

PARK AND RECREATION BOARD AGENDA
MONDAY MAY 3, 2021
7:00 PM
BOARD ROOM, MUNICIPAL BUILDING, 210 COTTONWOOD AVENUE

Call to Order

Public comments for those items not included on this agenda: (Please be advised the Park and Recreation Board will receive information from the public for a three-minute time period per person with time extensions per the Park and Recreation Chairperson's discretion. Be it further advised that there may be limited discussion on the information received, however, no action will be taken under public comments.)

1. Consideration of a motion to appoint a Park and Recreation Board Chairman for the upcoming year – duties involve running Park and Recreation Board meetings and being a member of the Jt. Architectural Board/Plan Commission.
2. Consideration of a motion to approve the Park and Recreation minutes of the April 5, 2021 Park Board meeting.

Public Works-

3. Discussion and possible consideration of agreement with Endter's for operating Beer Garden at Nixon Park.

Recreation Director-

4. Discussion and possible consideration on Parks Food Truck Policy.
5. Update on possible future Ice rink.
6. Discussion and possible consideration of Business banners at the Ice Rink to offset the cost.

Other items for consideration

7. Announcements: It is not contemplated that these matters will be discussed or acted upon and may include items for future consideration. The following individuals may provide announcements: Park and Recreation Board members or other Village Staff members.
8. Adjourn
Deidre Bushéy
Deputy Clerk

Notice: Please note that upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information or to request this service, contact Darlene Igl, Village Clerk, at (262)367-2714. The Municipal Building is handicap accessible.

Individuals attending public meetings will be required to maintain appropriate social distancing, (i.e., maintain a 6-foot distance) and be free of symptoms related to COVID-19.

PARK AND RECREATION BOARD MINUTES
MONDAY, APRIL 5, 2021
7:00 PM
BOARD ROOM, MUNICIPAL BUILDING, 210 COTTONWOOD AVENUE

Present: Tim Hallquist, Curt Gundrum, Nick Miller, Rick Conner, Randy Ferrell, Shaunta' de Boer and Craig Eisenhut.

Others: Dave Felkner, Kelli Yogerst, Jim Muenzenberger, Amber Ferree and Darryl Carlson.

7:00 PM Call to Order

Public comments for those items not included on this agenda: (Please be advised the Park and Recreation Board will receive information from the public for a three-minute time period per person with time extensions per the Park and Recreation Chairperson's discretion. Be it further advised that there may be limited discussion on the information received, however, no action will be taken under public comments.)

Muenzenberger spoke on behalf of the IATC regarding a kayak/canoe boat launch. He said all the work that has been done on the river originated from the IATC as a goal to clean up the river and make it passable by watercraft. He said now that has been done, they are looking at possible boat launches. It was talked about in the ECOS committee, and he is here just to give some information. He said Yogerst & Georgson and himself marked 2 possible spots at Centennial Park and both have advantages to water ways. He said they will work with staff to get it figured out. Muenzenberger said Rhode thought that IATC should work on it since it originated there but there is some crossover there.

He stated Nixon will be more challenging due to banks being higher. He said they marked 1 place upstream and 1 place near the pedestrian bridge. Connor asked Muenzenberger to expand a little bit on what they wanted for a launch. He said they could be made out of wood or have shoots as well as a zero stop launch. He mentioned some contouring may need to be done on the banks.

Muenzenberger mentioned the Bark River Bash is having a kayak launch and he is looking for feedback from users on where to put the launch in. He is also looking for something permanent. The question was asked if the DNR is involved at all and Muenzenberger said he thinks it depends on how much you modify the banks, and they are hoping it will be minimal. Yogerst said they reached out to the DNR. They got a checklist and there are certain things that pertain to that. Muenzenberger said he thinks the DNR is more focused on powerboats.

1. Consideration of a motion to approve the Park and Recreation minutes of March 1, 2021.

Motion (Conner/Gundrum) to approve the Park and Recreation minutes of March 1, 2021 minutes with the correction of spelling of names. Carried (7-0).

Public Works Items

2. Discussion on a possible future Penbrook Trail, Jim Muenzenberger.

Felkner gave a brief review of the possible future trail. He said the map is the findings of the result of walking and surveying it. Muenzenberger pointed out that this has not been approved from the ECOS

committee. It will be determined at the ECOS meeting tomorrow evening if it will be 1 or 2 phases. The white path that goes thru there is the existing off-road path from Penbrook Park to Maple Avenue. He said the original thought was to make it a 2-phase project with completing the south side first then the north side. Felkner said they are looking at running a machine that will cut an 8-10 path thru there and then they will use the excess wood chips they have to chipping and brushing on the path to control the growth of vegetation.

