Press Release Strategic Planning Process

11/17/23

Hartland Fire Department
150 Lawn St.
Hartland, WI 53029

The Hartland Fire Department is embarking on a strategic Planning process over the next few months. A Strategic Plan will help the Hartland Fire Department develop strategies to meet the challenges the fire department faces in terms of staffing, hiring challenges, and physical space to accommodate a growing department. The Strategic Plan process is being facilitated by 5 Bugle Training and Consulting with expected completion by the end of March 2024.

"Continuing increases in service demands is driving change and growth within the fire department. We are seeing increases in both the numbers of, and complexity of incidents," according to Chief Jambretz. We currently staff 3 full-time firefighter/paramedics that run on a 24/48 rotation along with part-time and paid-on-call personnel. In the past the department has relied on local part-time or paid-on-call employees to assist with calls, particularly fire-based calls. According to Jambretz, "The number of part-time firefighters that live in the Village has decreased causing us to rely on firefighters that live outside the Village to respond or back staff the station when a call requires engine response or additional personnel on an EMS Call."

The Village of Hartland has mutual aid agreements which provide more depth in coverage, but also places a responsibility on the Village to assist neighboring communities when they request assistance. "Mutual aid is critical to our operations, but we don't want to depend on it daily to provide adequate coverage for the Village." There are times, due to staffing availability, that we can't reciprocate to a mutual aid request from a neighboring department when they request mutual aid from us.

Village Board President Jeff Pfannerstill supports the strategic planning process. "We know that we need to do something to help the fire department meet service demands. We have strong community support for our fire department and feel that this is the best way to look at the challenges to sustain and improve services and to create a path forward. It's about being proactive instead of reactive." Pfannerstill also stated that recent funding made available by the State of Wisconsin through the Funding Assistance Program Grant will allow the Village to hire two additional full-time paramedics. "It doesn't solve the problem long-term, but it is definitely a start!" Pfannerstill said.

"We know we need additional full-time firefighter/medics to meet current and future service demands. We also are aware of the challenges the Village faces during these economic times, so we're going to seek input from Village stakeholders to come up with various strategies to accomplish this."

Interviews will be conducted with a representation of Village businesses. The fire department welcomes citizen ideas and or concerns. ANNUAL REPORT

2023

To the Village of Hartland:

The Hartland Police Department proudly presents the 2023 ANNUAL REPORT published for our agency. This report provides an overview of our activity for the year and serves as a source of information for the community.

Your police department consists of 18 sworn law enforcement professionals that provide 24 hour-a-day coverage to the Village of Hartland. In addition, 4 administrative assistants provide the support that is necessary to carry out our mission. We also have mutual aid agreements with the surrounding police agencies through the Suburban Mutual Aid Response Team (SMART) for additional assistance when necessary. We participate in cooperative teams with other municipalities to offer quality service with a fiscally responsible mindset.

Our primary purpose is to place all available resources provided to our organization toward public safety and quality of life for the Village of Hartland. Each of our members approach their responsibilities with professionalism, and they serve the public with pride, integrity, and ethics. I am very proud to be a part of this team and I respect each one of them for their commitment. Every sworn member of the department has taken the Oath of Honor pledge and the department has been recognized as a “Law Enforcement Oath of Honor Agency”.

The Hartland Police Department is committed to keeping our community a great place and a leader in Waukesha County. This will be accomplished by providing quality police services, addressing all issues that affect public order, and to anticipate problems to reduce or eliminate them. We try to build advocates on Every Call, with Every Citizen, on Every Contact.

I encourage all Village residents to contact our department if they have any questions or concerns about our community. Please check our website at www.villageofhartland.wi.gov for more department information. Our desire is to work with the citizens to solve problems and maintain a high standard for the quality of life in this community.

