not be required.

3.8 Regular Meetings and Notice. The Board of Directors may provide by resolution for regular or periodic meetings of the Board, to be held at a fixed time and place, and upon the passage of any such resolution, such meetings shall be held at the stated time and place without the necessity of notice other than such resolution. Regular meetings may further be called by the President or by any two Directors upon not less than 1 day's written notice to each Director, given personally or by mail, or email, or facsimile transmission.

3.9 Special Meetings and Notice. Special meetings of the Board of Directors may be called by the President or by two (2) Directors on twenty-four (24) hours prior

written notice to each Director, given personally or by mail, or email, or facsimile transmission, which notice shall state the time, place and purpose of the meeting.

3.10 Waiver of Notice. Before, at or after any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board shall be a waiver by him of notice of the time and place thereof. If all of the Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

3.11 Quorum of Directors - Adjournments. At all meetings of the Board of Directors, a majority of the Directors then in office (but not counting any Director who has tendered a written resignation to any other Director) shall constitute a quorum for the transaction of business, and the act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. If, at any meeting of the Board of Directors, there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time without further notice. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting as originally called may be transacted.

3.12 Fidelity Bonds. The Board of Directors may require that some or all Officers and/or employees of the association handling or responsible for Association's funds shall furnish adequate fidelity bonds. The premiums on any such bonds shall be paid for by the Association.

At any meeting of the Board of Directors at which

a quorum is present, and upon the affirmative vote of a majority of the members of the Board of Directors in attendance at such meeting, any Officer may be removed, either with or without cause, and his successor elected. Any two or more offices, except a combination of the offices of President and Secretary and a combination of the offices of President and Vice-President, may be held by the same person.

The Secretary/Treasurer shall also be responsible for the billing and collection of all common and special charges and assessments made by the Association. The Secretary/Treasurer shall count votes at meetings of the Association.

4.5 Liability of Directors and Officers. No person shall be liable to the Association for any loss or damage suffered by it on account of any action taken or omitted to be taken by him or her as a Director or Officer of the Association, if such person (a) exercised and used the same degree of care and skill as prudent person would have exercised or used under the circumstances in the conduct of his or her own affairs, or (b) took or omitted to take such action in reliance upon advice of counsel for the association

The foregoing shall not be exclusive of other rights or defenses to which he may be entitled as a matter of law. The Board of Directors may provide Directors' and Officers' liability insurance in such amounts and with such coverage as may be determined by the Board of Directors to be necessary or advisable from time to time, and the premiums on any such insurance shall be a common expense of the Association.

Each owner of a condominium unit in Overlook Trails Condominium shall be deemed by acceptance of any deed to any unit to agree, approve and consent to the right of Declarant to so control the Association. The determination of Common Element interest conveyed shall be made in the same manner as provided in Section 3.3 of these By-Laws.

ARTICLE VI

Operation of the Property

6.1 The Association. The Association, acting through the Board of Directors, shall be responsible for administration, maintenance, management and operation of the condominium property, in accordance with the Condominium Ownership Act, the Declaration, the Articles of Incorporation, and these By-Laws. The Association, by

resolution of the Board of Directors, shall have full power and authority to borrow money and acquire and convey property on behalf of the Association, provided that any single Association loan, acquisition, or conveyance, involving the sum of $10,000.00 or more, shall first be approved by majority vote of the membership at an annual or special meeting called for such purpose. The Association may, to the extent it deems advisable, contract for management services or for a managing agent with respect to the administration and operation of the condominium.

6.2 Rules and Regulations. The Association, through the Board of Directors, shall from time to time adopt rules and regulations governing the operation, maintenance and use of the units and the Common and Limited Common Elements and facilities by the Unit Owners and occupants. Such Rules and Regulations of the Association shall not be inconsistent with the terms of the Declaration or the documents and easements referred to in the Declaration, and shall be designed to prevent unreasonable interference with the use of the respective units and the Common Elements and facilities by persons entitled thereto. The Association members, their lessees or guests, and any occupants of the units shall conform to and abide by all such Rules and Regulations. A violation of any such Rules or Regulations shall constitute a violation of the Declaration. The Association through its Board of Directors shall designate such means or enforcement thereof as it deems necessary and appropriate. The Rules and Regulations may be adopted, altered, amended or repealed by either the members of the Association or the Board of Directors, in each case by an affirmative vote of 67% or more of the votes present or represented at a meeting at which a quorum is an attendance, provided that no Rule or Regulation adopted by the members shall be amended or repealed by the Board of Directors if the Rule or Regulation so adopted so provides.

