

Heartland POLICE

"Oath of Honor Agency"

DEPARTMENT COPY

Serving With: *Pride, Integrity & Ethics*

ANNUAL REPORT

2012

To the Village of Hartland

The Hartland Police Department proudly presents the 2012 ANNUAL REPORT published for our agency. This report provides an overview of our activity for the year and serves as a source of information for the community.

Your police department consists of 16 sworn law enforcement professionals that provide 24 hour-a-day coverage to the Village of Hartland. We also have mutual aid agreements with the surrounding police agencies and the Waukesha County Sheriff's Department for additional assistance when necessary.

In 2012, our department accomplished several goals. First, the department promoted Stacy Kelsey to Lieutenant. Stacy becomes the first female employee of the department to be promoted to a command rank. In 2012 and 2013, Stacy will have completed a Law Enforcement Executive Development Program. Second, the department upgraded our dictation system to voice recognition software for report processing and also upgraded a video recording system utilized for interviews. Third, the majority of the police garage addition to the Municipal Building was completed in 2012 and is slated to be finished in January of 2013. At the request of the Village President, a memorial plaque will be attached to the facility to honor retired Chief Morton A. Hetznecker. A dedication ceremony will be accomplished in January of 2013. In addition, some internal remodeling and upgrades were done to the office space of the department.

The Village of Hartland did receive a positive national ranking for being the #1 safest community in the country. However, after pointing out a data flaw to the ranking organization, this changed the outcome. But we still ranked in the 94th percentile, meaning the Village is safer than 94% of all communities nationwide.

Our primary purpose is to place all available resources provided to our organization toward public safety and quality of life for the Village of Hartland. Each of our members approaches their responsibilities with professionalism, and they serve the public with pride, integrity and ethics. I am very proud to be associated with this fine group and I respect each one of them for their commitment. Every sworn member of the department has taken the Oath of Honor pledge and the department has been recognized as a "Law Enforcement Oath of Honor Agency".

The Hartland Police Department is committed to keeping our community a great place and a leader in Waukesha County. This will be accomplished by providing quality police services, addressing all issues that affect public order, and to anticipate problems so as to reduce or eliminate them. We try to build advocates on Every Call, with Every Citizen, on Every Contact.

I encourage all Village residents to contact our department if they have any questions or concerns about our community. Please check our website @ www.villageofhartland.com for more department information. We all need to work together to keep this community

#1

Respectfully,

Robert J. Rosch

Chief of Police

COOPERATIVE EFFORTS:

TRAINING-The police departments from Chenequa, Delafield, Hartland, Lannon and Pewaukee conduct firearms and defensive tactics training for all the officers. Each agency provides officers as trainers in either firearms or defensive tactics. This cooperation allows each agency to provide the necessary staffing for the service to their communities, plus the required training necessary in these highly critical and skillful areas of police training. This effort also allows for the sharing of training equipment and instructors, without the need for duplication.

CRITICAL INCIDENT TEAM (C.I.T.)-This team of selected officers from the Brookfield, Chenequa, Delafield, Hartland and Pewaukee (Village) Police Departments are trained to handle highly critical calls, such as barricaded persons, negotiations, serving high risk search warrants, or conducting stakeouts. This is a significant mutual aid agreement, and the team serves as a back-up to other similar teams in the county, such as the Waukesha County Sheriff's Department. Again, the sharing of expertise and equipment make these types of joint efforts cost-effective and provides an excellent service to the communities. The department is the fiscal agent for the team. In 2013, this team is slated to be expanded with multiple other communities joining.

MAJOR INVESTIGATIONS UNIT (M.I.U.)-This team of selected officers from Chenequa, Delafield, Hartland, Lannon and Pewaukee Police Departments are trained and prepared to investigate all major crimes and traffic collisions that may occur in any of these communities. This is a significant mutual aid agreement that allocates the necessary resources to investigate these major incidents, yet also allows each community to maintain police coverage for other types of activities. The sharing of expertise and equipment makes this team cost-effective and provides a professional quality for investigative efforts. In addition, the team has a liaison with the Waukesha County Sheriff's Department for investigative purposes. The department is the fiscal agent for the team.

UNDERAGE ALCOHOL OFFENSE EFFORTS-In addition to the normal patrol activities of enforcing underage alcohol offenses, the department participates in a joint effort with the Waukesha County Sheriff's Department to conduct stings of licensed premises such as taverns, gas stations, and grocery stores to insure ID checks are being done and alcohol is not being sold to underage persons.

SUBURBAN MUTUAL ASSISTANCE RESPONSE TEAM (S.M.A.R.T.)-This is a cooperative effort between law enforcement agencies in Waukesha County and Milwaukee County that allows for mutual aid during a significant event. Within 30 minutes, a community that is a member of S.M.A.R.T. can have up to 40 law enforcement officers respond to the community to help in the case of a significant emergency or disaster. The Hartland Chief of Police serves as the President of S.M.A.R.T. The team was tested significantly in 2012 due to several major events that occurred in Oak Creek and Brookfield (Mass shooting events).

