

**ENVIRONMENTAL CORRIDOR AND OPEN SPACE  
COMMITTEE MINUTES  
Thursday, November 17,2022  
3:30 PM  
Village Board Room**

Roll Call: Present were Dave Van Thiel, Chip Schneeberger, Jim Muenzenberger, Tom Jenson; Visitor: Tim Hallquist and Eric Struck

1. Linda volunteered to act a secretary.
2. The meeting minutes for October 20 were approved.
3. The village Board had no concerns regarding the committee's 2023 budget request for the \$8,000. The committee discussed the desire to set up the Friend's group. Tom is going to check on insurance coverage for scouts and high school students when they are volunteering to assist with path maintenance. The committee also wondered if this is something Sarah Rennekamp could advertise. Tim offered to see if Sarah was in and she came down to meet the committee. The current rec mailing was being printing but she could assist with advertising in the next recreational mailing.
4. Leo and Dave went to Bielbel's and purchased \$620 in tools, including loppers, folding saws, and pruning shears for the Friends group. A motion was made and passed for Dave to spend the balance of the budget on additional tools.
5. There will be no meeting on December 15.
6. The meeting adjourned at 4:30.