Respectfully,

*Torin J. Misko
Chief of Police*

COOPERATIVE EFFORTS:

TRAINING -The police departments from Butler, Chenequa, Delafield, Hartland, and Pewaukee conduct firearms and defensive and arrest tactics training for all of our officers. Each agency provides officers as trainers in either firearms or defensive and arrest tactics. This cooperation allows each agency to provide the necessary staffing for coverage to their communities while achieving the required training necessary in these highly critical and skillful areas of police training. This effort also allows for the sharing of training equipment and instructors, without the need for duplication. In addition, officers from each agency are called upon to assist each other under mutual aid and the ability to train together allows them to work together in an efficient and effective manner.

SUBURBAN CRITICAL INCIDENT TEAM (SCIT) -This team of selected officers from the Brookfield, Chenequa, Delafield, Elm Grove, Hartland, Mukwonago, Muskego, New Berlin, and Pewaukee Police Departments are trained to handle critical calls for service, such as barricaded persons, negotiations, and serving high risk search warrants. Again, the sharing of expertise and equipment make these types of joint efforts cost-effective and provide an excellent service to the communities involved in SCIT. Under a mutual aid agreement our department provides two officers as tactical operators and three crisis negotiators to this team. In addition, our department provides two officers to the newly formed Technology Resource Group where their primary function is a drone program that they operate as certified drone pilots. Officers are assigned to the team from the various departments at rates in proportion to their department size.

MAJOR INVESTIGATIONS UNIT (MIU) -This team of selected officers from the Butler, Chenequa, Delafield, Elm Grove, Hartland, Oconomowoc Lake, Pewaukee, and Summit Police Departments, as well as the Waukesha County Sheriff's Department are trained and prepared to investigate all major incidents that may occur in any of these communities. This is a mutual aid agreement that allocates the necessary resources to investigate these major incidents, yet also allows each community to maintain police coverage for other types of activities. The sharing of expertise and equipment makes this team cost-effective and provides a professional quality for investigative efforts.

SUBURBAN MUTUAL ASSISTANCE RESPONSE TEAM (SMART) -This is a cooperative effort between law enforcement agencies in Jefferson, Kenosha, Milwaukee, Racine, Walworth, and Waukesha County that allows for mutual aid during a significant event. Within 60 minutes, a community that is a member of SMART can have up to 70 law enforcement officers respond to the community to help in the case of a significant emergency or disaster.

WAUKESHA COUNTY COMMUNICATIONS (WCC) -The Village of Hartland (Police, Fire, EMS, Public Works, and Administration) is a committed partner to the Waukesha County Communications Center. This central county-wide dispatch center enhances communications among all participating communities and agencies in Waukesha County. In addition, a shared records management system helps coordinate information and provides access to all agencies.

WAUKESHA COUNTY CIVIL DISTURBANCE UNIT (CDU) - Police Departments from throughout Waukesha County and the Sheriff's Department have assigned officers to the CDU. The Village of Hartland has two police officers equipped and trained to respond to CDU call outs. Once again, the sharing of expertise and equipment makes

these types of joint efforts cost-effective and provides an excellent service to the communities involved in the CDU.

WAUKESHA COUNTY METRO DRUG UNIT - The Village of Hartland has been a member of the Metro Drug Unit since 2007. Due to staffing needs we removed our officer from the unit in 2017. We continue to support the mission of the drug unit by sharing information with them and will assist the drug unit as needed but no longer have an officer assigned to the unit.

LAKE COUNTRY MUNICIPAL COURT - The Village of Hartland is a founding member of this municipal court, which was established in 1988. This court is located in the City of Oconomowoc and serves 20 communities. The court is 100% funded by user fees and does not require any Hartland tax dollars to operate. This court serves as a very efficient and fair way of dealing with municipal traffic and ordinance violations.

COMMUNITY RELATIONS PROGRAMS AND SERVICES:

CRIMESTOPPERS - This program provides a reward system to citizens that report information about criminal activities. If a citizen has information about a crime, they can report that information anonymously, yet still may receive monetary compensation.

SAFE SCHOOLS PROGRAM - This is a cooperative effort between all the schools in the Village of Hartland and the Police Department. On school days, a day team officer will make personal visits to each school and do a walk through, as well as meet with staff and students as needed. This is a positive program, as it allows more interaction between the children and the officers, along with addressing issues at the school and being an available resource for school staff.

