Leah Diedrich	West Bend, WI	2020-05-29	"My niece and nephew live on this street and play outside with friends year round. It is a hilly and curvy road so it would be difficult for cars to see the children."
Richard Diedrich	Oshkosh, WI	2020-05-29	"I would like to see this road, stay a dead end, to keep down traffic in a neighborhood full of children."
Dennis Armstrong	Hartland, WI	2020-05-29	"I use to live in this neighborhood and my sons grandparents still do, I think it would make this road much more dangerous and it is already very hilly and difficult to traverse without people cutting through as a shortcut."
Jamie Holzli	Hartland, WI	2020-05-29	"I want to preserve this peaceful adorable neighborhood for generations to come!"
Kevin Mattson	Delafield, US	2020-05-29	"Kevin Mattson"
Ryan koglin	Madison, WI	2020-05-29	"I grew up on willow drive and this would instantly put kids in danger."
Cynthia Kocher	Hartland, WI	2020-05-30	"This directly effects friends that live on this street. Leave it a dead end"
Beth Miller	Hartland, WI	2020-05-30	"I hate to see these neighborhoods that are so safe for young families do something g that might endanger the children that play outside so freely!"
Kelley Quakkelaar	De Pere, WI	2020-05-30	"I grew up on Willow Ct., and support our friends who still live there. This would greatly increase traffic in a quiet neighborhood full of kids."
Brian Smith	Palm Coast, FL	2020-05-30	"I used to live very near there and I'm very familiar with the neighborhood.This would be the worst and most dangerous thing that could be done to this neighborhood.The real issue is Arrowhead HS was allowed to get so big without the appropriate supporting infrastructure around it.Don't take this out on this neighborhood; do the proper planning to get it done right."
Stephanie Smith	Hartland, WI	2020-05-30	"I am a resident with small children. This would be the biggest mistake as it will make more traffic issues with Arrowhead."
Mary Johnson	Waukesha, WI	2020-05-30	"Our daughter's family lives there. It has always been a safe place to walk, bike ride and enjoy their quiet neighborhood. Keep it that way."
Robin Berndsen	Delafield, WI	2020-05-30	"Robin Berndsen"
bri dubrey	Delafield, WI	2020-05-30	"sad"
Susan Oleniczak	Watertown, WI	2020-05-30	"I have friends who live in that subdivision and it would be unsafe."

Nick Payne	Menomonee Falls, WI	2020-05-30	"I'm signing this to project the safety of the kids and family in this neighborhood. Having a road lead right to the high school is just going to cause sloppy teen driving and have a higher risk of accidents"

crystal schwarzmann	Honolulu, HI	2020-05-31	"Safety of the neighborhood kids!"

Andrea Tarkowski	Oconomowoc, WI	2020-05-31	"It's a quiet neighborhood. Let's keep it that way! There are so many kids playing and riding bikes over there. We should encourage that not take it away."
Kathi Lund	Hartland WI	2020-06-01	"I live in Chestn"

Melissa Olson	Oconomowoc, WI	2020-06-08	"My parents live there. What makes these board members think high school kids who can't even stop at a stop sign will obey the speed and be courteous to those living there. Bad idea! Some of these kids have zero respect."
Shawn Motley	Waukesha, WI	2020-06-09	"My parents live on Willow and that street was not designed to handle that kind of traffic. Peoe already go too fast through there."