6.3 Common Expenses. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association in order to determine the amount of the assessments payable by each unit to meet the estimated common expenses of the Association for the ensuing year. The amounts required by such budget shall be assessed against the units and allocated among the members of the Association according to their respective percentages of ownership in the Common Elements and facilities of the Condominium and as set forth in the Declaration. The assessments shall be made on an annual basis and shall be prorated and due and payable monthly. Commencement of assessments as to each Unit shall be in the manner provided in the Declaration. Any assessments, or installments thereof, which are not paid when due shall be delinquent. If the assessment is not paid within ten (10) days after the due date, the assessment shall bear interest from the date of delinquency at a rate of interest which is two percent higher than the rate prescribed by the Wisconsin Statutes to be collected upon execution upon judgments. (In lieu of charging such interest the Board may, from time to time, fix a reasonable late fee, for each month or fraction thereof that such assessment is delinquent.) If delinquent for more than thirty (30) days, the Association may accelerate the annual assessment remaining unpaid with respect to such delinquent unit for purposes of collection or foreclosure action by the Association.

In the event the annual budget and assessments are not determined prior to the beginning of a fiscal year of the Association, the assessment for the prior year shall remain in effect until revised by the Board of Directors.

6.4 Operating Budget. The annual operating budget shall provide for two funds, one of which shall be designated the "operating fund" and the other the "reserve fund". The operating fund shall be used for all common expenses which occur annually or more frequently, such as amount required for the cost of maintenance and repair of the Common Elements, management services, security, insurance, common services and utilities, administration, materials and supplies. The reserve fund shall be used for contingencies and periodic expenses such as painting or renovation. In the event the Association incurs extraordinary expenditures not originally included in the annual budget, then such sums, as may be required in addition to the operating fund may be charged against the reserve fund, up to a maximum of 10% of the reserve fund. In the event that such funds prove inadequate to meet the necessary common expenses, or at the discretion of the Board of Directors, the Directors may levy further assessment(s) against the Unit Owners or by majority vote of the Unit Owners authorize additional funds to be withdrawn from the reserve fund.

The reserve fund may also be used to discharge mechanic's liens or other encumbrances levied against the entire property, or against any unit, if resulting from action by the Association. The Unit Owner or owners responsible for any lien which is paid by the Association but not the obligation of the Association shall be specifically assessed for the full amount thereof. The Directors may also use the reserve fund for the maintenance and repair of any unit if such maintenance and repair, although the obligation of the Unit Owner, is necessary to protect the common property. The full amount of the cost of any such maintenance or repair shall be specifically assessed to the Unit Owner responsible therefor. Any charges against the reserve fund in accordance with the foregoing paragraphs which are not otherwise repaid to the fund shall be replenished by additional assessments against the Unit Owners in subsequent years.

An annual budget shall be prepared and determined prior to the annual meeting of each calendar year. The Board of Directors shall advise all members of the Association in writing of the amount of common assessments payable on behalf of each unit by the date of the annual membership meeting and shall furnish copies of the budget on which such common assessments are based to each member.

If within fifteen (15) days after the annual membership meeting a petition is presented to the Board of Directors protesting the budget, and the petition is signed by members representing more than fifty percent (50%) of the membership entitled to vote, the Association may revise the budget, and such revised budget and corresponding assessments shall replace for all purposes the ones previously established, provided, however, that the annual budget and assessments may not be revised downward to a point lower than the average total budget for the preceding two years and provided

further, that if a budget and assessments have not been established and made for any two preceding years, then the budget and assessments may not be revised downward until two years of experience exist.

The reserve account referred to above shall not be construed as a Statutory Reserve Account pursuant to Section 703.163 of the Wisconsin Statutes, unless the Association decides to establish a Statutory Reserve Account in a manner allowed by law. If the Association establishes a Statutory Reserve Account, the use of said account shall comply with the statutory provisions.

