- b. Any events for 2021 update-**

Van de Ven said there is not much scheduled for 2021 due to COVID-19. Yogerst said Romagna is still doing his hikes and that she spoke with the Library director Gest about showing a movie in the fall in the park following a hike and then end up at the Beer Garden. She will keep the IATC posted on the development of that possible event. Muenzenberger commented that Kiwanis will be doing a river run event and possibly a duck race on May 1<sup>st</sup>. He said they are looking expanding it with the BID and possibly do a hike. Romagna offered to lead a hike on that day. There was discussion on the starting and ending point of the hike plus the possible start time. Discussion on putting kayak ramps along Bark River for the Bark River Bash.

Callies said she is holding off on wee walker event until fall. Georgson said IAT is looking for volunteers to do the concessions at the Fright Hike at Lapham peak but feels there won't be a lot of takers for that.

- c. Status and plan for trail clearing in 2021-**

Muenzenberger said in conjunction with spring event there are still some trees and etc. that need attention. He said Kiwanis will do another cleanup on April 17 and will get a crew again. He said it can be spread out.

He said there are some areas near Hartland North ball field and Fire Dept that they have not done yet.

- d. Scavenger Hunt, potential outing with possible trivia-**

Muenzenberger said he thought this was everyday hikers not specifically an event. This will be kept on the agenda for a later time.

**e. Potential for Penbrook loop addition to trail-**

Muenzenberger said this is under the Eco's committee. He said a lot of the areas that they are talking about are areas that no other committees claim. This includes the 2 little ponds and the whole corridor that extends and wraps around the maple condos. He said they are looking at clearing buckthorn and there will be an additional mile or mile and half of trail. He said it will give more open space and routes that people can go to.

**f. Vacancy or addition to the IATC board-**