WAUKESHA COUNTY COMMUNICATIONS (WCC)-The Village of Hartland (Police, Fire, EMS, Public Works, Administration) is a committed partner to the Waukesha County Communications Center. This central county-wide dispatch center enhances communications among all participating communities and agencies in Waukesha County. In addition, a shared records management system helps coordinate information and provides access to all agencies. The Hartland Chief of Police chairs the Police Protocols Committee and C-Chairs the Dispatch Operations Commission.

LAKE COUNTRY MUNICIPAL COURT-The Village of Hartland is a founding member of this municipal court, which was established in 1988. This court is located in the City of Oconomowoc and serves 17 communities. The court is 100% funded by user fees and no tax dollars. This court serves as a very efficient and fair way of dealing with municipal traffic and ordinance violations. The Hartland Chief of Police serves on the Operations Committee and the Administrative Committee.

FBI CYBERCRIME TASKFORCE-The department has an officer assigned to this taskforce as an investigator on a part-time basis. Because of the significant use of technology and computers, criminal activities are on the rise and the demand for service mandates having the ability to investigate cyber-crime. As a member of the taskforce, the department also has virtually unlimited access to any FBI resource, which helps with not only computer crimes, but with other criminal activities the department may investigate.

WAUKESHA COUNTY METRO DRUG UNIT-The department has an officer assigned to this unit as an investigator on a part-time basis. Illegal drug activity in the Lake Country area is a never ending problem, and the Hartland area is no exception. The department has taken several steps to address the concerns and demands for action. First, the patrol staff has received specific drug identification training that will benefit their efforts during traffic enforcement activities and while handling other calls for service. Second, one staff member is a federally certified Drug Recognition Expert (DRE) and this gives the department the ability to deal not only with drunk drivers, but also drugged drivers. Third, by being a member of the Metro Drug Unit, the department has full access to all the resources that are provided by Waukesha County for drug enforcement activities, as well as federal resources. The assigned officer works the Lake Country area of Waukesha County, and possible asset forfeiture funds may become available. These funds can be used to provide necessary police department equipment.

COMMUNITY RELATIONS PROGRAMS AND SERVICES:

CRIMESTOPPERS-This program provides a reward system to citizens that report information about criminal activities. If a citizen has information about a crime, they can report that information anonymously, yet still receive some monetary compensation.

SAFE SCHOOLS PROGRAM-This is a cooperative effort between all the schools in the Village of Hartland and the police department. On school days, a dayteam officer will make personal visits to each school and do a walk through, as well as meet with staff and students as needed. This is a positive program, as it allows more interaction between the children and the officers, along with addressing issues at the school and being an available resource for school staff. In addition, a specifically assigned officer is a liaison with all the schools to provide assistance as needed.

SCHOOL SPECIALTY PROGRAMS-These types of programs are custom designed for the schools, as well as other student orientated groups. Because our staff has various interests and backgrounds, we are able to customize a learning program based upon any school age group. Past programs include: department tours, drug and alcohol awareness to students, computer crime seminars to students and parents, law and consequence training to Arrowhead High School students, chaperone middle school dances, job shadowing for high school students, and other specialized training. These programs are very popular among the students and schools, and provide a showcase for our staff to talk about their experiences and training.

HIGH SCHOOL INITIATIVE-Each school day that Arrowhead High School and Lake Country Lutheran High School are in session, officers are assigned to monitor these areas for traffic and student safety reasons during the morning and afternoon busy times. The need to provide this service is based upon a high volume of vehicles and/or pedestrians that may be present in these school zones, and to reduce or eliminate the neighborhood concerns about unsafe driving or other complaints related to the high school or students. The message sent is: Drive Carefully and Behave Yourself.

COMPUTERIZED VEHICLE REGISTRATION-The department is an authorized agent for the Wisconsin Department of Motor Vehicles and can provide registration and renewal services to the community. This service is convenient and cost effective for the community.

PARENTS. THE ANTI-DRUG-The department website maintains a link to this program website for parents to utilize. This is a nationwide informational website that allows parents to obtain information, ask an expert, or research specific topics related to drugs.

OWNERSHIP ZONES-The department has established Ownership Zones that specific officers are assigned to. These officers take "Ownership" of specific areas to consistently address quality of life issues and will work closely with the building inspector in these efforts. One of the specific Ownership Zones deals exclusively with all the registered Sex Offenders that reside or work in the Village of Hartland.

FAMILY WATCHDOG-The department website maintains a link to this program website. Family Watchdog was launched as a tool to aggregate sex offender information from all states and distribute to the community using an easy-to-use mapping interface. Family Watchdog's goal is to eliminate the scourge of child molestation as an epidemic in one generation. The mission is to build awareness of nearby threats by providing accessible and accurate sex offender information. The department website also maintains a link to the Wisconsin Department of Corrections Sex Offender Registry, and does monitor all registered sex offenders that reside within the Village of Hartland.

NETSMARTZ WORKSHOP-The department website maintains a link to this program website. The NetSmartz Workshop is an interactive, educational safety resource from the National Center for Missing & Exploited Children and the Boys & Girls Clubs of America for children ages 5-17, parents, guardians, educators and law enforcement that uses age-appropriate, 3-D activities to teach children how to stay safe on the internet.