6.5 Default and Liens. All assessments of common expenses and special assessments until paid, together with interest and actual costs of collections, constitute a lien on the units on which they are assessed and on the undivided interest in the Common Elements appurtenant thereto, to the extent permitted by law. If a member of the Association is delinquent in payment of any charges or assessments, the Board of Directors, in the name of the Association, may file liens therefor and bring suit for and on behalf of the Association, as representative of all members, to enforce collection of such delinquencies or to foreclose the lien therefor, as provided by law, and there shall be added to the amount due the costs of collection and interest, together with attorney's fees. Liens shall be signed and verified on behalf of the Association by any Officer or agent of the Association. The owners of a unit against which a lien has been filed by the Association shall not be entitled to vote at Association meetings until the lien has been paid in full.

ARTICLE VII

Repairs and Maintenance

7.1 Individual Units. Each Unit Owner, at his sole expense, shall be responsible for keeping the interior of his unit and all of its equipment, fixtures and appurtenances in good order, condition and repair and in a clean and sanitary condition. Each Unit Owner must perform properly or cause to be performed all maintenance and repair work within his own unit which, if omitted, would affect the project in its entirety or a portion belonging to other owners, and such owner shall be personally liable to the Association or the adjoining Unit Owner(s) as the case may be, for any damages caused by his or her failure to do so. Without in any way limiting the foregoing, in addition to decorating and keeping the interior of the unit in good repair, each Unit Owner shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, doors and windows (including interior and exterior washing and replacement of broken glass), screens and screening, light fixtures, refrigerators, ranges, heating and air-conditioning equipment, dishwashers, disposals, laundry equipment such as washers and dryers, interior electrical wiring and fixtures, or other equipment which may be in, or connect with the unit or the Common Elements appurtenant to the unit. As set forth in the Declaration, the Association may, by resolution, assume responsibility, in whole or in part,

for the maintenance, repair and/or replacement of some or all of those portions of Units which affect the exterior appearance of the condominium.

The Association shall be responsible for the management and control of the Common Elements and facilities and shall cause the same to the maintained, repaired and kept in good, clean, attractive and sanitary condition, order and repair, except to the extent individual Unit Owner(s) are responsible therefor as provided by the Association with respect to Common Elements and/or Limited Common Elements (including, but not limited to, Limited Common Element planting areas). Without in any way limiting the foregoing, the Association shall be responsible, at Association expense (unless necessitated by the negligence or misuse of a Unit Owner, in which case such expense shall be charged and specially assessed to such Unit Owner, or except as delegated to the Unit Owners), for accomplishment of the following specific items of maintenance and repair with respect to the Common Elements:

- All Maintenance, repair, painting, cleaning and decorating of common areas and fixtures including service walks, driveways, and parking areas.

- General repair, maintenance and replacement of common fixtures and equipment such as mailboxes, and associated fixtures and equipment.

- General repair, maintenance and replacement of all sewer (sanitary and storm) and water mains and connecting

pipes and conduits not dedicated to the utility or the municipality.

- Provisions for maintenance and storage of equipment and materials required to accomplish the foregoing.

7.3 Association Services. The Association may provide any service or maintenance requested by a Unit Owner or owners with respect to individual units that the Association is able and willing to provide or perform and shall specially assess such requesting owner or owners therefore. The Board of Directors may establish policies requiring prepayment for some or all of such service or maintenance, and/or may refuse to provide same to Unit Owners who are delinquent in the payment of any sum due the Association.

ARTICLE VIII

Duties and Obligations of Unit Owners

8.1 Rules and Regulations. The units and the Common Elements and facilities and Limited Common Elements shall be occupied and used in accordance with the Declaration, the Articles of Incorporation, these By-Laws, and the rules and regulations adopted by the Association from time to time, including but not limited to the following:

No animals, livestock or poultry of any kind shall be raised, bred or kept in any unit or in any of the Common Elements, except that birds and fish, and not more than a total of 2 dogs and cats (2 dogs, or 1 dog and 1 cat, or 2 cats), may be kept as household pets by Unit Owners, provided they are not kept or maintained for commercial or breeding purposes, and are kept subject to Rules and Regulations set forth below and such other Rules and Regulations which may be adopted by the Association regarding same.

(e) Pet Rules and Regulations.

(1) Leashes. Dogs and cats shall not be permitted on the Common Elements unless on a leash and within control of a person.

(2) Waste. The Unit Owners shall be responsible for the proper disposal of their pet's waste, without regard to their control over the pet at the time or location of the waste. Clean up of pet waste shall be contemporaneous.