Muenzenberger gave a brief overview of the paths: the red path on the map is an existing animal path and is chipped thru already. The blue path on the map is part pedestrian and part deer path. He said they are looking at doing a low-level path as well. Hallquist liked this idea. Hallquist asked what the timeframe and Muenzenberger said it is to be determined based on factors like manpower and budget. de Boer thought it is a great idea. No action taken.

Recreation Director-

3. Discussion and possible consideration for use of the Fine Arts Center for a Baby Shower with Taco Cart June 26th, 2021, Amber Ferree.

Amber Ferree was present and explained the use is for a baby shower of about 100 people and they would like to have a taco cart for the catering. She said they would bring beer. She said she was informed that the beer garden is going on that weekend.

Motion (Miller/Ferrell) to approve the use of the Fine Arts Center for a Baby Shower with a taco cart on June 26th, 2021. Carried (7-0).

4. Discussion and possible consideration for use of Fine Arts Center & shelter #4 for event, No Better Friend Corp, Darryl Carlson.

Darryl Carlson said he is the executive director of the non-profit organization No Better Friend that is based out of Waukesha. He would like to use the Fine Arts Center for the event. He said it is a Veteran oriented event and he would like to hold it on July 16 from 4-8pm but the time has not been finalized. He said they have invited other Veteran groups. They will also have bouncy houses for families and kids. He is finalizing things with the Lake Country Beer Garden and thinking of having a band. Felkner said they will call Diggers Hotline for the bouncy houses. It was stated port-a-potties will not be needed.

Motion (Connor/de Boer) to approve the use of the Fine Arts Center & shelter #4 for No Better Friend event on July 16, 2021. Carried (7-0).

5. Discussion on update on stocking of Nixon Park Pond-

Yogerst stated the pond would be stocked with trout.

6. Discussion on possible Ice Rink-

Yogerst said everyone had her memo in the packet. She said she had reached out to Delafield and Sussex to get some information. She said in the packet is a comparison of Delafield and Sussex, the cost for Delafield was \$10,000 and Sussex was \$4500. She said the comparison is different because it looks as though they have different packages which included different things and the Village of Sussex may have gotten a smaller package. She said the City of Delafield may have gotten a more expensive liner because they only replace it every 4 years where the Village of Sussex replaces it annually because they kept getting holes. She went on to say different sizes are available and the City of Delafield said it takes about 2 hours to make it. She said both ice rinks are on grass and dirt. She went over the costs and an example she gave was a 52 ft x 100 that would be approximately \$6000.

Dave Felkner asked about the wooden sides that hold up the liner. He said they could put it on the grass under the lights that are currently hanging up. Hallquist said if it were in the grass that would give it a couple months to reseed the grass for the Beer Garden. Yogerst said Sussex said they do not have any problem with the grass.

For bathrooms, Port-a-Potties could be utilized since the water is shut off to the bathrooms in the winter. The warming shed does not have any heat but could be used to get out of the wind etc. Hallquist said he thinks it is doable and they could do 1 step at a time. Felkner asked if they went with the 52 ft x 100 ft, where would the \$6000 come from. Hallquist said it could be put in the budget. Brief discussion on how to raise funds to offset the cost and it was suggested to reach out to the Rotary or/and Kiwanis. Brief discussion on if an employee would be needed to monitor the ice rink and it was suggested the lights could be put on a timer. Felkner will check on insurance and check with Police Chief on possible hours.

7. Discussion and possible consideration on fees for non-profit groups-

Hallquist was advised by a higher up authority of the Village that the Park Board is an advisory board and the Village Board has the ultimate decision. It was stated if a non-profit asks to waive the fees, then it will go to the Village Board.

Motion (Hallquist/Gundrum) to not waive any fees that come to this Board. Carried (7-0).

8. Announcements: It is not completed that these matters will be discussed or acted upon and may include items for future consideration. The following individuals may provide announcements: Park and Recreation Board members or other Village Staff members.

All the bulletin boards in the parks need to be updated.
T-Ball has 157 signed up.

9. Adjourn-

Motion (Gundrum/Conner) to adjourn. Carried (7-0). Meeting adjourned at 7:53 pm.

Respectfully submitted By Recording Secretary,

Deidre Bushey- Deputy Clerk

Committee: Park & Rec	Date: 4-28-2021
Village Board Item Number:	Date: 5-3-2021
Submitted By: Tim Rhode, Village Administrator	
Subject: Discussion and possible consideration of agreement with Endter's for operating Beer Garden at Nixon Park.	