COMMUNITY NOTIFICATIONS-The department is a member of a nation-wide notification network, which is basically a "Reverse 911" system. In the event an emergency message needs to be sent out to a targeted area of the community, we would utilize the services of this network.

WISCONSIN COURT ACCESS SYSTEM-The department website maintains a link to this program website. The website provides access to certain public records of the circuit courts of Wisconsin. This is a good resource to do basic background checks on a person.

WISCONSIN DRIVER LICENSE STATUS CHECK-The department website maintains a link to this Wisconsin Department of Transportation website program. A citizen can immediately check the status of any drivers' license, provided they have access to the required information that the program requires.

QUALITY OF A LOCAL POLICE AGENCY

The quality of police services to a community can vary depending on the loyalty of the employees in the police department, their morale and their ownership of the community. These employees come to work day in and day out to provide a service to the citizens and carry with them the local knowledge of people, places, or historical events that help to divert, reduce, or eliminate inappropriate behavior and address quality of life matters. This local knowledge is more beneficial than any record management system could record and is more enhanced by local employees.

In 2012, the current police officer staff has a combined 221 years of experience with the Village of Hartland, ranging from 1 year to 29 years of service, the average being 13 years of service per officer.

The Service Quality that a local police agency can provide is based upon dimensions such as:

Tangibles-Appearance of physical facilities, equipment, personnel, and printed or visual information the department provides.

Reliability-Ability to perform all services dependably and accurately.

Responsiveness-Willingness to help citizens by providing prompt services.

Competence-Possession of the required skills and knowledge to perform their duties.

Courtesy-Politeness, respect, consideration, and professionalism of all personnel.

Credibility-Trustworthiness, believability, and honesty of the staff.

Security-Freedom from danger, risk, or doubt.

Access-Approachability to services of the agency.

Communication-Listening to citizens, acknowledging their concerns, following up on the concerns and communicating the results.

Understanding the Citizen-Making an effort to know the citizens and their needs.

Every Call, Every Citizen, Every Contact-Making an effort to build an advocate for the community with every police contact with a citizen.

The Hartland Police Department averages 11500 citizen contacts (Calls for Service) each year and the vast majority of these interactions between the police department and the citizens go without a problem.

On occasion, a citizen may make a complaint to the department about an interaction with a staff member (average 6 operation complaints each year), but the majority of these complaints are found to be unfounded, exonerated, or not-sustained. An average of 1 complaint each year is sustained and corrective action is taken. (ZERO complaints in 2012).

On the other hand, a citizen may also take the opportunity to commend the department or individual staff members for their professionalism and assistance during a citizen contact. The department averages 22 operation compliments each year. These citizens are not obligated to take the time to recognize the good efforts of our staff, but they do and it is a great reflection on the quality of employees that work for Hartland. Based upon these numbers, for every 1 sustained complaint, the department receives 22 compliments for the Service Quality.

I have had the honor of being connected with the Hartland community since childhood, growing up here and then serving the community for the past 29 years. The ownership of this community is in me and is instilled in the employees that work for the Hartland Police Department. Thank you for your continual support of the police department, our staff shows their appreciation by providing a high quality of service to the citizens.

Hartland

POLICE DEPARTMENT

VISION:

We are committed to working together with the community, in a problem-solving partnership, to prevent crime, enforce laws, and resolve conflict, thereby improving the quality of life.

MISSION:

The mission of the Hartland Police Department is to maintain peace and order in the community. We seek to accomplish this mission in a consistent manner, exhibiting high ethical standards. Our members are committed to a level of training and education that allows us to provide quality services to the citizens of Hartland.

POLICE DEPARTMENT

This report provides information about **Operation Complaints** against department procedures and/or personnel. The department takes all complaints seriously and each one is fully investigated to a reasonable conclusion. This report also documents **Operation Compliments** that are received from citizens, other agencies, businesses, schools, and other officers or supervisors, who wish to compliment a staff member or the department as a whole for a positive interaction.

Total Complaints for 2012: 0

Complaint Dispositions:

Sustained	0
Not-Sustained	0
Exonerated	0
Unfounded	0
Policy Failure	0

Definitions

Sustained: Evidence sufficient to prove allegation.

Not-Sustained: Insufficient evidence to either prove or disprove allegation.

Exonerated: Incident occurred but was lawful and proper.

Unfounded: Allegation is false or not factual.

Policy Failure: Flaw in policy caused incident.

Wisconsin state law mandates that law enforcement agencies have a policy on citizen complaints and we accomplish this requirement through Policy 3.2

Total Compliments for 2012: 29

The department received 29 operation compliments for 12 different employees and 5 department wide compliments. The types of compliments included: Traffic stop contact professionalism, assisting with vehicle lockouts, school presentations, medical assistance calls, family problems, assists to businesses, investigations, traffic accidents, assisting the fire department, assisting other departments and national ranking for safe community.

Your Police Department staff works very hard to build advocates in the community on every call, with every citizen and every contact.