(3) Exercise. If the Board designates an area of the Common Element as a "pet's area", then pets shall be exercised only within this area. Such designation shall not operate to diminish the Unit Owner's responsibility under (8) hereof.

(4) Behavior. Unit Owners are responsible for the behavior of pet occupying their unit and any handler thereof.

(5) Housing. Exterior pens or cages are not allowed. Pets shall not be left outside unattended in Overlook Trails

(6) Licenses. Pets shall be licensed by the municipality if required, and a copy of such license shall be furnished to the Association within 10 days after issuance by the municipality.

(7) Breeds. Breeds of a dangerous or unpredictable nature, such as dogs of various breeds which are commonly characterized as "attack dogs" (see section 78-22 of the City of Milwaukee Code of Ordinances), shall not be kept anywhere in the condominium. Dogs affected by this section include all dogs which are one-half or more American Staffordshire Terrier, Staffordshire Terrier, American Pit Bull Terrier, Pit Bull Terrier, Miniature Pit Bull Terrier, Rottweiler or Chow Chow.

(8) Noises. All pets shall be maintained in a manner as to keep any noise at a minimum level which, in any event,

must not be an unreasonable annoyance to the other condominium residents.

(9) Insurance. No dogs or cats shall be allowed unless the Unit Owner provides continuous proof to the Association, in the form of an insurance binder or policy, confirming that the Unit Owner has liability insurance in effect providing coverage for actions of the pet. Uninsured dogs and cats and uninsurable dogs and cats are prohibited.

(f) Window Treatments. All windows within a unit open to exterior view shall be either uncovered or treated with draperies or curtains properly hung on drapery or curtain rods, shades and/or window blinds. For purpose of uniformity of exterior appearance, the Association, by Rule and Regulation, may from time to time determine and specify the type, quality and appearance of draperies and window treatments which will be visible from the exterior of the building. Unless and until such Rules and Regulations are adopted, all window treatments shall have a neutral, wood, white or off-white backing.

(g) Increase of Insurance Rates. Nothing shall be done or kept in any unit or in the Common Elements that will increase the rate of insurance on the units or the Common Elements, without the prior consent of the Association. No Unit Owner shall permit anything to be done or kept in his or her unit or in the Common Elements which will result in the cancellation of insurance on any unit or any part of the Common Elements, or which would be in violation of any law or ordinance. No waste shall be committed in the Common Elements.

(h) Signs. No sign of any kind shall be displayed to the public view on or from any unit or the Common Elements, without the prior consent of the Association. The Association may establish Rules and Regulations for the size and placement of "For Sale" and "For Rent" signs. This provision shall not prohibit Declarant from erecting signs to expedite the sale of its units.

(i) Noxious Activity. No noxious or offensive activity shall be carried on in any units or in the Common Elements, nor shall anything be done therein which may be or become an annoyance or nuisance to others.

(j) Alteration, Construction or Removal. Nothing shall be altered or constructed in or removed from the Common Elements and facilities, except upon the written consent of the Association.

(k) Use of Common Areas. No owner may keep or store, or permit to be kept or stored any of the following items on any portion of the Common Elements or Limited Common Elements, including but not limited to all driveways:

(1) Any truck larger than a 3/4-ton pickup truck.

(2) Any truck used as a commercial vehicle containing any type of signage.

(3) Junked, inoperative or unlicensed vehicles.

(4) Boats, campers, recreational vehicles, snowmobiles, or any type of trailer.

Notwithstanding the foregoing, such vehicles as are reasonably necessary for the construction, reconstruction, repair and/or remodeling of units and Common Elements, and/or for moving or delivery purposes, shall be allowed, providing same do not remain on the property for any time period longer than is reasonably necessary, and providing further that all owners of the Unit, jointly and severally, shall be responsible and liable to the Association for the repair of any damage to the Common or Limited Common Elements resulting there from. Permanent parking of any vehicle outside of the homeowner's garage or on the street will be limited to a maximum of 10 days.

(l) Temporary Structures. Temporary structures, such as sheds or other storage facilities, are prohibited on Common Elements.

(m) Storage. Patios and decks shall not be used for any storage of any kind, including, but not limited to, the storage of motorcycles, baby carriages, bicycles, or wagons, nor shall patios be used for the drying or airing of laundry, carpets, rugs, or clothing. Furthermore, no grills shall be used or stored on patios or decks unless they are of a type using a cover in place while in use. No clotheslines shall be hung in Common or Limited Common Elements.