Details: The Village has enjoyed a long relationship with Endters Sports Grill for the operation of the Nixon Park Beer Garden. The current Agreement was signed in 2018 for four years, which would end in the fall of 2021. Village Staff meet with Pat Endter over the winter to discuss a new four-year agreement. The Agreement is attached, which has the changes highlighted in red from the prior Agreement. The two significant changes to the Agreement are the cost for the rental, which is up to \$10/weekend per year, and the additional language for the new ice skating rink.

Sidenote: The Village had an additional beer garden agreement with Melmes for Hartbrook park for the summer of 2020, however, the ownership group at Melmes is not interested in an agreement for 2021.

Financial Remarks: The Agreement calls for payment of \$530/week to allow Endters Sports Bar to operate a beer garden in Nixon Park.

Options & Alternatives: The Park and Recreation Committee could approve, deny, or adjust the language before forwarding it to the Village Board for final action.

Executive Recommendation: Village Staff requests that the Park and Rec Committee reviews the Agreement and considers approving the Agreement, which helps provide long-term stability to the Nixon Park Beer Garden into the future.

Village of Hartland
Agreement Related to the Operation of a Beer Garden at Nixon Park

Whereas, the Village of Hartland (hereinafter “Village”) owns, maintains and operates Nixon Park and all of its various areas and facilities including the Fine Arts Center and the Concession Stand, and

Whereas, the Village and the Village of Hartland Park Board have reviewed a proposal and desire to allow the establishment of a beer garden at Nixon Park, the operation of which is described herein, and

Whereas, Patrick Endter, owner and operator of Endter’s Sports Grill (hereinafter “Endter”), will be the operator of the beer garden in accordance with this Agreement, and

Whereas, Wisconsin State Statute has given communities the responsibility and authority to designate Concessionaire(s) to operate at their facility and to serve beer.

NOW THEREFORE, THE VILLAGE AND ENDTER AGREE AS FOLLOWS.

1. Term – The initial term of this agreement shall commence on the execution of the agreement by both parties and will terminate upon completion of the obligations contained herein but not later than December 31, 2024. This agreement shall be automatically extended for three (3) additional terms as described herein in paragraph 4 unless the Village or Endter terminates the agreement by written notice delivered on or before January 31 of the successive years.
2. Endter is authorized to operate a Beer Garden as described herein on all Thursdays through Sundays from May 1, 2021 through September 26, 2021. The hours of the beer garden shall be not more than 4:00pm until 9:00pm on Thursdays and Fridays and from 12:00pm (noon) until 9:00pm on Saturdays and Sundays. These hours/dates may be extended during specific events or activities in the park with prior approval of the Park Board or the Village Administrator.
3. Usage Fee – In exchange for the use of the facilities and implementation of this agreement, Endter shall pay to the Village five hundred dollars (\$530) per week. Usage Fee shall be paid weekly on or before each Wednesday for the previous week.
4. Term Extensions – Except as otherwise terminated, this agreement shall automatically extend on an annual basis for up to three (3) additional years at the following terms and conditions:
 - a. Beer Garden operation May 1, 2022 to September 25, 2022. Usage Fee: \$540 per week
 - b. Beer Garden operation May 1, 2023 to October 1, 2023. Usage Fee \$550 per week
 - c. Beer Garden operation May 1, 2024 to September 29, 2024. Usage Fee \$560 per week
5. Location
 - a. Sales and storage related to the beer garden will occur from the Fine Arts Center Concession Stand and Endter will be allowed to modify the interior of the Concession Stand and will be allowed to construct and store in the Concession Stand a service counter to facilitate the operation. Any and all improvements or modifications to the interior of the Concession Stand shall be approved in advance by the Village Administrator or his designee. Upon termination of this Agreement and if no successor agreement is anticipated, Endter may be required to remove

