
HOURS OPEN POLICY

Library hours shall be determined by the Library Board to meet the needs of the community.

The library shall be closed on those holidays declared by the Village of Hartland Employee Handbook.

Should conditions warrant (i.e. power outage, inclement weather, etc.), the library may be closed at the discretion of the Director. The Director will inform the Library Board President and the Village of Hartland administration if such a closing occurs.

Adopted 9/10/98