(n) Access. No vehicle shall occupy, park upon or otherwise block access to or exit from another unit or the approach thereto.

(o) Vehicle Maintenance. No maintenance or lubrication of any vehicle shall be permitted anywhere on the Common or Limited Common Elements.

(p) Rummage Sales. No rummage or garage type sales shall be conducted in or about any unit on more than four (4) calendar days in any calendar year.

(q) Seasonal Decorations. Exterior home decorating for seasonality shall be subject to Association authority and control. Offensive or inappropriate decorations will not be allowed. Halloween decorations may be placed between October 1st and November 7th of each year, and decorations for December holidays may be placed from the day following Thanksgiving to the day after New Year's Day.

(r) Other Exterior Decorations. All exterior decorating, including hanging baskets, bird houses and the like are subject to Association approval.

(s) Enforcement. The Declaration, these By-Laws and the Rules and Regulations as may be adopted by the Association from time to time may be enforced by such means as the Association deems necessary and appropriate, including recourse to civil authorities, court action if necessary, and monetary fines in such amounts as may be enacted from time to time as a part of the Rules and Regulations to be charges and assessed against the owners of units who violate or whose guests or unit occupants violate these provisions or the rules and regulations. Such fines shall be charged and assessed against the subject unit and may be enforced and collected as an assessment for common expenses, including the foreclosure of a lien therefore.

ARTICLE XI

Every Unit Owner shall further promptly notify the Association, in writing, of any change of address.

11.2 Statement of Assessments. The Association, at the request of any mortgagee or any prospective purchaser of any unit or interest therein, shall provide a statement to such person as to the amount of any assessments against such unit then due and unpaid, within ten (10) business days after such request is received.

11.3 Subordination. These By-Laws are subordinate and subject to all provisions of the Declaration and any amendments thereto and the Condominium Ownership Act under the laws of the State of Wisconsin, which shall control in case of any conflict. All terms herein (except where clearly repugnant to the context) shall have the same meanings as set forth in the Declaration and in said Condominium Ownership Act.

11.4 Interpretation. In case any provision of these By-Laws shall be held invalid, such invalidity shall not render invalid any other provision thereof which can be given effect. Nothing in these By-Laws shall be deemed or construed to authorize the Association or Board of Directors to conduct or engage in any active business for profit on behalf of any or all of the Unit Owners.

11.5 Transfer Fee. The Condominium Association may charge a reasonable fee to a Unit Owner upon the sale of a Unit. This fee may be determined from time to time by the Board of Directors of the Condominium Association as a part of the Rules and Regulations. The transfer fee shall not be charged on initial sales by the Developer.

11.6 Number and Gender. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural shall include the singular, and the use of any gender shall include all genders.

ARTICLE XII

Liability and Indemnity

12.1. General Scope and Definitions.

(a) The rights of directors and officers of the Association provided in this Article shall extend to the fullest extent permitted by the Wisconsin Nonstock Corporation Law and other applicable laws as in effect from time to time.

(b) For purposes of this Article, "director or officer" means a natural person (i) who is or was a director or officer of the Association, (ii) who, while a director or officer of the Association, is or was serving at the Association's request as a director, officer, partner, trustee, member of any governing or decision-making committee, employee, or agent of another corporation or foreign corporation, partnership, limited liability company, joint venture, trust, or other enterprise, or (iii) who, while a director or officer of the Association, is or was serving an employee benefit plan because his or her duties to the Association also imposed duties on, or otherwise involved services by, the person to the plan or to participants in or beneficiaries of the plan. Unless the context requires otherwise, "director or officer" shall also mean the estate and personal representative of a director or officer.

(c) For purposes of this Article, "proceeding" means any threatened, pending or completed civil, criminal, administrative, or investigative action, suit, arbitration, or other proceeding, whether formal or informal, which involves foreign, federal, state, or local law (including federal or state securities laws) and which is brought by or in the right of the Association or by any other person.

(d) For purposes of this Article, "expenses" means fees, costs, charges, disbursements, attorneys' fees, and any other expenses incurred in connection with a proceeding, including a proceeding in which a director or officer asserts his or her rights under this Article, and, if the context requires, liabilities, including the obligation to pay a judgment, settlement, penalty, assessment, forfeiture, or fine, including any excise tax assessed with respect to an employee benefit plan.