- any equipment installed for the beer garden operation and shall restore the Concession Stand to original or better condition.
- b. Storage of beer may be allowed in a cooler provided by Endter in a location approved by the Village Administrator within the Fine Arts Center.
 - c. Consumption of food and beverages sold at the beer garden may occur at any location within or without the park with the exception of alcoholic beverages, which must be consumed in the park.
 - d. Garden Area – the grassy area generally south of the Fine Arts Center, north of the warming shed structure and between the parking lot and the pond will be authorized for a concentration of tables and the installation of suspended festoon lighting to create a beer garden area for the patrons. Installation of festoon lighting, including installation of the center support pole and height shall be approved in advance by the Village Administrator or his designee.
 - e. If/when the Village implements an ice skating option at Nixon Park, Endters reserves the ability to have first right of refusal for concessions/beer garden options with the Village.
6. Products and Licenses – Endter is authorized to sell beer, wine, soda and other non-alcoholic beverages, brats, hot dogs, popcorn, pretzels and other similar foods. Further, Endter is authorized to engage live musical acts of a nature appropriate for the setting and for background or atmosphere. Endter shall seek and receive all appropriate licenses including proper restaurant and food service licenses from Waukesha County and a Class “B” Retailer’s License for Fermented Malt Beverages, a “Class C” Retailer’s License for Wine and a Cabaret License from the Village of Hartland.
7. Other Provisions.
- a. On all days the beer garden is in operation, Endter shall:
 - i. Provide daily cleaning and restocking of the bathroom facilities in the Fine Arts Center
 - ii. Provide daily inspection and cleaning of the area of Nixon Park west of the driveway entrance from East Park Avenue and shall remove any trash found
 - iii. Empty all refuse and recycling containers in Nixon Park daily and deposit same into the appropriate disposal containers provided by the Village. If additional refuse and recycling containers are needed in Nixon Park, the purchase of such containers shall be coordinated with the Public Works Director at Endter’s cost.
 - b. Endter shall be responsible for the installation and all maintenance related to any equipment installed for the purpose of operation of the beer garden including coolers, counters, entry arch and festoon lighting and removal of same within 30 days of the last day of operation.
 - c. Endter will pay the materials costs associated with construction of any additional tables needed to be built by the Department of Public Works to stock the aforementioned Garden Area with an agreed upon number of tables.
 - d. Endter may be specifically authorized to undertake additional improvements to the Fine Arts Center facility, the structure on the Nixon Park property commonly referred to as the Warming Shed or to the area utilized for the Beer Garden operation upon approval of the Park Board, Planning Commission/Architectural Board (as necessary) and the Village Board. Such improvements will be at Endter’s sole expense except as otherwise agreed upon.
 - e. Within 30 days of the last day of operation, Endter shall seed and restore any grassed areas damaged by the operation.

- f. Endter's agrees not to place any advertising, names or logos on the Village property without prior written approval from the Village Park and Recreation Board and Village Board.
- 8. Village will provide standard electric, water and sewer utility service to the Fine Arts Center and Warming Shed. Excess costs for those services directly attributed to operation of the beer garden may be charged to Endter.
- 9. Village provides refuse disposal services in connection with the operation of Nixon Park. To the extent these services are adequate to serve the needs of the beer garden, the Village will provide this service at no cost to Endter. Additional refuse disposal costs will be at Endter's cost.
- 10. Endter shall provide mowing and grass maintenance services in the area utilized for the Beer Garden at his sole expense and in coordination with the Director of Public Works or his designee. The Village accepts no liability for Endter's mowing or grass maintenance activities and reserves the right to provide mowing or maintenance to this area as the Director of Public works may deem necessary.
- 11. In connection with the use and areas and facilities to be used pursuant to this Agreement, each of the parties shall be responsible for the acts and omissions of their respective officers, employees and agents giving rise to any liability, claims, demands, legal actions or suits, fines, costs and related expenses of any kind in connection with any damage, injury or death to person or damage or injury to property.
- 12. Nothing in this Agreement shall be construed to make the agent(s) of one party the agent(s) of the other.
- 13. Nothing contained within this agreement is intended to be a waiver or estoppels of the Village or Endter or their respective insurers to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including those contained within Wisconsin Statutes 893.80, 895.475 through 895.62 and 345.05.
- 14. Endter is required to maintain, throughout the period of this Agreement, insurance with coverage as provided below:
 - a. Comprehensive General Liability Insurance in an amount of at least \$1,000,000. The policy must include the Village and its agents, officers and employees as "additional insured" along with the appropriate endorsement pages.
 - b. Workers Compensation Insurance in compliance with the laws of the State of Wisconsin.
- 15. Endter shall indemnify, defend and hold harmless the Village of Hartland and its elected officials, board members and employees from and against any and all claims, costs, expenses, losses, damages, demands, actions or causes of action which may be asserted against or incurred by Village as a result of Endter's operation of the beer garden in Nixon Park.