MEDICATION COLLECTION SITE - In order to reduce substance abuse, prevent childhood poisonings, and help protect our environment, private citizens can bring their prescription medications to the Police Department for disposal. There are green containers accessible 24 hours a day in both the East and West lobbies of the Police Department to dispose of your medications.

OWNERSHIP ZONES - The Police Department has established Ownership Zones that specific officers are assigned to. These officers take "Ownership" of specific areas of the village to consistently address quality of life issues and will work closely with the building inspector in these efforts. In addition, one of the specific Ownership Zones consists exclusively of all the registered Sex Offenders that reside in the Village of Hartland and another Ownership Zone includes all of the schools in the Village of Hartland.

WILEAG ACCREDITATION - The Police Department is accredited by the Wisconsin Law Enforcement Accreditation Group (WILEAG). The department maintains compliance with 242 required standards for law enforcement agencies. Less than 10% of all law enforcement agencies in the State of Wisconsin are fully accredited. The department was awarded re-accreditation in December of 2021, which is valid for a three-year period.

CITIZEN'S ACADEMY - The Police Department sponsors a Citizen's Police Academy in cooperation with the Delafield, Chenequa, and Pewaukee Police Departments. This is for citizens or those who work in this area who would like to learn about what the local police departments do. The Citizen's Academy is provided to reach out to our community and educate the public about the law enforcement profession.

SHOP WITH COPS - During the holiday season, local law enforcement officers from Hartland, Delafield, Pewaukee, and Chenequa Police Departments team up for a Shop with Cops event. Shop with Cops offers children in 5k through 5th grade the opportunity to shop with police personnel for holiday gifts for their families. This is a unique opportunity for children to develop a relationship with law enforcement officers that will serve to make a lasting impression on their lives. We are able to offer this program to families at no cost because of donations, fundraisers, and volunteers.

QUALITY OF A LOCAL POLICE AGENCY

The quality of police services to a community can vary depending on the loyalty of the employees in the police department, their morale, and their ownership of the community. These employees come to work, day in and day out, to provide a service to the citizens and carry with them the local knowledge of people, places, or historical events that help to divert, reduce, or eliminate inappropriate behavior and address quality of life matters. This local knowledge is more beneficial than any record management system could record and is enhanced by dedicated local employees.

In 2023, the police officer staff had approximately 174 years of collective experience with the Village of Hartland, ranging from less than 1 year to 25 years of service.

The Service Quality that a local police agency can provide is based upon dimensions such as:

Tangibles - Appearance of physical facilities, equipment, personnel, and printed or visual information the department provides.

Reliability - Ability to perform all services dependably and accurately.

Responsiveness - Willingness to help citizens by providing prompt services.

Competence - Possession of the required skills and knowledge to perform their duties.

Courtesy - Politeness, respect, consideration, and professionalism of all personnel.

Credibility - Trustworthiness, believability, and honesty of the staff.

Security - Freedom from danger, risk, or doubt.

Access - Approachability to services of the agency.

Communication - Listening to citizens, acknowledging their concerns, following up on the concerns and communicating the results.

Understanding the Citizen - Making an effort to know the citizens and their needs.

Every Call, Every Citizen, Every Contact - Making an effort to build an advocate for the community with every police contact with a citizen. Our goal is to create relationships with residents that result in problem solving success.

The Hartland Police Department responded to 13,039 calls for service in 2023 and the vast majority of these interactions between the police department and the citizens go without a problem.

On occasion, a citizen may make a complaint to the department about an interaction with a staff member. In 2023, there were 4 complaints filed with the Police Department and after conducting a thorough investigation 0 complaints were found to be substantiated. These four complaints were determined to be not substantiated, exonerated, or unfounded.

On the other hand, a citizen may also take the opportunity to commend the department or individual staff members for their professionalism and assistance during a citizen contact. The department received 48 operation compliments in 2023. These citizens are not obligated to take the time to recognize the good efforts of our staff, but they do, and it is a great reflection on the quality of employees that work for the Village of Hartland Police Department.