12.2. Mandatory Indemnification.

(a) To the extent that a director or officer has been successful on the merits or otherwise in the defense of any proceeding (including, without limitation, the settlement, dismissal, abandonment, or withdrawal of any action where he or she does not pay or assume any material liability), or in connection with any claim, issue, or matter therein, he or she shall be indemnified by the Association against expenses actually and reasonably incurred by him or her in connection therewith to the extent that he or she was a party to the proceeding because he or she is or was a director or officer of the Association.

(b) In cases not included under Section 12.2(a), the Association shall indemnify any director or officer against expenses actually and reasonably incurred by the director or officer in a proceeding to which the director or officer was a party because he or she is or was a director or officer, unless liability was incurred because the director or officer breached or failed to perform a duty he or she owed to the Association and the breach or failure to perform constituted any of the following: (i) a willful failure to deal fairly with the Association or its members in connection with a matter in which the director or officer had a material conflict of interest; (ii) a violation of criminal law, unless

the director or officer had reasonable cause to believe his or her conduct was lawful or no reasonable cause to believe his or her conduct was unlawful; (iii) a transaction from which the director or officer derived an improper personal profit or benefit; or (iv) willful misconduct. The termination of a proceeding by judgment, order, settlement, or conviction, or upon a plea of no contest or an equivalent plea, does not, by itself, create a presumption that indemnification of the director or officer is not required under this subsection.

(c) Indemnification under this Section is not required to the extent that the director or officer has previously received indemnification or allowance of expenses from any person, including the Association, in connection with the same proceeding.

(d) To the extent indemnification is required under this Article XIII, the Association has purchased or is required under Section 12.10 to purchase insurance on behalf of the indemnified person and the insurance policy includes a provision obligating the insurer to defend such person, the Association shall be obligated to extend such defense. To the extent possible under such insurance policy, the defense shall be extended with counsel reasonably acceptable to the indemnified person. The Association shall keep the indemnified person advised of the status of the claim and the defense thereof and shall consider in good faith the recommendations made by the indemnified person with respect thereto.

12.3. Determination of Right to Indemnification. Unless otherwise provided by written agreement between the director or officer and the Association, the director or officer seeking indemnification under Section 12.2 shall make a written request for indemnification which shall designate one of the following means for determining his or her right to indemnification: (a) by a majority vote of a quorum of the Board of Directors or a committee of directors consisting of directors not at the time parties to the same or related proceedings; (b) by independent legal counsel selected by a quorum of the Board of Directors or its committee in the manner prescribed in Section 12.3(a) or, if unable to obtain such a quorum or committee, by a majority vote of the full Board of Directors, including directors who are parties to the same or related proceedings; (c) by arbitration; or (d) by an affirmative vote of a majority of the Unit Owners entitled to vote; provided, however, that Unit Owners who are at the time parties to the same or related proceedings, whether as plaintiffs or defendants or in any other capacity, may not vote in making the determination. Any determination under this Section shall be made pursuant to procedures consistent with the Wisconsin Non-stock Corporation Law unless otherwise agreed by the Association and the person seeking indemnification. Such determination shall be completed, and eligible expenses, if any, shall be paid to the person requesting indemnification hereunder within sixty (60) days of the Association's receipt of the written request required hereunder.

12.4. Allowance of Expenses as Incurred. Within thirty (30) days after a written request by a director or officer who is a party to a proceeding because he or she is or was a director or officer, the Association shall pay or reimburse his or her reasonable expenses as incurred if the director or officer provides the Association with all of the following: (a) a written affirmation of his or her good faith belief that he or she has not breached or failed to perform his or her duties to the Association; and (b) a written undertaking, executed personally or on his or her behalf, to repay the allowance and, if required by the Association, to pay reasonable interest on the allowance to the extent that it is ultimately determined under Section 12.3 that indemnification under Section 12.2 is not required and indemnification is otherwise not ordered by a court. The undertaking under this Section shall be an unlimited general obligation of the director or officer and may be accepted without reference to his or her ability to repay the allowance. The undertaking may be secured or unsecured.