Village of Hartland Parks Food Truck Policy

Policy Statement

Mobile food facilities (MFF) are allowed in the Village of Hartland parks only with an approved park use form IE: Fine arts center, Park shelter etc. and approval of the Village Park board prior to the event or park use. Mobile food facilities include, but are not limited to trucks, trailers, carts, bicycles and may include auxiliary equipment such as portable fryers, stoves and grills that are located adjacent to the MFF during operation.

Requirements

MFFs must have prior approval from the Village Park board.

All MFFs operating in the Village of Hartland shall comply with Chapter 9 of the Wisconsin Food Code, entitled "Mobile Food Establishments" as adopted in ATCP § 75.112.

All MFFs shall have a valid mobile retail food facility license issued by Waukesha County or a valid equivalent license issued by a Wisconsin municipality or county. The location of the MFF must be approved in advance by the Village Department of Public Works.

MFFs may not manufacture, distribute, dispense, possess, use or sell alcoholic beverages.

MFFs must provide proof of a comprehensive liability insurance policy –in an amount not less than \$1 million, and must also provide proof of vehicle insurance and worker's compensation insurance in a form acceptable to the Village of Hartland. Proof of insurance must be provided at the time of application to the Park Board.

All MFFs must be totally self-contained, no electricity will be provided.

MFFs are responsible for disposing of all trash and litter prior to leaving the park.

Only 2 MFFs will be allowed in a park at a time. The Park Board must approve any requests for MFFs in excess of this requirement.

Park bathrooms will only be open during normal park hours.

Village staff will approve the MFF parking location in advance of the.

The Village of Hartland will impose a fee of \$\$\$\$\$\$ for each application made by an MFF to use the park.

Gentlemen

Attached is the information in regards to quotes and what comes with the packages.
I did two rink sizes with two different packages for each rink size.

Rink 1 & Rink 2 = same size 52x104. This size is already listed on the website.
Only difference is the packages and liners.
Rink one has the cheapest liner and package.
Rink two has the most expensive liner and package.

Rink 3 & 4 = same size as each other, but the size is custom, 52 x 100 Only difference between Rink 3 & 4
is the liner and package.
Rink 3 cheapest liner and package.
Rink 4 most expensive liner and package

Also included in the attachment is what comes with the packages and more information on the liners.
You will see the NiceRink III liner is ideal for Parks and Recreation.

Let me know if there is anything else you will need.

www.nicerink.com is the website if you want to check it out yourself.

- Excellent for backyard rinks
- Engineered THREE LAYERED liner for a LOW COST (3 layered Tri-Extruded Technology)

A less expensive alternative to our rip-stop reinforced liners, the NRCS is a HIGH-STRENGTH, wide-width, two-sided "super-white" film. Available in widths of 32' , 40' , 50' , and 60' (80' and 100' by request) by any length. Please note: The NRCS liner is NOT recommended for severely sloped sites. Cost - 7.5 cents per sq. ft. for 32' or 40' widths; 8.5 cents per sq. ft. for 50' or 60' widths, and 10 cents per sq. ft. for 75', 80', 100' and 120' widths.

Better

NiceRink® I

- Excellent for backyard rinks
- 6 mil 4 layered, reinforced ripstop

NiceRink® I is the baby brother to our NiceRink® III material -- just a bit thinner to cut cost and weight for less demanding requirements. NiceRink® I still offers the -70°F cold crack along with the ripstop reinforcements to prevent further tearing or zippering to help keep cuts and holes to a minimum. Available in widths of 20', 30', 35', 40', 50', 60', and 72' stock by any length. (Wider widths available starting at 78' and 6' increments thereafter upon request.) Cost - 13.5 cents per sq. ft.

Best

NiceRink® III

- Recommended for Parks & Recreation
- 10 mil 4 layered, reinforced ripstop

NiceRink® III is our ultimate ice rink liner material, made of 10mm, four-layered, reinforced ripstop with excellent puncture resistance, in conjunction with a -70F cold crack. Reinforcing filaments within the body of the material prevent further tearing or "zippering," which means any cut that occurs will remain small (and require less patching in the summer). A major advantage of the NiceRink® reinforced materials over "woven tarps" is that they won't get wind-whip damage, which means you won't end up using a sieve for a liner after one year. Available in most 6-foot increments starting at 24' wide up to whatever you can handle, and lengths in 5' increments starting at 50'. Cost - 19 cents per sq. ft.

PACKAGES

The Essentials Package

Compare and \$AVE

- NiceRink Liner sized for your rink.
- NiceRink Brackets
- NiceRink Boards
- (5) NiceRink Hockey Pucks