12.5. Partial Indemnification.

(a) If it is determined pursuant to Section 12.3 that a director or officer is entitled to indemnification as to some claims, issues, or matters in connection with any proceeding, but not as to other claims, issues, or matters, the person or persons making such determination shall reasonably determine and indemnify the director or officer for those expenses which are the result of claims, issues, or matters that are a proper subject for indemnification hereunder in light of all of the circumstances.

(b) If it is determined pursuant to Section 12.3 that certain expenses (other than liabilities) incurred by a director or officer are for any reason unreasonable in amount in light of all the circumstances, the person or persons making such determination shall authorize the indemnification of the director or officer for only such amounts as he or she or they shall deem reasonable.

12.6. Indemnification of Employees and Agents. The Board of Directors, may, in its sole discretion, provide indemnification and/or defense and/or allowance of expenses in advance of a final determination of any proceeding to an employee or agent of the Association who is not a director or officer in connection with any proceeding in which the employee or agent was a defendant because of his or her actions as an employee or agent of the Association; provided, however, that prior to such indemnification, defense, or allowance of expenses, the Board of Directors shall first determine that the employee or agent acted in good faith and in a manner he or she reasonably believed to be in, and not opposed to, the best interests of the Association.

12.7. Limited Liability of Directors and Officers.

(a) Except as provided in subsection 12.7(b) and (c), a director or officer is not liable to the Association, its members or creditors, or any person for damages, settlements, fees, fines, penalties, or other monetary liabilities arising from a

breach of, or failure to perform, any duty resulting solely from his or her status as a director or officer, unless the person asserting liability proves that the breach or failure to perform constitutes any of the acts of misconduct listed in Section 12.2(b).

(b) Except as provided in Section 12.7(c), this Section 12.7 does not apply to any of the following: (i) a civil or criminal proceeding brought by or on behalf of any governmental unit, authority, or agency; (ii) a proceeding brought by any person for a violation of state or federal law where the proceeding is brought pursuant to an express private right of action created by state or federal statute; or (iii) the liability of a director under Wisconsin Statutes Sections 181.0832 and 181.0833.

(c) Wisconsin Statutes Sections 12.7(b)(i) and (ii) do not apply to a proceeding brought by a governmental unit, authority, or agency in its capacity as a private party or contractor.

12.8. Severability of Provisions. The provisions of this Article and the several rights to indemnification, advancement of expenses, and limitation of liability created hereby are independent and severable and, if any such provision or right shall be held by a court of competent jurisdiction in which a proceeding relating to such provisions or rights is brought to be against public policy or otherwise to be unenforceable, the other provisions of this Article shall remain enforceable and in full effect.

12.9. Non-exclusivity of Rights. The rights to indemnification, defense and advancement of expenses provided for in this Article shall not be deemed exclusive of any other rights to which those seeking indemnification, defense, or advancement of expenses may be entitled under any agreement authorized by the Board of Directors, any of the Bylaws, any vote of the members or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office. Notwithstanding the foregoing, the Association may not indemnify a director or officer, or permit a director or officer to retain any allowance of expenses, pursuant to any such additional rights unless it is determined by or on behalf of the Association that the director or officer did not breach or fail to perform a duty he or she owes to the Association which constitutes conduct under Section 12.2(b). A director or officer who is a party to the same or related proceeding for which indemnification, defense, or an allowance of expenses is sought may not participate in a determination under this Section.

12.10. Purchase of Insurance. The Association shall use its reasonable best efforts to purchase and maintain insurance on behalf of any person who is or was a director or officer of the Association, to the extent that such director or officer is insurable and such insurance coverage can be secured by the Association at rates, and in amounts and subject to such terms and conditions as shall be determined in good faith to be reasonable and appropriate by the Board of Directors of the Association, and whose determination shall be conclusive (provided, however, that such insurance shall contain

a provision obligating the insurer to defend the director or officer, if such provision is available at reasonable rates), against liability asserted against or incurred by him or her in any such capacity or arising out of his or her status as such, whether or not the Association would have the power to indemnify or defend him or her against such liability under the provisions of this Article.

12.11. Benefit. The rights to indemnification, defense, and advancement of expenses provided by, or granted pursuant to, this Article shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors, and administrators of such a person.

12.12. Amendment. No amendment or repeal of this Article shall be effective to reduce the obligations of the Association under this Article with respect to any proceeding based upon occurrences which take place prior to such amendment or repeal.

These Bylaws were adopted by the unanimous consent of all of the directors on the ____ day of _____, 2019.
